Soldier J Counterinsurgency In Aden:

Soldier J: Counter Insurgency in Aden Shaun Clarke, 2013-12-12 In 1964 two different kinds of war were being waged simultaneously by the British in Aden. The inhabitants of the forbidding mountainous region of Radfan in the north of the Republic of Yemen were conducting guerrilla attacks against the British. Armed by the Egyptians and trained by the communist Yemenis, they were a formidable fighting force and appeared invincible. The British had only one hope of beating them: to draft in an even more tenacious group of soldiers, the SAS. Tasked with stopping the flow of weapons to the rebel tribesmen, Radforce was assembled from Aden's federal regular army together with various British forces, including the legendary troopers of the SAS. After parachuting into the enemy territory at night, the SAS established concealed observation posts high in the mountains from where they directed air strikes on the rebels moving through the sun-baked passes. At the same time, in an even more dangerous campaign, teams of two or three SAS men disguised as Arabs were infiltrating the souks and bazaars of the port of Aden to neutralise leading members of the National Liberation Front with their renowned double tap. Firing their Browning high power handguns at close range as part of the daring Keeni Meeni operations, Soldier J, SAS Counterinsurgency in Aden is the breathtaking story of how the SAS fought these two contrasting campaigns in the same place at the same time with exceptional tenacity, skill and courage. *Soldier J, SAS* Shaun

Clarke, 1994 This novel tells of SAS operations in Aden and the Republic of Yemen in 1964. Parachuted into enemy territory at night, the SAS established concealed observation posts high in the rugged mountains from where they directed air strikes on the rebels moving through the passes below. **Soldier S: The Samarkand Hijack** David Monnery, 2013-12-12 In 1994, in the

newly independent state of Uzbekistan, a party of mostly British tourists was on a day excursion from the fabled city of Samarkand when their bus was hijacked by Muslim fundamentalists. Unknown to the hijackers, this particular tourist group contained an ex-SAS sergeant, the recently retired Jamie Doherty, and the rebellious daughter of the British Foreign Minister, already a favourite of the tabloid press back home. Uncertain how to respond to the terrorists' demands, the Uzbekistan government accepted a British offer of assistance. Two members of the SAS crack Counter Revolutionary Warfare Wing were dispatched to Samarkand with instructions to liaise with the local ex-KGB unit commanded by Nurhan Ismatulayeva, an Uzbek whose grandmother had been a pioneer fighter for women's rights in the 1920s. Nurhan feared that women like herself would swiftly become second class citizens if an Islamic republic were ever declared. The negotiations dragged on, and in the mountain fortress prison, Doherty had to call on all his formidable expertise and ingenuity to keep his fellow hostages alive and to prepare them for a prospective rescue mission. The only force likely to have any chance of successfully penetrating the fortress and liberating the prisoners was a group led by men of the legendary Special Air Service, the SAS. **Soldier K:**

Mission to Argentina David Monnery, 2013-12-12 In May 1982, as the British Task Force prepared for the recapture of the Falkland Islands, a lone Sea King helicopter made an apparently forced landing in the southernmost reaches of Chile. Its crew

barely credibly claimed to have been propelled off course by a combination of adverse weather conditions and engine trouble. The reality never officially disclosed was rather different. The only threat to the Task Force and the enemy's only hope of ultimate victory lay in Argentina's Super Extended aircraft and their sea-skimming Exocet missiles. Since radar could not be relied upon as an adequate means of detection, the British opted for a less conventional warning system. Before landing in Chile, the *Stray Sea King* dropped a team of men into Argentina where they were tasked with remaining hidden within sight of the airfields and within easy reach of the enemy's security patrols. The only men who could be entrusted with this difficult and dangerous mission were members of the legendary Special Air Service, the SAS. Getting the men in was easy enough, but once they were there, staying unobserved was another matter, and eventual escape far from certain, despite help from an unexpected quarter in the shape of a beautiful woman guerrilla, a survivor of Argentina's dirty war. Soldier K: SAS Mission to Argentina tells the electrifying story of this SAS operation from the inside, a heart-stopping hair-raising thriller about the regiment equalled by no other, the SAS.

