A SOCIOLOGY OF MENTAL HEALTH AND ILLNESS

Anne Rogers and David Pilgrim

Sociology Of Mental Health And Illness

Edwin D. Driver

Sociology Of Mental Health And Illness:

A Sociology Of Mental Health And Illness Rogers, Anne, Pilgrim, David, 2014-05-01 This book provides a sociological analysis of major areas of mental health and illness **The Sociology of Mental Health and Illness** Allen

Furr, 2022-06-27 The Sociology of Mental Health and Illness explains sociology's key contributions to our understanding of mental health and serves as a strong counterpoint to the medical approach to the subject Using both micro and macro level theories particularly social constructionism the text shows the subjective nature of mental illness and systems of diagnosis and treatment It also emphasizes how social conditions and relationships create life pathways toward mental health and psychological struggles and uses the concept of patient career to describe how individuals interact with mental health professionals In addition the text explores the connections between mental health and social problems such as terrorism substance abuse criminal violence suicide and domestic violence *Handbook of the Sociology of Mental Health* Carol S.

Aneshensel, Jo C. Phelan, Alex Bierman, 2012-07-16 This second edition of the Handbook of the Sociology of Mental Health features theory driven reviews of recent research with a comprehensive approach to the investigation of the ways in which society shapes the mental health of its members and the lives of those who have been diagnosed as having a mental illness The award winning Handbook is distinctive in its focus on how the organization and functioning of society influences the occurrence of mental disorder and its consequences A core issue that runs throughout the text concerns the differential distribution of mental illness across various social strata defined by status characteristics such as gender race ethnicity socioeconomic status and age The contributions to this volume shed light on the social cultural and economic factors that explain why some social groups have an elevated risk of disorder They also address the social repercussions of mental disorder for individuals including stigmatization within the larger society and for their families and social networks The second edition of this seminal volume includes substantial updates to previous chapters as well as seven new chapters on The Individual's Experience of Mental Illness The Medicalization of Mental Illness Age Aging and Mental Health Religion and Mental Health Neighborhoods and Mental Health Mental Health and the Law and Public Beliefs about Mental Illness

Handbook of the Sociology of Mental Health Carol S. Aneshensel, Jo C. Phelan, 2006-11-22 Within American society mental disorder is commonly understood as an attribute of the individual This intuitive understanding reflects the experiential reality that it is individuals who are beset by feelings of fear and despair confused by intrusive or jumbled thoughts addicted to drugs and so forth In this regard everyday thinking is consistent with contemporary psychiatry which also individualizes pathology increasingly in biological terms The contributors to this handbook collectively articulate an alternative vision one in which the individual experience of psychopathology is inextricably embedded within its social context This theme the interface between society and the inward experience of its constituents is developed here in a more encompassing manner than has been previously undertaken Although this perspective may seem self evident especially in a

handbook on the sociology of mental health the widespread adoption of a medical model of aberrant states especially by sociologists has we submit obscured the relevance of social organization and processes A Sociology of Mental Health and Illness 6e Anne Rogers, David Pilgrim, 2021-01-20 How do we understand mental health problems in their social context A former BMA Medical Book of the Year award winner this book provides a sociological analysis of major areas of mental health and illness The book considers contemporary and historical aspects of sociology social psychiatry policy and therapeutic law to help students develop an in depth and critical approach to this complex subject New developments for the sixth edition include Brand new chapter on aging and older people Updated material on social class ethnicity user involvement young people and adolescence New coverage on prisons legalism and the rise of digital mental health management and delivery A classic in its field this well established textbook offers a rich contemporary and well crafted overview of mental health and illness unrivalled by competitors and is essential reading for students and professionals studying a range of medical sociology and health related courses It is also highly suitable for trainee mental health workers in the fields of social work nursing clinical psychology and psychiatry This classic text book has for many years provided the definitive sociological lens with which to understand the range of conceptual approaches to understanding mental illness in the historical journey from madness to emotional health and the complex interdisciplinary challenges of providing appropriate care or treatment to human distress and suffering This updated edition continues to provide illuminating insights and clarifications not only for students but for academic researchers and scholars at all levels Gillian Bendelow Professor in Sociology of Health and Medicine School of Applied Social Science University of Brighton A Sociology of Mental Health and Illness is a sociological classic for three decades now it has been essential reading for all sociologists and other social scientists wishing to learn more about mental ill health and society be they students or professional teachers and researchers It has also long been a beacon and will continue to guide mental health practitioners keen to better understand and engage with the social dimensions of their work A Sociology of Mental Health and Illness is an incomparable resource Professor Martyn Pickersgill University of Edinburgh UK The relationship between sociology and mental health has been well documented over the years Social factors such as poverty social stress socioeconomic disadvantages inequality social exclusion have been implicated for increased rates of mental health problems Unfortunately psychiatry has not engaged sufficiently with sociology A Sociology of Mental Health and Illness has covered this disparity The sixth edition is a most welcome addition updating social trends and new sociological material relevant to mental health more emphasis on service users participation and the emerged evidence base It is a classic that should be an essential reading for all mental health professionals Nick Bouras Emeritus Professor of Psychiatry King s College London Institute of Psychiatry Psychology and Neuroscience Anne Rogers is Professor of Medical Sociology Health Systems Implementation at the University of Southampton David Pilgrim is Visiting Professor of Clinical Psychology at the University of Southampton A Sociology of

