# THE SOCIOLOGY OF THE PROFESSIONS

KEITH M. MACDONALD

# **Sociology Of The Professions**

**Robert Dingwall, Philip Lewis** 

#### **Sociology Of The Professions:**

The Sociology of the Professions Keith M Macdonald, 1995-09-26 This much needed book provides a systematic introduction both conceptual and applied to the sociology of the professions Keith Macdonald guides the reader through the chief sociological approaches to the professions addressing their strengths and weaknesses The discussion is richly illustrated by examples from and comparisons between the professions in Britain the United States and Europe relating their development to their cultural context The social exclusivity that professions aim for is discussed in relation to social stratification patriarchy and knowledge and is thoroughly illustrated by reference to examples from medicine and other established professions such as law and architecture The themes of the book are drawn together in a final chapter by means of a case study of accountancy **Sociology of Professions** Lennart Svensson, Julia Evetts, 2010 This book discusses Continental and Anglo Saxon traditions in the analysis of professionalism professional work and its practitioners Issues of definition and conceptualization are discussed in a frame for comparing Continental and Anglo Saxon conditions and traditions. The approach is mainly historical in the first part about the origins and development of professions and in the second part about contemporary alterations legitimacy discretionary power and internationalization Throughout there is a major emphasis on the organizational aspects of professions and professional work The Sociology of the Professions Robert Dingwall, Philip Lewis, 2014-04-09 Robert Dingwall and Philip Lewis s renowned compilation of diverse studies written by internationally recognized theorists and empirical researchers into the sociology of the professions was groundbreaking when first published in 1983 and has influenced scholars practitioners and professionals since Not limited to one occupation or field as are most such works this collection examines across traditional fields the idea and practice of professions and professionals The 2014 digital edition features a substantive new Foreword by Professor Sida Liu of the University of Wisconsin Madison He notes that this book is a rare effort to fully compare the two classic cases of doctors and lawyers in the professions literature The contributors of the book include a number of prominent authors on the professions in Britain and the United States Until today it remains a vitally important volume for scholars and students interested in various aspects of professional life Looking back Liu adds one must be struck by the extent to which theorists of professions and empirical researchers on doctors and lawyers from both the UK and US fully engage with one another throughout the book He concludes that the reemergence of this excellent book three decades after its initial publication will reconfirm its status as a classic collection of essays on the professions The Sociology of the Professions brings together enduring work by some of the most influential writers on the sociology of the professions It is a deliberate attempt to extend the theoretical basis of the specialty by a comparative approach using data and interviews on medicine and law Recognized advances in understanding the professions resulted from the work of medical sociologists on the division of labor in health care and on the relation between health services and society Their foundation though appeared uncertain in the absence of comparable material on

other sectors At the same time the sociology of law has tended to neglect the study of the profession in favor of the analysis of statutes and their effects But law is not just what is written in legislation it is people s work Our understanding of the social organization of legal services is incomplete without that perspective The contributors to this volume are recognized authorities from a variety of fields from the UK and US They include Dingwall and Lewis as well as Paul Atkinson Maureen Cain John Eekelaar Eliot Freidson Marc Galanter Gordon Horobin Malcolm Johnson Geoff Mungham Topsy Murray Alan Paterson Dietrich Rueschemeyer P M Strong and Philip Thomas Their studies fall into three categories Professions Knowledge and Power Professional Work and Professional Careers The volume retains a comprehensive bibliography of relevant British and US sources on the study of the professions in law medicine and beyond Reviews of the original edition include Dingwall and Lewis have provided an exemplar of what an edited volume can be Its comparativism its span of European and American scholarship its internal debates its efforts to press into new theoretical terrain all add to a refreshing and challenging collection In fact this volume would be a far better entree to the enduring questions of professions in modern societies than the limp alternatives too frequently served in its place Terence Halliday in Social Forces This anthology provides an exceptionally literate assessment of past research and a coherent statement of the research agenda for the future Eve Spangler in Contemporary Sociology There is a sense of excitement as many of the contributors attempt to mark out new subjects for future research or try out new strategies of investigation and invite the reader or reviewer to participate in their debates Michael Burrage in Modern Law Review Also available in new paperback edition The Sociology of the *Professions* Philip Elliott, 2013-12-31 The Sociology of the professions ,1983 The Sociology of the Professions Philip Ross Courtney Elliott, 1972 **Profession of Medicine** Eliot Freidson, 1988-05-15 Must be judged as a landmark in medical sociology Norman Denzin Journal of Health and Social Behavior Profession of Medicine is a challenging monograph the ideas presented are stimulating and thought provoking Given the expanding domain of what illness is and the contentions of physicians about their rights as professionals Freidson wonders aloud whether expertise is becoming a mask for privilege and power Profession of Medicine is a landmark in the sociological analysis of the professions in modern society Ron Miller Sociological Quarterly This is the first book that I know of to go to the root of the matter by laying open to view the fundamental nature of the professional claim and the structure of professional institutions Everett C Hughes Science The **Sociology of the Professions** Robert Dingwall, P. S. C. Lewis, 1983 **Sociology in the Professions** Brian J. Heraud, 1979 **Professions in Theory and History** Michael Burrage, 1990 The professions are currently the focus of vigorous debate within sociology and social history This book and its companion volume The Formation of Professions bring together researchers from continental Europe and from the English speaking world to highlight the contrasting perspectives of the two traditions and to emphasize what they can learn from each other The present volume concentrates on the theory and historical development of professions The authors identify critical problems of method and theory such as the reliance on

