## **Sociology Of Sex An Introductory Reader:**

**The Sociology of Sex** James M. Henslin, Edward Sagarin, 1978      Sex Research and Sex Therapy Ross Morrow, 2013-06-17 Exploring the theoretical conceptual and historical issues surrounding the topic of sex research and sex therapy this book examines the influential scientific sex research completed by Masters and Johnson and its implications for sex therapy and the study of human sexuality      *The Sociology of Sex* Edward Sagarin, James M. Henslin, 1978      **The Sociology of Sex** James M. Henslin, Edward Sagarin, 1978      Sexuality and Its Discontents Jeffrey Weeks, 2002-05-03 Few topics evoke so much anxiety and pleasure pain and hope discussion and silence as sexuality Throughout the Christian era it has been a major moral preoccupation Since the eighteenth century it has also been the focus of scientific exploration and political activity But despite this obsessive concern we are still as baffled as our predecessors about the true meaning of sex In this book Jeffrey Weeks unravels the dense web of historical theoretical and political forces that have culminated in the contemporary crisis of sexual meanings and values The book begins with a powerful evocation of our present discontents and their potent signs the rise of the New Right the retreat of progressive forces and a wave of moral panics around sex It argues that this crisis is rooted in a tradition which has ascribed an inflated importance to sexuality whilst claiming a privileged access to truth The author then examines radical debates of recent years and asks whether they contain the potentiality for taking us beyond the existing boundaries of sexuality From this analysis emerges a controversial radical pluralist approach to sexuality built on an acceptance of diversity and choice By linking our present discontents to a clear understanding of the past Jeffrey Weeks presents a rational optimistic and challenging vision of a realizable future      Liberalism and Prostitution Peter de Marneffe, 2012-04-01 Civil libertarians characterize prostitution as a victimless crime and argue that it ought to be legalized Feminist critics counter that prostitution is not victimless since it harms the people who do it Civil libertarians respond that most women freely choose to do this work and that it is paternalistic for the government to limit a person's liberty for her own good In this book Peter de Marneffe argues that although most prostitution is voluntary paternalistic prostitution laws in some form are nonetheless morally justifiable If prostitution is commonly harmful in the way that feminist critics maintain then this argument for prostitution laws is not objectionably moralistic and some prostitution laws violate no one's rights Paternalistic prostitution laws in some form are therefore consistent with the fundamental principles of contemporary liberalism      **The State of Sex** Barbara Brents, Crystal Jackson, Kathryn Hausbeck, 2009-12-16 This study of Nevada's brothels uses empirical data and sociological theory to situate the United States only legal brothel industry in the political economy of contemporary tourism The personal accounts of sex workers make this a compelling read for students and those interested in the sex industry      **Orgasmic Bodies** Hannah Frith, 2015-06-30 *Orgasmic Bodies* explores how bodily experiences of orgasm are worked up as present absent complicated straightforward too slow too fast fake or real in the doing of masculinities and femininities Engaging with both science and popular culture it examines the meanings given to

orgasmic bodies in contemporary heterosex      **Sex and Reason** Richard A. Posner,2009-07-01 Sexual drives are rooted in biology but we don't act on them blindly Indeed as the eminently readable judge and legal scholar Richard Posner shows we make quite rational choices about sex based on the costs and benefits perceived Drawing on the fields of biology law history religion and economics this sweeping study examines societies from ancient Greece to today's Sweden and issues from masturbation incest taboos date rape and gay marriage to Baby M The first comprehensive approach to sexuality and its social controls Posner's rational choice theory surprises explains predicts and totally absorbs      **A Moral Defense of Prostitution** Rob Lovering,2021-07-09 Is prostitution immoral In this book Rob Lovering argues that it is not Offering a careful and thorough critique of the many twenty to be exact arguments for prostitution's immorality Lovering leaves no claim unchallenged Drawing on the relevant literature along with his own creative thinking Lovering offers a clear and reasoned moral defense of the world's oldest profession Lovering demonstrates convincingly on both consequentialist and nonconsequentialist grounds that there is nothing immoral about prostitution between consenting adults The legal implications of this view are also brought to bear on the current discourse surrounding this controversial topic      The Transgender Phenomenon Richard Ekins,Dave King,2006-10-23 Dave King and Richard Ekins are the leading world sociologists in this field The book brings together a brilliant synthesis of history case studies ideas and positions as they have emerged over the past thirty years and brings together a rich but always grounded account of this field providing a state of the art of critical concepts and ideas to take this field further during the twenty first century Ken Plummer University of Essex An outstanding survey of the evolution of trans phenomena splendidly written highly informative scholarly at its best yet easy to read even for those neither trans nor sociologist Ekins and King experts in the field unroll the panoramas of sex gender and transgending that have evolved during the last decades For everyone wanting to understand the interaction of women and men and of those who cannot or will not identify with either of these two categories reading this book is a must and a real pleasure Friedmann Pfaefflin University of ULM This groundbreaking study sets out a framework for exploring transgender diversity for the new millennium It sets forth an original and comprehensive research and provides a wealth of vivid illustrative material Based on two decades of fieldwork life history work qualitative analysis archival work and contact with several thousand cross dressers and sex changers around the world the authors distinguish a number of contemporary transgending stories to illustrate The binary male female divide The interrelations between sex sexuality and gender The interrelations between the main sub processes of transgending Wonderfully insightful The Transgender Phenomenon develops an original and innovative conceptual framework for understanding the full range of the transgender experience      **Playboy and the Making of the Good Life in Modern America** Elizabeth Fraterrigo,2009-11-05 In exploring the history of America's most widely read and influential men's magazine Elizabeth Fraterrigo hones in on the values style and gender formulations put forth in its pages and how they gained widespread currency in American culture      *The Oxford*

