

Sokagakkai And Mass Society

Peter Bernard Clarke

Sokagakkai And Mass Society:

Democracy and Mass Society [[],2006-02 The Japanese Way of Politics Gerald L. Curtis, 1988 Yasuhiro Nakasone Social Movements in a Globalising World Hanspeter Kriesi, Dieter Rucht, 2016-07-27 The growing interdependence on a global scale which characterizes the human condition at the turn of the century constitutes a challenge for both the mobilization of social movements and social movement theory. The present volume makes an attempt to adjust the perspective of the political process approach to a world in which political opportunities mobilizing structures framing processes and collective action of social movements are no longer confined to national political contexts **Korea** Frank Joseph Shulman, 2013-10-23 First Published in 1971 This annotated bibliography of doctoral dissertations on Japan and Korea grew out of a decision to expand and bring up to date an earlier list entitled Unpublished Doctoral Dissertations Relating to Japan Accepted in the Universities of Australia Canada Great Britain and the United States 1946 1963 compiled by Peter Cornwall and issued by the Center for Japanese Studies in 1965 **Religion and Politics in Contemporary Japan** Anne Mette Fisker-Nielsen, 2012 Presenting a study of politics at grassroots level among young Japanese this book examines the alliance between the religious movement Soka Gakkai the Value creation Society and Komeito the Clean Government Party which shared power with the Liberal Democratic Party from 1999 to 2009 Drawing on primary research carried out among Komeito supporters the book focuses on the lives of supporters and voters in order to better understand the processes of democracy It goes on to discuss what the political behaviour of young Komeito supporters tell us about the role of religious organizations such as Soka Gakkai in Japanese politics Unlike most other books on politics in Japan which tend to concentrate on political elites this book provides extremely valuable insights into political culture at Encountering the Dharma Richard Hughes Seager, 2006-03-16 This engaging deeply personal book the grassroots level illuminating the search for meaning in today s world offers a rare insider s look at Soka Gakkai Buddhism one of Japan s most influential and controversial religious movements and one that is experiencing explosive growth around the world Unique for its multiethnic make up Gakkai Buddhists can be found in more than 100 countries from Japan to Brazil to the United States and Germany In Encountering the Dharma Richard Seager an American professor of religion trying to come to terms with the death of his wife travels to Japan in search of the spirit of the Soka Gakkai This book tells of his journey toward understanding in a compelling narrative woven out of his observations reflections and interviews including several rare one on one meetings with Soka Gakkai president Daisaku Ikeda Along the way Seager also explores broad ranging controversies arising from the Soka Gakkai's efforts to rebuild post war Japan its struggles with an ancient priesthood and its motives for propagating Buddhism around the world One turning point in his understanding comes as Ikeda and the Soka Gakkai strike an authentically Buddhist response to the events of September 11 2001 Establishing the Revolutionary Birgit Staemmler, Ulrich M. Dehn, 2011 New religions in Japan claim millions of members and simultaneously provoke criticism and

