**British Library, Bibliothèque nationale
du Québec**

Sol Les Oeufs Limpides:

Sol "Les Oeufs Limpides" Marc Favreau, 1979 **French Inside Out** Henriette Walter, 2003-09-02 In this comprehensive introduction Henriette Walter provides the reader with a panoramic view of the development of the French language in the past present and future She takes the reader on a rapid and lively journey through the historical development of the language from its Latin origins to the present day She goes on to set the language in its linguistic context by surveying its surviving and vanished dialects and regional variations of the language within France Widening her focus Walter examines French throughout the world giving examples of the pronunciation and vocabulary of each region or nation Finally she looks at French today its structure the effects of social change on the language and its future in an increasingly English dominated world This stimulating and entertaining account offers students of French a clear and accessible introduction to the language The wealth of information it provides is reflected in the extensive bibliography four indices and numerous word lists maps and diagrams *Je pense, donc je ris : Humour et philosophie* Christian Boissinot, Normand Baillargeon, 2011-10-06T00:00:00-04:00 Avez vous ri ou calembourisé aujourd'hui Non Alors il est probable que quelque chose ne tourne pas rond chez vous C'est que depuis quelques décennies d'habitude et au Québec plus particulièrement le mot d'ordre est l'humour Une discipline semble pourtant allergique à l'air du temps la philosophie Sérieuse au possible depuis sa naissance il y a 2 500 ans on l'imagine mal faire autre chose que de réfléchir rigoureusement et solennellement aux grandes questions de l'existence Ce livre devrait adoucir cette perception Quelle place devrait occuper l'humour dans une société tendre le est il devenu une sorte d'obligation Accorde-t-on trop d'importance au Québec nos humoristes Que se cache-t-il derrière l'humour des Yvons Deschamps Claude Meunier et Gilles Latulippe Au nom d'un humour intellectuel et engagé certains observateurs ont-ils raison de déplorer la vulgarité et la vacuité d'une frange d'humoristes Est-il possible de rire de n'importe quoi n'importe comment Pourquoi n'y a-t-il pas plus de femmes humoristes Les blagues peuvent-elles aider à philosopher Qu'ont en commun l'humour et les mathématiques Certains philosophes seraient-ils des humoristes qui s'ignorent L'humour est-il le signe du divin en nous Marrant, flexion et rigolade dans un style clair et accessible 16 auteurs examinent ces délicates et difficiles questions Preuve que le rire et la philosophie sont tous deux des moyens de chercher un sens à la vie **Canadiana**, 1981

Dictionnaire des figures de style Nicole Ricalens-Pourchot, 2003-11-13 Ce dictionnaire qui offre deux chemins d'accès aux figures de style permet tous ceux qui étudient la langue française ou s'y intéressent de se familiariser plaisamment avec elles grâce à une présentation claire et un langage accessible Sa classification alphabétique présente pour chaque figure son étymologie une ou plusieurs définitions un slogan ou un condensé de la définition de très nombreux exemples littéraires journalistiques ou de la langue quotidienne Des remarques font état des nuances souvent ténues qui existent entre les différentes figures Sa classification thématique livrant sous forme de planches illustrées les caractéristiques les plus videntes des figures de style effets et moyens confondus permet de retrouver aisément après avoir identifié le cas fait par rapport la norme

le nom de la figure ainsi cr e de m me que celui de toutes les figures partageant la m me caract ristique Ces planches sont accompagn es de d finitions et illustr es d exemples Ces deux classifications r pondent deux positionnements du lecteur celui ci conna t le nom d une figure de style sans pouvoir pour autant la d finir il se reportera la classification alphab tique celui ci sait tre en pr sence d un cart stylistique mais ne conna t pas le nom de la figure qui lui correspond il consultera le dictionnaire th matique Nicole RICAENS POURCHOT docteur en linguistique Ph D a enseign Montr al Qu bec la linguistique et la litt rature fran aise l universit McGill et au coll ge anglophone Marianopolis Elle a publi un Lexique des figures de style paru en 1998 chez Armand Colin des traductions des textes didactiques **French Quebec** British Library, Biblioth que nationale du Qu bec, 1992 **The Canadian Encyclopedia** James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the

reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

Humoresques Lucie Joubert, 2007-02 Les textes réunis dans le volume présentent un panorama diversifié de l'humour québécois Cet ensemble d'articles permet de remonter aux sources de cet humour et de suivre les moments importants de son évolution jusqu'à l'époque contemporaine

Yale French Studies, 1983

Du comique dans le texte littéraire Denise Jardon, 1988

Littérature québécoise contemporaine Patrick Coppens, 1982 Riche de près de cinq cents notices cet outil bibliographique est divisé en quatre sections principales Documents pour se repérer La poésie la chanson Le théâtre le monologue Le roman la nouvelle le conte Par les textes d'introduction ces sections aussi bien que par le choix des titres retenus et par l'appréciation qui en est faite il constitue un véritable panorama critique de la littérature québécoise des dernières années Ainsi que l'a critiqué Gaston Miron en préface l'ouvrage répond des besoins certes précis pratiques d'information et de synthèse d'abord mais il sert également d'outil indispensable sans équivalent la promotion et la diffusion des œuvres du Québec Bien sûr certains oublis ne manqueront pas d'en heurter quelques-uns et l'on s'amusera avec un peu d'ingéniosité à retracer les affinités littéraires de l'auteur C'est que la meilleure volonté du monde ne pouvait sans doute empêcher qu'une sélection limitée quelques cinq cents titres soit partielle Rappelons aussi qu'il est une certaine partialité sans laquelle il ne saurait y avoir d'engagement et de jugement critiques véritables

Bibliographie du Québec, 1997

Guide culturel du Québec Jean-François Chassay, 1982

Les Livres disponibles canadiens de langue française, 1999-12

Dictionnaire Guérin des poètes d'ici Marc-Aimé Guérin, Réginald Hamel, 2005 Enrichie de 300 pages cette édition a aussi fait l'objet d'assez nombreuses corrections Mais dans l'ensemble ce que nous disions de l'édition de 2000 reste vrai pour l'essentiel fiabilité variable des notices pour la période postérieure 1970 titres sans mention d'auteur erreurs flottements et oublis T. Langlais etc attributions de citations erronées p. 73-318 etc abus du mot pédagogue etc Quoi qu'il en soit ce dictionnaire constitue un ouvrage imparfait sans doute mais imposant et d'une grande utilité
