A Soldiers' Chronicle of the Hundred Years War Anne Curry, Rémy Ambühl, 2022. A remarkable and very important unpublished chronicle written by two soldiers covering in detail the English campaigns in France from 1415 to 1429. It lists many individuals who served in the war and was written specifically for Sir John Fastolf, the English commander. This previously unpublished chronicle from the mid-fifteenth century covers the English wars in France from 1415 to 1429. It is highly unusual in that it was written by two soldiers, Peter Basset and Christopher Hanson. William Worcester, secretary to the English commander Sir John Fastolf, also had a hand in it, and it was specifically written for Sir John. The content is unusual as it includes many lists of individuals serving in the war and records their presence at battles, naming more than 700 in all. Over half these individuals are French or Scottish, so it would seem that the authors had a particularly detailed knowledge of French military participation. The narrative is important for the English campaigns in Maine in the 1420s, in which Fastolf was heavily involved, and which otherwise receive little attention in chronicles written on either side of the Channel. The progress of the war is well mapped with around 230 place names mentioned. The chronicle was extensively used in the sixteenth century by several heralds and by Edward Hall. As a result, it

had an influence on Shakespeare The death of the earl of Salisbury at Orleans in Henry VI Part I Follows the chronicle closely The Mirror for Magistrates Salisbury narrative is also derived from the chronicle Another point of interest is that the chronicle is by a scribe who can be identified and proves to be the only known fifteenth century account of the war written in England in French which adds an important linguistic dimension to its study Military Women in World Cinema Deborah A. Deacon, Stacy Fowler, 2023-08-10 From British soldier Flora Sandes to the famed World War II Night Witches of the Soviet Air Force women across the globe have stepped up to defend their countries during every major and minor conflict of the twentieth century and filmmakers have long attempted to capture their stories This book analyzes these military women s portrayals in world cinema examining movies from Israel the United Kingdom Italy the United States Japan and others It includes theatrical releases direct to video productions and made for television films Chapters organize films by decade produced and topics covered include the women s sexuality maternal and marital status leadership skills actual jobs performed and the accuracy of depiction The book also discusses how each film reflects the contemporary social issues of the nation in which it was produced Visualizing Jewish Narratives Derek Parker Royal, 2016-06-30 Examining a wide range of comics and graphic novels including works by creators such as Will Eisner Leela Corman Neil Gaiman Art Spiegelman Sarah Glidden and Joe Sacco this book explores how comics writers and artists have tackled major issues of Jewish identity and culture With chapters written by leading and emerging scholars in contemporary comic book studies Visualizing Jewish Narrative highlights the ways in which Jewish comics have handled such topics as Biography autobiography and Jewish identity Gender and sexuality Genre from superheroes to comedy The Holocaust The Israel Palestine conflict Sources in the Hebrew Bible and Jewish myth Visualizing Jewish Narrative also includes a foreword by Danny Fingeroth former editor of the Spider Man line and author of Superman on the Couch and Disguised as Clark Kent *Behind the Rifle* Shelby Harriel-Hidlebaugh, 2019-02-25 During the Civil War Mississippi s strategic location bordering the Mississippi River and the state s system of railroads drew the attention of opposing forces who clashed in major battles for control over these resources The names of these engagements Vicksburg Jackson Port Gibson Corinth Iuka Tupelo and Brice s Crossroads along with the narratives of the men who fought there resonate in Civil War literature However Mississippi s chronicle of military involvement in the Civil War is not one of men alone Surprisingly there were a number of female soldiers disguised as males who stood shoulder to shoulder with them on the firing lines across the state Behind the Rifle Women Soldiers in Civil War Mississippi is a groundbreaking study that discusses women soldiers with a connection to Mississippi either those who hailed from the Magnolia State or those from elsewhere who fought in Mississippi battles Readers will learn who they were why they chose to fight at a time when military service for women was banned and the horrors they experienced Included are two maps and over twenty period photographs of locations relative to the stories of these female fighters along with images of some of the women themselves The product of over ten years of research this work provides new details of formerly recorded