fulfil social functions This publication serves as a handbook about these new religions on the basis of recent research written by an international range of scholarly experts **Japanese Religion** Robert Ellwood, Richard Pilgrim, 2016-09-13 This book provides an overview of religion in Japan from ancient times to the present It also emphasizes the cultural and attitudinal manifestations of religion in Japan withough neglecting dates and places Bibliography of Japanese New Religions, with Annotations and an Introduction to Japanese New Religions at Home and Abroad Peter Bernard Clarke, 1999 Containing some 1500 entries this new bibliography will be widely welcomed for its comprehensive brief and for the sub section profiling principal NRMs convering history beliefs and practices main publications braches worldwide and Bibliography of Japanese New Religious Movements Peter B Clarke, 2013-12-16 Containing some 1500 membership entries this new bibliography will be widely welcomed for its comprehensive brief and for the sub section profiling principal NRMs convering history beliefs and practices main publications braches worldwide and membership Mindful leadership for sustainable peace Thich Duc Thien, Thich Nhat Tu, 2019-04-16 EDITORS INTRODUCTION BACKGROUND We are experiencing an unprecedented period where wide ranging and disruptive major global change is taking place around us In this context the theme of Mindful Leadership and Sustainable Development provides a point of reference and pathway for understanding the contemporary chaotic situations. These disruptive changes challenge our understanding and meaning of humanity and truly question whether or not we are able to live in a society where justice equality peace and prosperity abound In the Buddhist light a focus is placed on understanding the Buddhist teachings to develop solutions for dealing with these wide ranging problems Both the scope of change and the response from a Buddhist approach are core to the content of this volume It is of paramount importance that any investigation and development of solutions for the changes taking place require guidance from the Buddhist philosophy As a starting point for discussion an initial focus is placed on providing a thorough and critical understanding of the character and context of change In doing so we also seek to clarify and outline the nature of a Buddhist approach In completing this review it is productive to see that given the complex issues being dealt with the papers do generate different frameworks and viewpoints within the broad term of approach The frameworks based on the Buddha's teachings are not fully fixed and agreed upon by all Therefore our term approach refers to a set of arrangements and viewpoints that act to inspire further discussion and development Given the above context this volume is a collection of conference papers presented and published for the panel on the first sub theme of UNDV 2019 on Mindful Leadership for Sustainable Peace on 13 May 2019 at the Tam Chuc International Convention Center Ha Nam Vietnam The panel commemorates the occasion of the 16th United Nations Day of Vesak Celebrations 2019 Through the contributions of participants and their papers at this workshop this volume provides a diverse and rich range of thinking and wisdom rather than more traditional mainstream thinking or conventional wisdom Treating the Buddha s teachings as a basic theoretical reconstruction we examine the relationships between societies and Buddhism We combine the analyses of the conflicts

trends and dynamics affecting future global development with focused studies on a range of policy areas for improving societies In the Buddhist light our two most crucial aims in this period of disruption are to greatly increase the influence and impact of Buddhism as our foremost duty and that the Buddhist responsibility contributes to creating a new foundation for Mindful Leadership and Sustainable Development Abortion before Birth Control Tiana Norgren, Christiana Norgren, 2020-12-08 Why has postwar Japanese abortion policy been relatively progressive while contraception policy has been relatively conservative. The Japanese government legalized abortion in 1948 but did not approve the pill until 1999 In this carefully researched study Tiana Norgren argues that these contradictory policies flowed from very different historical circumstances and interest group configurations Doctors and family planners used a small window of opportunity during the Occupation to legalize abortion and afterwards doctors and women battled religious groups to uphold the law The pill on the other hand first appeared at an inauspicious moment in history Until circumstances began to change in the mid 1980s the pharmaceutical industry was the pill s lone champion doctors midwives family planners and women all opposed the pill as a potential threat to their livelihoods abortion rights and women s health Clearly written and interwoven with often surprising facts about Japanese history and politics Norgren's book fills vital gaps in the cross national literature on the politics of reproduction a subject that has received more attention in the European and American contexts Abortion Before Birth Control will be a valuable resource for those interested in abortion and contraception policies gender studies modern Japanese history political science and public policy This is a major contribution to the literature on reproductive rights and the role of civil society in a country usually discussed in the context of its industrial might Arnold J. Toynbee: A Life William H. McNeill, 1989-04-20 One of the most remarkable thinkers of this century Arnold Toynbee won world wide recognition as the author of the monumental ten volume A Study of History Its publication and phenomenal success brought him fame and the highest praise as the reading public proclaimed him the most renowned scholar in the world This thought provoking engaging study of Toynbee written by one of today s most eminent historians weaves together Toynee s intellectual accomplishments and the personal difficulties of his private life Providing both an intimate portrait of a leading thinker and a judicious evaluation of his work and his legacy for the the study of history William H McNeill offers both a biography and a commentary on how to write and understand history Along with an illuminating discussion of the strengths and weaknesses of A Study of History and the countless other works written by Toynbee McNeill offers a compelling examination of the responses of other historians including the devastating attack launched by Hugh Trevor Roper and Toynbee's attempts to modify his Study to answer these criticisms McNeill also explores his tormented personal life including his troubled marriage to Rosalind Murray and the suicide of his son Anthony In this sympathetic depiction of a life both triumphant and tragic McNeill brings his skills to bear on one of the greatest figures in his field illuminating a career of rare accomplishment The Origins of the Bahá'í Community of Canada, 1898-1948 Will C. van den Hoonaard, 2010-10-30 What

