Soldiers In Revolt Gi Resistance During The Vietnam War

Richard E. Rubenstein

Soldiers In Revolt GI Resistance During The Vietnam War:

Soldiers in Revolt David Cortright, 2005 *Soldiers in revolt* documents one of the least known and most important aspects of the Vietnam War the rebellion among U S soldiers opposed to the war From the front lines to stateside military bases the U S armed forces were wracked by widespread resistance including combat refusals and mutinies GIs produced more than 250 antiwar committees and underground newspapers to voice their discontent A new chapter looks at the enduring imprint of this period on the U S military and the lessons that this era holds for the U S occupation of Iraq Page 4 of cover

Vietnam's Prodigal Heroes Paul Benedikt Glatz, 2021-01-12 *Vietnam s Prodigal Heroes* examines the critical role of desertion in the international Vietnam War debate Paul Benedikt Glatz traces American deserters odyssey of exile and activism in Europe Japan and North America to demonstrate how their speaking out and unprecedented levels of desertion in the US military changed the traditional image of the deserter

Beyond Combat Heather Marie Stur, 2011-09-26 *Beyond Combat* investigates how the Vietnam War both reinforced and challenged the gender roles that were key components of American Cold War ideology Refocusing attention onto women and gender paints a more complex and accurate picture of the war s far reaching impact beyond the battlefields Encounters between Americans and Vietnamese were shaped by a cluster of intertwined images used to make sense of and justify American intervention and use of force in Vietnam These images included the girl next door a wholesome reminder of why the United States was committed to defeating Communism and the treacherous and mysterious dragon lady who served as a metaphor for Vietnamese women and South Vietnam Heather Stur also examines the ways in which ideas about masculinity shaped the American GI experience in Vietnam and ultimately how some American men and women returned from Vietnam to challenge homefront gender norms

Grunts Kyle Longley, 2015-01-28 This book provides a fresh approach to understanding the American combat soldier s experience in Vietnam It integrates such topics as the political culture the experiences of training the actual Vietnam experience and the homecoming and offers a remarkable overview of the 870 000 grunts who bore the brunt of the fighting in the jungles and highlands of South Vietnam and eventually Cambodia and Laos The book addresses many of the stereotypes of the Vietnam combat veteran that have been perpetrated in popular culture and also considers how Vietnam veterans have been commemorated through memorials and other means and how the veterans remember each other The coverage also includes women who served in or near the front lines as well as on the home front The author draws on memoirs and oral histories including his personal interviews with veterans but the book conveys a picture of the Vietnam combat soldier s experience far more powerful than what individual memoirs can provide

No Sure Victory Gregory A. Daddis, 2011-06-01 In *No Sure Victory* Army officer and historian Gregory Daddis looks deep into the Army s techniques for measuring military success in Vietnam and presents a much more complicated and disturbing account of the American misadventure in Indochina Daddis shows how the US Army adopted a massive and eventually unmanageable system of measurements and formulas to track the

progress of military operations that ranged from pacification efforts to search and destroy missions Concentrating more on data collection and less on data analysis these indiscriminate attempts to gauge success may actually have hindered the army's ability to evaluate the true outcome of the fight at hand a roadblock that Daddis believes significantly contributed to the many failures that American forces suffered in Vietnam Filled with incisive analysis and rich historical detail No Sure Victory is not only a valuable case study in unconventional warfare but a cautionary tale that offers important perspectives on how to measure performance in current and future armed conflict

Gandhi and Beyond David Cortright, 2015-12-03 Is there room for nonviolence in a time of conflict and mass violence exacerbated by economic crisis Drawing on the legend and lessons of Gandhi Cortright traces the history of nonviolent social activism through the twentieth century to the civil rights movement the Vietnam era and up to the wars in Iraq Afghanistan and Gaza Gandhi and Beyond offers a critical evaluation and refinement of Gandhi's message laying the foundation for a renewed and deepened dedication to nonviolence as the universal path to social progress In the second edition of this popular book a new prologue and concluding chapter situate the message of nonviolence in recent events and document the effectiveness of nonviolent methods of political change Cortright's poignant Letter to a Palestinian Student points toward a radical new strategy for achieving justice and peace in the Middle East This book offers pathways of hope not only for a new American presidential administration but for the world

Militarization and the American Century David Fitzgerald, 2022-01-13 Taking American mobilization in WWII as its departure point this book offers a concise but comprehensive introduction to the history of militarization in the United States since 1940 Exploring the ways in which war and the preparation for war have shaped and affected the United States during The American Century Fitzgerald demonstrates how militarization has moulded relations between the US and the rest of the world Providing a timely synthesis of key scholarship in a rapidly developing field this book shows how national security concerns have affected issues as diverse as the development of the welfare state infrastructure spending gender relations and notions of citizenship It also examines the way in which war is treated in the American imagination how it has been depicted throughout this era why its consequences have been made largely invisible and how Americans have often considered themselves to be reluctant warriors In integrating domestic histories with international and transnational topics such as the American empire of bases and the experience of American service personnel overseas the author outlines the ways in which American militarization had and still has global consequences Of interest to scholars researchers and students of military history war studies US foreign relations and policy this book addresses a burgeoning and dynamic field from which parallels and comparisons can be drawn for the modern day