female fighters debunks some cases and introduces over twenty previously undocumented ones Among these are women soldiers who were involved in such battles beyond Mississippi as Shiloh Antietam and Gettysburg Readers will also find new documentation regarding female fighters held as prisoners of war in such notorious prisons as Andersonville Athenaeum and Literary Chronicle ,1854 *The Rifle Brigade Chronicle* Great Britain. was similar in terms of identity and remembrance culture Among the Slovenes the communist crimes committed during the turmoil are known as the drama of Viktring or the Viktring tragedy named after the largest refugee camp of the Slovenes Reports on the communist postwar crimes and on the countless discoveries of mass gravesites have also begun circulating in the media of the German speaking world in the last few years Florian Rulitz's meticulously researched book now available for the first time in English provides a corrective to the historical memory that had been previously accepted as truth Rulitz focuses on two essential questions First did the so called final encirclement battles indeed occur in Carinthia in the Ferlach Hollenburg Viktring and Dravograd Poljana Bleiburg areas resulting in military victories for the Yugoslav Army Second were the battles after the capitulation fought by the refugees with the aim of reaching the British controlled areas in Carinthia To answer these questions Rulitz presents a detailed reconstruction of those days in May 1945 He furthermore considers the question of the murders on Austrian territory which were hushed up in Partisan literature and presented as casualties of the final military operations This groundbreaking study will interest scholars and students of modern European history Our Army, 1935 *Army and Navy Chronicle*, 1839 *Chronicle of War* Duncan Hill, 2009 Drawing from the gigantic photo archive of Associated Newspapers this book chronicles the military conflicts of the last century in striking images most never before seen and text The Royal Military Chronicle, 1812 The Sister of Mercy; Or, the Soldier's Victim FITZWARRYNE (Major.), 1860 **Co-ed Combat** Kingsley Browne, 2007 Browne makes a case against women in combat based on research in anthropology biology history psychology sociology and law as well as military memoirs It asks hard questions that challenge the assumptions of feminists For instance 5 Has warfare really changed so much as to reverse the almost unanimous history of all male armed forces 5 Are men and women really equivalent in combat skills even leaving aside physical strength 5 Do female troops respond to traditional types of motivations 5 Can the bonds of unit cohesion form in a co-ed military unit 5 Can an all volunteer military afford to reject women **The Wicker Woman A Chronicle of Our Own Times** Anatole France, M.P. Willcocks, 1922 *The Rifle Brigade Chronicle for ...*, 1898 **On the Battlefield of Memory** Steven Trout, 2010-09-02 This work is a detailed study of how Americans in the 1920s and 1930s interpreted and remembered the First World War Steven Trout asserts that from the beginning American memory of the war was fractured and unsettled more a matter of competing sets of collective memories each set with its own spokespeople than a unified body of myth The members of the American Legion remembered the war as a time of assimilation and national harmony However African Americans and radicalized whites recalled a very different war And so did many of the nation's writers filmmakers and painters Trout studies a wide range of cultural products for their implications concerning the legacy of the war John Dos Passos's novels *Three Soldiers* and *1919* Willa Cather's *One of Ours* William March's *Company K* and Laurence Stallings's *Plumes* paintings by Harvey Dunn Horace Pippin and John Steuart Curry portrayals of the war in *The American Legion Weekly* and *The American Legion Monthly* war memorials and public monuments like the Tomb of the Unknown Soldier and

commemorative products such as the twelve inch tall Spirit of the American Doughboy statue Trout argues that American memory of World War I was not only confused and contradictory during the 20s and 30s but confused and contradictory in ways that accommodated affirmative interpretations of modern warfare and military service Somewhat in the face of conventional wisdom Trout shows that World War I did not destroy the glamour of war for all or even most Americans and enhanced it for many