*Handbook of Symbolic Interactionism* Wayne H. Brekhus, Thomas DeGloma, William Ryan Force, 2023-12-22 The Oxford Handbook of Symbolic Interactionism features a diverse array of cutting edge scholarship in symbolic interactionism SI The scholars featured in this volume present new and evolving outlooks on foundational SI themes including the self and identity the interactive construction of meaning classical pragmatism interactionist research methods performance culture and subcultures cognition emotion organizations and institutions and social constructionism **Ibss: Anthropology: 1978** International Committee for Social Science Information and Documentation, 1990-12-31 First published in 1981 Routledge is an imprint of Taylor Francis an informa company The Social Thought of Erving Goffman Michael Hviid Jacobsen, Soren Kristiansen, 2015 This new volume in the Social Thinkers series serves as an introduction to the life work and ideas of Erving Goffman **Knowledgeable Women** Sara Delamont, 2022-02-16 In Knowledgeable Women originally published in 1989 Sara Delamont traces the history of women s education and the elites it produces She examines class and gender divisions in the structure and contest of education in Britain and the USA from 1850 to 1989 Her empirical focus is of course elites especially elite women but the justification for this is the belief that sociologists should study the powerful as well as the poor and powerless Above all Delamont argues the case for the relevance to sociology of a serious study of women their schooling and professional training and their struggle to enter the professions She also encourages a broader focus to the sociology of education itself viewing her subject from an anthropological structuralist perspective and encouraging the inclusion of anti sexist ideas and material from other areas of sociology such as the study of science and stratification She demonstrates for the first time the relevance to education of structuralist theorists such as Mary Douglas Knowledgeable Women is a structuralist and feminist challenge to the sociology of education by an author highly regarded in Britain and the USA It offers a non sexist structuralist fully sociological sociology of education **Gay Macho** Martin P. Levine, 1998 A sociological study of the emergence of the gay male culture from the explosion of gay liberation in the early 1970s through the beginning of the AIDS crisis of the mid 1980s The first half of the book is the dissertation of Levine who based it primarily on field work conducted in Greenwich Village s growing gay community in the late 1970s He looks at the sociology of gay masculinity hypermasculine sexuality and gender confirmation and the birth of the gay clone The second half of the work is made up of essays which chronicle the beginning of the AIDS epidemic examine the myth of sexual compulsivity and look at the implications of constructionist theory for social research on the AIDS epidemic Annotation copyrighted by Book News Inc Portland OR **Engendered Encounters** Margaret D. Jacobs, 1999-01-01 In this interdisciplinary study of gender cross cultural encounters and federal Indian policy Margaret D Jacobs explores the changing relationship between Anglo American women and Pueblo Indians before and after the turn of the century During the late nineteenth century the Pueblos were often characterized by women reformers as barbaric and needing to be uplifted into civilization By the 1920s however the Pueblos were widely admired by activist Anglo American women who challenged assimilation policies and worked hard to

protect the Pueblos traditional way of life Deftly weaving together an analysis of changes in gender roles attitudes toward sexuality public conceptions of Native peoples and federal Indian policy Jacobs argues that the impetus for this transformation in perception rests less with a progressively tolerant view of Native peoples and more with fundamental shifts in the ways Anglo American women saw their own sexuality and social responsibilities **Into One's Own** John Modell, 1989 Analyzes the changes which have occurred over this century in the timing of transitions to adult life in the United States such as transitions out of school and into work and out of the parental home and into marriage and parenthood Links demographic behavior with popular beliefs and with the social and cultural developments and major events in American society from the 1920s to the 1970s **Gender, Sexual Citizenship and Epistemic Injustice in the Caribbean** Charmaine

Crawford, 2025-03-18 This book interrogates the relationship between gender sexual citizenship and epistemic injustice as it relates to the experiences of LGBTQ persons in the Commonwealth Caribbean Whether it is the recognition of gender sexual identities sexual freedom bodily autonomy marriage or creating a family sexual citizenship encompasses different aspects of our intimate lives that have erotic social and economic value that are organised and legitimised through the family religion law state family and civil society Employing decolonial feminist queer perspectives this book considers how race gender and sexuality intersect through matrices of power in shaping intimate life in giving more rights and freedoms to some over others While Caribbean sexualities are rich and diverse there still exists dominant colonial and post colonial heteropatriarchal ideologies and practices that infringe on the sexual rights of Caribbean LGBTQ persons normalising discriminatory treatment homophobia lesbophobia and transphobia against them Despite efforts to silence Caribbean LGBTQ persons they have politicised their cause by engaging in epistemic resistance Caribbean LGBTQ activism encompasses a myriad of social justice efforts incorporating intersectional politics with feminists and other groups which validate queer identities knowledges and lives in the region and diaspora This book showcases how Caribbean LGBTQ activists are using strategic litigation anchored in social justice hermeneutics to upend vagrancy and anti buggery laws which has led to successful decriminalisation cases in the region This book will interest researchers and students in women s gender and sexuality studies and Caribbean studies