single profession case studies the separation of professions from their social and political contexts the assumption of a uniform professional strategy the neglect of inter professional relations and above all the overwhelming Anglo American bias embedded in the categories and concepts used They then propose ways in which comparative and historical analysis might be better equipped to study the professions in a wide variety of social and political settings. The discussion encompasses the market and employment context comparison of professions with other kinds of authority relations and other types of occupation and exploration of historical discontinuities and variations in strategy The Sociology of the Professions Keith M. MacDonald, 1995 The Rise of Professionalism Magali S. Larson, Magali Sarfatti Larson, 1977-01-01 The Sociology of the Caring Professions Pamela Abbott, Liz Meerabeau, 1998 This text Marktwirtschaft Beruf Geschichte discusses the role of the caring professions and reforms in the welfare state assessing the impact on organizational roles and relationships It should be of value to those studying sociology social policy nursing and social work **Professions, Work,** and Careers Anselm L. Strauss, A collection of works by sociologist Anselm L Strauss The essays examine organization profession career and work in addition to related matters such as socialization occupational identity social mobility and professional relationships all in a social psychological context **Sociology of Occupations and Professions** Ronald M. The Sociology of the Professions Robert Dingwall, Philip Lewis, 2016-06-02 Robert Dingwall and Philip Lewis Pavalko, 1971 s renowned compilation of diverse chapters written by internationally recognized theorists and empirical researchers into the sociology of the professions was groundbreaking when first published in 1983 and has influenced scholars practitioners and professionals since Not limited to one occupation or field as are most such studies this collection examines across traditional fields the idea and practice of professions and professionals The 2016 hardcover edition features a substantive foreword by Professor Sida Liu of the University of Wisconsin Madison He notes that this book is a rare effort to fully compare the two classic cases of doctors and lawyers in the professions literature The contributors of the book include a number of prominent authors on the professions in Britain and the United States Until today it remains a vitally important volume for scholars and students interested in various aspects of professional life Looking back Liu adds one must be struck by the extent to which theorists of professions and empirical researchers on doctors and lawyers from both the UK and US fully engage with one another throughout the book He concludes that re emergence of this excellent book three decades after its initial publication will reconfirm its status as a classic collection of essays on the professions The Sociology of the Professions brings together enduring work by some of the most influential writers on the sociology of the professions It is a deliberate attempt to extend the theoretical basis of the specialty by a comparative approach using data and interviews on medicine and law Recognized advances in understanding the professions resulted from the work of medical sociologists on the division of labor in health care and on the relation between health services and society Their foundation though appeared uncertain in the absence of comparable material on other sectors At the same time the sociology of law has tended to neglect the study of the profession

in favor of the analysis of statutes and their effects But law is not just what is written in legislation it is people s work Our understanding of the social organization of legal services is incomplete without that perspective The contributors to this volume are recognized authorities from a variety of fields from the UK and US They include Dingwall and Lewis as well as Paul Atkinson Maureen Cain John Eekelaar Eliot Freidson Marc Galanter Gordon Horobin Malcolm Johnson Geoff Mungham Topsy Murray Alan Paterson Dietrich Rueschemeyer P M Strong and Philip Thomas Their studies fall into three categories Professions Knowledge and Power Professional Work and Professional Careers The volume retains a comprehensive bibliography in law medicine and beyond Reviews of the original edition include Dingwall and Lewis have provided an exemplar of what an edited volume can be Its comparativism its span of European and American scholarship its internal debates its efforts to press into new theoretical terrain all add to a refreshing and challenging collection In fact this volume would be a far better entree to the enduring questions of professions in modern societies than the limp alternatives too frequently served in its place Terence Halliday Social Forces This anthology provides an exceptionally literate assessment of past research and a coherent statement of the research agenda for the future Eve Spangler Contemporary Sociology Part of the Classics of the Social Sciences Series by Quid Pro Books now in a library quality hardcover edition Professionalism Reborn Eliot Freidson, 2013-04-25 This book is an original interpretation of the professions and the role of the professional in Western industrial societies today Professions and the Public Interest Mike Saks, 2005-08-16 The importance and influence of professions in public life has grown increasingly over the twentieth century but the question of whether they subordinate their own self interests to the public interest has yet to be adequately researched within a major sociological perspective In Professions and the Public Interest Mike Saks develops a theoretical and methodological framework for assessing professional groups in Western society The empirical applicability of this framework is demonstrated with particular reference to a novel case study of the response of the medical profession to acupuncture in the nineteenth and twentieth centuries Professions and the Public Interest will be of great interest to all lecturers and students of social policy sociology and medical sociology as well as to professional groups and their members Readings in the Sociology of the **Professions** Sheo Kumar Lal, 1988 The Sociology of the Professions is an emerging sub field of Sociology It is gradually gaining ground in India which is evident from the empirical studies conducted by Indian social scientists The present book Readings in the Sociology of the Professions is a testimony to this growing interest Contributions from eminent social scientists have been included in this book One finds a comprehensive discussion on concepts and attributes of professions and the various approaches followed in the study of the professions Papers on field investigations are also included in the book This is one book which includes at one place studies of different professions such as teaching medical legal social work and others mostly written in Indian context This would facilitate the students researchers and teachers The book would also be of interest to the general readers interested in understanding the normative and actual realities of the significant

functionaries of the society *Professions and Prospects* Eliot Freidson,1973 Monographic compilation of social research papers on professionalism covers general issues such as professionalism in relation to the individual and trade unionism the professionalization of certain occupations viz Engineering public accounting social work teachers medical personnel clergy etc and includes papers on the role of the sociologist References and statistical tables
