They Fought Like Demons DeAnne Blanton,Lauren Cook Wike,2002-09-01 Popular images of women during the American Civil War include self sacrificing nurses romantic spies and brave ladies maintaining hearth and home in the absence of their men However as DeAnne Blanton and Lauren M Cook show in their remarkable new study that conventional picture does not tell the entire story Hundreds of women assumed male aliases disguised themselves in men s uniforms and charged into battle as Union and Confederate soldiers facing down not only the guns of the adversary but also the gender prejudices of society They Fought Like Demons is the first book to fully explore and explain these women their experiences as combatants and the controversial issues surrounding their military service Relying on more than a decade of research in primary sources Blanton and Cook document over 240 women in uniform and find that their reasons for fighting mirrored those of men patriotism honor heritage and a desire for excitement Some enlisted to remain with husbands or brothers while others had dressed as men before the war Some so enjoyed being freed from traditional women s roles that they continued their masquerade well after 1865 The authors describe how Yankee and Rebel women soldiers eluded detection some for many years and even merited promotion Their comrades often did not discover the deception until the young boy in their company was wounded killed or gave birth In addition to examining the details of everyday military life and the harsh challenges of warfare for these women which included injury capture and imprisonment Blanton and Cook discuss the female warrior as an icon in nineteenth century popular culture and why twentieth century historians and society ignored women soldiers contributions Shattering the negative assumptions long held about Civil War distaff soldiers this sophisticated and dynamic work sheds much needed light on an unusual and overlooked facet of the Civil War experience New Queer Cinema B. Ruby Rich,2013-03-26 B Ruby Rich designated a brand new genre the New Queer Cinema NQC in her groundbreaking article in the Village Voice in 1992 This movement in film and video was intensely political and aesthetically innovative made possible by the debut of the camcorder and driven initially by outrage over the unchecked spread of AIDS The genre has grown to include an entire generation of queer artists filmmakers and activists As a critic curator journalist and scholar Rich has been inextricably linked to the New Queer Cinema from its inception This volume presents her new thoughts on the topic as well as bringing together the best of her writing on the NQC She follows this cinematic movement from its origins in the mid 1980s all the way to the present in essays and articles directed at a range of audiences from readers of academic

journals to popular glossies and weekly newspapers She presents her insights into such NQC pioneers as Derek Jarman and Isaac Julien and investigates such celebrated films as *Go Fish* *Brokeback Mountain* *Itty Bitty Titty Committee* and *Milk* In addition to exploring less known films and international cinemas including Latin American and French films and videos she documents the more recent incarnations of the NQC on screen on the web and in art galleries **Swine Record** American Hampshire Swine Record Association,1919 *The Chester White Swine Record* ,1922 St. Nicholas Mary Mapes Dodge,1900