Soldier H: The Headhunters of Borneo Shaun Clarke, 2013-12-12 In 1963 the former British colony of Malaya was lobbying for the formation of a new political entity, the Federation of Malaysia. Singapore, Sabah, North Borneo, Brunei and Sarawak. Viewing this as a threat to his dreams of expansion, President Sukarno of Indonesia began infiltrating insurgents into Borneo. In response, the British organised a force of Malay, British and Commonwealth troops to contain the rebels. What was most desperately needed, however, was a specialist group who could perform highly dangerous and arduous military tasks in the inhospitable, perilous terrain. The only men suitable for such operations were the legendary Special Air Service, the SAS. Soldier H: SAS The Headhunters of Borneo is the story of one of the least known, most extraordinary wars in British history. The SAS braved jungle and swamp infested with snakes, lizards, leeches, wild pigs and all kinds of poisonous insects to live with the primitive headhunting natives in their longhouses, by the rivers, winning their hearts and minds with medical aid and other assistance, then training them as paramilitaries who would eventually become known as the Border Scouts. While some of the SAS remained for months with the headhunters, others moved even deeper into the unexplored jungle, the Gap, to establish ambush sites and helicopter landing zones. They also conducted daring Claret raids across the border, when, as the renowned Tiptoe Boys who hit hard and vanished fast, they set booby traps and ambushed enemy troops moving along the many jungle tracks and rivers. They fought a bloody, nightmarish war and won it.

Soldier R: Death on Gibraltar Shaun Clarke, 2013-12-12 In May 1987 a successful SAS ambush resulted in the deaths of eight IRA terrorists in Loughgall. Aware that retaliation was certain, British intelligence went on the alert and eventually established that the IRA had selected Gibraltar as being a soft target and one identified with British imperialism. In November, the terrorism experts of Madrid's Servicios de Informaci3n informed British intelligence that two male members of the IRA had arrived in Southern Spain under false names. British intelligence assumed immediately that the two men were intending either to murder some of the British residents on the Costa del Sol or to attack a British Army target on Gibraltar. The

changing guard outside the Governor of Gibraltar's residence was judged to provide the most likely opportunity for such an attack. The most likely date was 8 March 1988 when the band parade ceremony of the 1st Battalion of the Royal Anglian Regiment was due to take place. For the next few months British and Spanish intelligence services kept the two men under surveillance waiting for them to travel from Spain to Gibraltar. In February MI5 reported that an Irishwoman travelling under a false identity had repeatedly visited the rock and attended the guard ceremony. Now that there appeared to be little doubt about the target the British government decided to send a hit team to Gibraltar to prevent the planned bombing if necessary by killing the terrorists. The only men even considered for this dangerous operation were the legendary Special Air Service the SAS. Soldier R SAS Death on Gibraltar tells the story of what was to become the most controversial of all SAS campaigns a deadly cat and mouse game that called into play all the expertise and tenacity at the SAS team's disposal.

Soldier F: Guerrillas in the Jungle Shaun Clarke, 2013-12-12 In 1948 Communist terrorists were waging a bloody war against estates and rubber plantation owners in Malaya. Chased into the interior by British Army units the guerrillas soon became experts at survival and evasion emerging from the jungle only to launch increasingly ferocious attacks. In 1952 on the recommendation of Lieutenant Colonel Mad Mike Calvert veteran of the Chindit campaigns in Burma 22 SAS was formed as a special counter insurgency force. Three years later the re-formed SAS began their jungle patrols. They learned how to survive for weeks at a time in hostile terrain often waist deep in water and under attack from wild animals leeches and poisonous insects. That extraordinary campaign climaxed in a nightmarish two weeks in the Telok Anson swamp tracking the troops of the notorious Baby Killer Ah Hoi while the regiment's dreadful and unforgettable experiences in the Malayan jungle laid the foundations for the SAS's legendary survival skills. Soldier F SAS Guerrillas in the Jungle is the sixth in a series of novels based on this extraordinary regiment a thrilling factoid adventure about the most daring soldiers in military history the SAS.