binds together Louis Riel's former secretary a railroad inventor a Montreal comedienne an early proponent of Canada's juvenile system and a prominent Canadian architect Socialists suffragists musicians artists from 1898 to 1948 these and some 550 other individual Canadian Bah s helped create a movement described as the second most widespread religion in the world Using diaries memoirs official reports private correspondence newspapers archives and interviews Will C van den Hoonaard has created the first historical account of Bah s in Canada In addition The Origins of the Bah Community of Canada 1898 1948 clearly depicts the dynamics and the struggles of a new religion in a new country This is a story of modern spiritual heroes people who changed the lives of others through their devotion to the Bah ideals in particular to the belief that the earth is one country and all of humankind are its citizens Thirty nine original photographs effectively depict persons and events influencing the growth of the Bah movement in Canada The Origins of the Bah Community of Canada 1898 1948 makes an original contribution to religious history in Canada and provides a major sociological reference tool as well as a narrative history that can be used by scholars and Bah s alike for many years to come Introduction to New and Alternative Religions in America William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement's viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People's Temple the Branch Davidians Jehovah's Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among

other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven's Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Japanese Electoral Politics Steven Reed, 2004-03-01 The old Japanese single Hare Krishna Soka Gakkai and many more party system collapsed in 1993 but a new system has not yet fully evolved Following the most significant party reform in Japanese history this book analyses the most recent national elections examining voter behaviour and how it is influenced It provides a comprehensive overview of Japanese politics from 1955 to 1993 and a detailed historical study of events leading up to the 1996 and 2000 elections before presenting statistical analysis of the elections themselves The authors then look to the future anticipating what form the new political system will take Japanese Electoral Politics contains four very detailed case studies and a wealth of new data It will appeal to students and researchers of Japanese politics and elections and electoral systems Postwar Japan as History Andrew Gordon, 1993-10-20 As they examine three related themes of postwar history the authors describe an ongoing historical process marked by unexpected changes such as Japan's extraordinary economic growth and unanticipated continuities such as the endurance of conservative rule From publisher's description

Engaged Buddhism Christopher S. Queen, Sallie B. King, 1996-03-14 This is the first comprehensive coverage of socially and politically engaged Buddhism in Asia presenting the historical development and institutional forms of engaged Buddhism in the light of traditional Buddhist conceptions of morality interdependence and liberation

Gakkai Tosh Lee, 1970

Introduction to Japanese Politics Louis D. Hayes, 2017-08-07 Introduction to Japanese Politics now in its fully updated sixth edition is a comprehensive and current review of political and public policy developments in Japan Since the previous edition Japan s economic policy has undergone significant change with a prolonged period of deflation having altered the dynamics of the Japanese economy At the same time the Abe administration has expanded Japan s international security participation previously limited by the constitution while China s activities in the South China Sea have impinged upon Japan s territorial claims This classic introduction to the Japanese political system has been revised and fully updated in this sixth edition to take into account these widespread changes in the country s political life Building on the structure and content of the previous edition this new edition covers An overview of Japan s geographical setting and history Japan s political institutions processes and actors Recent organizational ideological and policy changes in the LDP since its return to power The country s distinctive social order and its educational healthcare and public safety systems The

increasingly contentious realm of foreign relations and security issues including China s expanding role and the effect of North Korea s development of nuclear weapons This broad ranging textbook continues to be essential reading for students of Japanese politics international politics and Japanese studies

Sokagakkai And Mass Society Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sokagakkai And Mass Society PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-touse website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sokagakkai And Mass Society PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sokagakkai And Mass Society free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
