Hachen, 2001 The book s objective is to help students develop a skill their ability to interpret and analyze situations sociologically Development of student skills and their sociological eyesight is facilitated through practice using decision cases relatively short problem centered narratives that promote critical thinking The book s structure promotes the progressive and incremental development of skills Each chapter in Part I begins with a case The body of each chapter introduces sociological ideas and concepts by using them to analyze the beginning case Each chapter concludes with another case so that students can practice the specific skills they have acquired in the chapter using the chapter s Sociological Eyesight Analysis Guide Part II contains additional cases providing more opportunities for students to practice their skills at interpreting situations sociologically and solving problems An instructor s manual is available to qualified adopters of *Sociology in Action* To read the Introduction to the instructor s manual or to view a Sample Course Outline click on Additional Materials in the left

column under About This Book **The Riddles of Human Society** Conrad L. Kanagy, Donald B. Kraybill, 1999-01-27 Why are all U S Presidents white men Why does technology enchant us Why do some people commit suicide Why are sports so important to Americans How will the Internet change society Why do people do good This very teachable and short new introductory text explores these and other riddles to stir students sociological curiosity and promote active learning as the sure path toward mastering the fundamentals of the discipline Once again Pine Forge Press has done us Intro teachers a great service with The Riddles of Human Society The authors have produced a remarkable text designing it from the point of view of how students actually acquire sociological tools and imagination when reflecting on their social world It is written as a conversation with readers yet is organized with learning tools like chapter summaries discussion questions and an in text glossary It considers a broad range of topics from micro to macro levels thus uniquely blending the best of a shorter textbook and a monograph It will serve very well as a main text for introductory sociology courses I recommend it highly Stephen Sharkey Department of Social Science Alverno College *Worlds of Difference* Eleanor Palo Stoller, Rose Campbell Gibson, 2000 This collection of readings presents a variety of perspectives on ageing from different communities across the United States Native American Puerto Rican African American the elderly homeless white working class gay and Mexican amongst many others The readings cover topics such as life course social and psychological contexts of ageing paid and unpaid activity the American family and health **What is Society?** Earl R. Babbie, 1994 The most difficult issue for teachers of introductory sociology is how to communicate to students the power of social structure and its relationship to individual human behaviour and experience In this provocative new work Babbie addresses the task helping to teach and to provoke the sociological imagination whilst also exploring what is produced and institutionalized through social interaction and organization Expressing America George Ritzer, 1995-02-09 The explosive growth of consumer credit as well as the shift from cash to plastic in societies throughout the world signals a transformation in social relations which is the focus of this book For student readers who know the world of credit cards all too well this is a great way to interest and educate them on the power of thinking sociologically Criminal Justice George S. Bridges, Joseph G. Weis, Robert D. Crutchfield, 1996-02-22 This is a solid representation of criminological articles that are important to the discipline The important material from each article has been retained yet an undergraduate won t be overwhelmed The articles are germane and flow together a certain consistency in thought is presented to the student as opposed to interesting but often semi related articles This book is accessible and in several areas very enjoyable reading A L Marsteller Drury College Also by the Editors Crime Vol 1 and Juvenile Delinquency Vol 2 Why are these edited collections THE anthologies to use for teaching Criminal Justice Criminology or Juvenile Delinquency All volumes present the field accurately and completely to students and in a way that is understandable to undergraduates and therefore teachable All include rich collections of classic and contemporary articles all of which have been carefully edited so that students can master the material All volumes contain

essays written by the Editors which provide the coherence and structure to the collections that undergraduate students need Questions for Discussion and Writing and well prepared indexes help to make these anthologies even more teachable All are edited by scholars who have the credentials and the undergraduate teaching experience to make this three volume set a particularly rich resource