Mental Health and Illness Anne Rogers, David Pilgrim, 2010-07-01 A Sociology of Mental Health and Illness is an intellectual tour de force Rogers and Pilgrim cogently dismantle professional pretensions towards mastery of mental illness and in their place construct compelling arguments for the need to focus on the social economic and political determinants of mental well being Professor Chris Dowrick University of Liverpool UK How do we understand mental health problems and the concept of happiness in their social context How have sociologists theorized and researched mental health and illness A former BMA Medical Book of the Year award winner this book provides a sociological analysis of major areas of mental health and illness and helps students to develop a critical approach to the subject This new edition is fully updated taking into consideration changes in the areas of sociology social psychiatry and policy analysis and changes to policy and therapeutic law A new chapter entitled public mental health and the pursuit of happiness reflects the recent focus on the creation of mentally healthy societies A Sociology of Mental Health and Illness 4 e is a key teaching and learning resource for undergraduates and postgraduates studying a range of medical sociology and health related courses as well as trainee mental health workers in the fields of social work nursing clinical psychology and psychiatry

A Sociology of Mental Health and Illness Anne Rogers, David Pilgrim, 2005-07 A vital text for studying the effects of mental health and illness on a society This bestselling textbook provides a clear overview of the major aspects of the sociology of mental health and illness In this new edition the authors update each chapter taking into consideration recent social science and social psychiatric literature

Sociology of Mental Disorder William C. Cockerham, 1981 This book presents the major issues and research findings found in the abundant sociological literature on mental disorder Offering a complete review of the field of mental health from a sociological rather than psychiatric perspective this book incorporates the most current data and research findings available including the latest edition of the Diagnostic and Statistical Manual of Mental Disorders For sociologists psychologists and other professionals interested in the latest research findings in the field of mental health

The Sociology of Mental Health and Illness Peter K. Manning, Martine Zucker, 1976

Explaining Mental Illness Baptiste Brossard, Amy Chandler, 2022-06-24 How can sociology explain the emergence of mental disorders in societies or individuals This authoritative book makes a case for the renewal of the sociology of mental illness proposing a reorganisation of this field around four areas social stratification stress labelling and culture Drawing on case studies from a range of global contexts the book argues that current research focuses on identifying social factors leaving the question of causality to psychiatry while significant critical perspectives remain untapped The result is an unprecedented resource that maps the current state of sociology of mental health providing an invigorating manifesto for its future

A Sociology of Mental Illness Mark Tausig, Janet Michello, Sree Subedi, 1999 Summarizing mental health research conducted by sociologists over the last 30 years A Sociology of Mental Illness provides a consistent narrative that emphasizes how social statuses and social roles affect mental health The mental health treatment system and the public's reaction to mental illness are also comprehensively

discussed Topics include social causes and consequences of mental illness social statuses such as gender socioeconomic status race ethnicity age and community deviant behavior and the challenges of community mental health For those in the fields of sociology psychology nursing and social workers