Soldier P: Night Fighters in France Shaun Clarke, 2013-12-12 In September 1944 following the successful Anvil landings of the previous month the Allies were planning airborne landings in the Orly Gap. In order to soften the enemy before the landings they decided to drop a squadron of men and jeeps by parachute in central France. These men were tasked with engaging in a series of daring hit and run night raids against enemy positions to distract attention from the landings taking place elsewhere. Only one group of men was deemed resourceful enough for such a high risk mission the legendary Special Air Service the SAS. Operation Kipling began when 46 jeeps and 107 well armed SAS men from C Squadron were parachuted in with orders to establish a base and make contact with the Maquis Frenchmen living in makeshift camps in the forest having fled from the Germans to conduct sabotage missions behind enemy lines. Even as the SAS men were setting up their secret base camp the airborne landings were cancelled and the SAS was ordered to conduct aggressive patrolling. Over the next six weeks C Squadron carried out a succession of perilous raids against the Germans racing into occupied towns jeeps firing on the move and racing out again. The SAS continually harassed the enemy and inflicted heavy casualties. By the

Operation Kipling had ended the very mention of the SAS was enough to make even the crack troops of the German Army tremble with fear and in many cases throw down their arms and surrender. Soldier P SAS Night Fighters in France is the story of this daredevil World War Two operation little known but utterly vital.

Soldier L: The Embassy Siege Shaun Clarke, 2013-12-12 Ever since its formation during World War II the Special Air Service had operated under conditions of such secrecy that few members of the public even knew of its existence. By the evening of 5 May 1980 all this had changed drastically. On the morning of 30 April the Iranian Embassy at No 16 Prince's Gate in London was seized by six well-armed terrorists, members of the Revolutionary Movement for the Liberation of Arabistan. Nineteen Iranian nationals and four British citizens were captured. During the subsequent negotiations between the terrorists and the British police a number of the hostages were released. When on the fifth day of the siege one of the hostages was shot dead and his body pushed out through the door of the Embassy the police decided that the time for negotiation was over and asked the military to end the siege. The only men deemed to possess enough skill and daring for this dangerous task were those of the legendary Special Air Service the SAS. In fact convinced that they would eventually be called in to rescue the hostages the SAS had already mapped out and practised a high risk operation in their top secret Killing House in Hereford and in some army barracks two miles from the Embassy. On the evening of 5 May their well-rehearsed plans were put into action when twelve SAS soldiers dressed in black, wearing anti-gas respirators and NBC hoods, made their courageous assault on the Embassy. Using a combination of abseiling ropes, stun grenades, sub-machine guns and 9mm high power handguns and in the full glare of the international media they routed the terrorists and succeeded in rescuing the hostages. Within hours the SAS, once relatively unknown, had become the most celebrated regiment in the history of modern warfare.

Soldier G: The Desert Raiders Shaun Clarke, 2013-12-12 In the North African desert in 1941 the war is being won by the brilliant German commander General Rommel and the British are in retreat on all fronts. A young British army lieutenant David Stirling believes that the only way to reverse this situation is to attack the enemy behind their own lines using small groups of men who can insert by land, sea or air as required. The first of these men are dropped by parachute to attack enemy airfields in the Gazala area but the raid is a disaster with many lives lost. The following year the survivors of that operation now working hand in hand with the Long Range Desert Group mount a series of spectacular successful raids in heavily armed jeeps against airfields in the Benghazi region, destroying nearly a hundred enemy aircraft, leaving the German army reeling and reversing the course of the war. In September 1942, having proved their worth, that group of bold, resourceful men is formed into a new British army regiment to be used for special and especially dangerous operations behind enemy lines. They are listed officially as the 1st Special Air Service Regiment the SAS. Soldier G SAS The Desert Raiders is the colourful story of the birth of the most renowned regiment in the history of the British Army, forged with fire and steel in the vast, sun-scorched plains of the North African desert, pitting themselves against the might of the formerly invincible German Army and gaining a reputation that