Sociology of Mental Health Robert J. Johnson,R. Jay Turner,Bruce G. Link,2014-08-25 This volume provides an overview of mental health research conducted by sociologists It discusses dominant themes such as stress the community and mental life family structure social relations and recovery The unique contribution of sociology to the study of mental health has a long history stretching from the very foundations of modern sociology Yet it was only twenty years ago that the Section on Sociology of Mental Health of the American Sociological Association was formed largely in response to a burgeoning rise in the sum and significance of research in the field Today the section is a large and vibrant one with its own journal *Society and Mental Health* This book explores several of the themes that have occurred during that period providing both perspectives of the past and prospects for the future The volume is timely following closely the 20th anniversary of the section s formation Its coverage of key issues and its advancement of the scholarly debates on these issues will prove valuable to students and senior scholars alike

Cultural Sociology of Mental Illness Andrew Scull,2013-12-20 Cultural Sociology of Mental Illness An A to Z Guide looks at recent reports that suggest an astonishing rise in mental illness and considers such questions as Are there truly more mentally ill people now or are there just more people being diagnosed and treated What are the roles of economics and the pharmacological industry in this controversy At the core of what is going on with mental illness in America and around the world the editors suggest is cultural sociology How differing cultures treat mental illness and in turn how mental health patients are affected by the culture In this illuminating multidisciplinary reference expert scholars explore the culture of mental illness from the non clinical perspectives of sociology history psychology epidemiology economics public health policy and finally the mental health patients themselves Key themes include Cultural Comparisons of Mental Health Disorders Cultural Sociology of Mental Illness Around the World Economics Epidemiology Mental Health Practitioners Non Drug Treatments Patient the Psychiatry and Psychology Psychiatry and Space Psychopharmacology Public Policy Social History and Sociology Key Features This two volume A Z work available in both print and electronic formats includes close to 400 articles by renowned experts in their respective fields An Introduction a thematic Reader s Guide a Glossary and a Resource Guide to Key Books Journals and Associations and their web sites enhance this invaluable reference A chronology places the cultural sociology of mental illness in historical context 150 photos bring concepts to life The range and scope of this Encyclopedia is vivid testimony to the intellectual vitality of the field and will make a useful contribution to the next generation of sociological research on the cultural sociology of mental illness

Rethinking the Sociology of Mental Health Joan Busfield,2001-03-30 Rethinking the Sociology of Mental Health is a collection of original papers introducing new ways of thinking sociologically about the terrain of mental health There are more general papers about mental health and

mental health policy and papers about specific types of mental illness and particular policy issues such as dangerousness

Mental Health, Social Mirror William R. Avison, Jane D. McLeod, Bernice A. Pescosolido, 2007-08-19 In 2004 the discipline of sociology celebrated the 100th anniversary of the founding of the American Sociological Association In 2005 the Section on Medical Sociology celebrated 50 years since the formation of the Committee on Medical Sociology within the ASA And in 2003 the Section on the Sociology of Mental Health celebrated ten years since its founding within the American branch of the discipline This brief accounting marks the American based or nizational landmarks central to concerns about how social factors shape the mental health problems individuals face as well as the individual and system responses that follow This history also lays a trail of how the focus on mental health and illness has narrowed from a general concern of the discipline to a more intense substantively focused community of scholars targeting a common set of specific theoretical and empirical questions While mental health and illness figured prominently in the writings of classical sociologists contem rary sociologists often view research on mental health as peripheral to the real work of the discipline The sentiment real or perceived is that the sociology of mental health along with its sister medical sociology may be in danger of both losing its prominence in the discipline and losing its connection to the ma stream core of sociological knowledge Pescosolido

Kronenfeld 1995 **The Sociology of Mental Illness** Bernard J. Gallagher, 1980 **A Handbook for the Study of Mental Health** Teresa L. Scheid, Tony N. Brown, 2010 The second edition of A Handbook for the Study of Mental Health provides a comprehensive review of the sociology of mental health Chapters by leading scholars and researchers present an overview of historical social and institutional frameworks Part I examines social factors that shape psychiatric diagnosis and the measurement of mental health and illness theories that explain the definition and treatment of mental disorders and cultural variability Part II investigates effects of social context considering class gender race and age and the critical role played by stress marriage work and social support Part III focuses on the organization delivery and evaluation of mental health services including the criminalization of mental illness the challenges posed by HIV and the importance of stigma This is a key research reference source that will be useful to both undergraduates and graduate students studying mental health and illness from any number of disciplines **The Sociology of Mental Disorders** Samuel Kirson Weinberg, 1967 **The Sociology and Anthropology of Mental Illness** Edwin D. Driver, 1965 Rethinking the Sociology of Mental Health , 2000