would make them a legend in their own time **Soldier U: Bandit Country** Peter Corrigan,2013-12-12 July 1989 South Armagh the cheering mobs stood over the body of a British soldier He was the ninth to have been killed by the so called Border Fox an IRA sniper whose activities had helped to make this area of the United Kingdom the most feared killing ground in Western Europe The British government was determined to break the tightly knit South Armagh Brigade of the IRA before more lives were lost This task would demand unique skills skills possessed only by the men of the Special Air Service The SAS men of Ulster Troop are the best in the world at surveillance unsurpassed in counter insurgency techniques And now once again they were going to have to prove it Soldier U SAS Bandit Country tells the story of their hunt for the Border Fox and the terrorists of South Armagh a murderous little publicised war in which every encounter whether in or out of uniform was potentially a battle to the death

Soldier Q: Kidnap the Emperor! Jay Garnett,2013-12-12 In 1975 the Emperor Haile Selassie of Ethiopia recently deposed in a Communist revolution was declared dead In the hands of the brutal army officer Mengistu Haile Mariam the country descended into chaos and bloodshed Then an astonishing truth emerged The Emperor was not dead He had been kept alive in prison by Lieutenant Colonel Mengistu whose objective was to wring from him his massive fortune bullion jewels cash and shares amounting to 2 5 billion lodged in Swiss British and New York banks In London bankers and diplomats were appalled The banks could not contemplate the loss of such a huge sum The British and American governments would not tolerate a ruthless Communist regime s acquisition of wealth it would destabilise the Middle East and all East Africa There was only one answer kidnap the Emperor And there was only one organisation capable of mounting the operation the legendary Special Air Service the SAS Three men Peter Halloran Michael Rourke and Richard Collins were selected for this hazardous mission which was like nothing the regiment had ever tackled before to penetrate a remote desert fortress and then to escape through arid highlands with a frail old man in tow Only extraordinary duplicity would get them in Only acute tactical expertise and merciless improvisation would get them out And if anything went wrong it would be as if they had never existed

Soldier T: War on the Streets Peter Cave,2013-12-12 Terrorist bombs in town and city streets an ever rising tide of crime and a teenage drug problem that was rapidly escalating out of control this was the ugly face of Great Britain in 1995 The conventional police forces were already stretched beyond their limit and now a new threat was looming A fanatical right wing movement that in recent months had wreaked murder and chaos in mainland Europe was spreading its evil tentacles into the UK Using terrorism and crime to fund its undercover activities and a frightening new drug to spur on its growing army of bullyboys to unprecedented extremes of violence it threatened to turn the streets of Britain s towns and inner cities into battlegrounds of anarchic brutality In desperation the civil authorities turned to the only group of men who might be able to confront and beat these fanatics on their own terms the legendary Special Air Service the SAS Guided by a maverick undercover drug cop the SAS team were pitted against an enemy as ruthless and deadly as any the regiment had faced in its chequered and splendid history The SAS were at war and that war

government was compelled to seek help elsewhere from one of the two SAS soldiers who had helped to mediate a hostage crisis with the guerrilla almost fifteen years earlier To the government in Whitehall it appeared a straightforward enough exercise but for the soldier and his comrades the mission soon turned into a nightmare of impossible choices and then land of Guatemala magical and cruel by turns proved much easier to enter than to escape **Marine G SBS David**