"Un-American" Hollywood Frank Krutnik, 2007 Un-American Hollywood debates the blacklist era and the aesthetic and political work of the Hollywood Left Featuring case studies focusing on contexts of production and reception it offers perspectives on the role of progressive politics within a capitalist media industry

The Oxford Handbook of Peace History Charles F. Howlett, Christian Philip Peterson, Christian

Peterson, Deborah D. Buffton, David L. Hostetter, 2023 The Oxford Handbook of Peace History uniquely explores the distinctive dynamics of peacemaking across time and place and analyzing how past and present societies have created diverse cultures of peace and applied strategies for peaceful change The analysis draws upon the expertise of many well respected and distinguished scholars from disciplines such as anthropology economics history international relations journalism peace studies sociology and theology This work is divided into six parts The first three sections address the chronological sweep of peace history from the Ancient Egyptians to the present while the last three cover biographical profiles of peace advocates key issues in peace history and the future of peace history A central theme throughout is that the quest for peace is far more than the absence of war or the pursuit of social justice ideals Students and scholars alike will appreciate that this work examines the field of peace history from an international perspective and expands analysis beyond traditional Eurocentric frameworks This volume also goes far beyond previously published handbooks and anthologies in answering what are the strengths and limits of peace history as a discipline and what can it offer for the future It also has the unique features of a state of the field introduction with a detailed treatment of peace history historiography and a chapter written by a noted archivist in the field that provides a comprehensive list of peace research resources It is a work ably suited applicable for classrooms and scholarly bookshelves

A Damn Good Marine Major Ralph Stoney Bates, USMC (Ret), 2024-12-02 Stoney as he is called is the author of several published books and magazine articles for Police Chief Marine Corps Gazette and Leatherneck Magazine of the Marines After writing and publishing his fifth book Dorrance Publishing published Marine Wife Lyn the story of his late wife and her affection for the Marine Corps and her Marine husband Afterward he began this particular publication an auto biography of his life encountering great good bad ugly and indifferent situations as a youth in the Corps and after retiring from its ranks it s titled A Damn Good Marine As is his style he pulls no punches telling it as it happened as it was as best as he can recall to be a possible roadmap for anyone contemplating life as a United States Marine or any military or naval service life especially as a career person His life as a Marine covered the gamut as an enlisted man a non commissioned officer a warrant officer and a commissioned officer He has served in aviation military police criminal investigation drill instructor provost marshal brig officer and infantry officer He is a combat veteran of the Vietnam War and credits his successes in life to the support bestowed upon him by his late Marine Wife Lyn and the many great Marines he has encountered as he moved through the arches of his Marine Corps career active and retired especially one he refers to affectionally as Arch That would be Archie Van Winkle Colonel USMC Ret Medal of Honor Recipient As he believes his Marine wife held the lamp he believes Arch held the compass Lyn often commented Those MOH recipients were and are a special breed

The Routledge History of Gender, War, and the U.S. Military Kara Vuic, 2017-08-15 The Routledge History of Gender War and the U S Military is the first examination of the interdisciplinary intersecting fields of gender studies and the history of the United States military In twenty one original essays the

contributors tackle themes including gendering the other gender and war disability gender and sexual violence gender and American foreign relations and veterans and soldiers in the public imagination and lay out a chronological examination of gender and America's wars from the American Revolution to Iraq This important collection is essential reading for all those interested in how the military has influenced America's views and experiences of gender *The Routledge Dictionary of Modern American Slang and Unconventional English* Tom Dalzell, 2018-05-11 The Routledge Dictionary of Modern American Slang offers the ultimate record of modern post WW2 American Slang The 25 000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature newspapers magazines movies television shows musical lyrics and Internet user groups Etymology cultural context country of origin and the date the word was first used are also provided In terms of content the cultural transformations since 1945 are astounding Television computers drugs music unpopular wars youth movements changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language This new edition includes over 500 new headwords collected with citations from the last five years a period of immense change in the English language as well as revised existing entries with new dating and citations No term is excluded on the grounds that it might be considered offensive as a racial ethnic religious sexual or any kind of slur This dictionary contains many entries and citations that will and should offend Rich scholarly and informative The Routledge Dictionary of Modern American Slang and Unconventional English is an indispensable resource for language researchers lexicographers and translators United States Foreign Policy and the Prospects for Peace Education Carl Mirra, 2008-03-31 In light of the United States age of terrorism and the controversial involvement in the war in Iraq U S policies toward diplomatic peace education are coming under increasing scrutiny This book evaluates the prospects for effective U S peace education in the context of post 1945 U S foreign policy The work first documents the disparity between U S pronouncements about protecting human rights and the country's systematic erosion of those rights in the international arena Second it evaluates the challenges that the war on terrorism poses for peace education and explores the importance of international treaties in upholding security A final section explores new ways of thinking and relating that are ultimately necessary for the realization of nonviolent peacekeeping efforts Designed as a resource text for U S educators the text offers concrete proposals for addressing contentious foreign policy issues in the classroom and includes an appendix of primary documents and sample questions for easy use Counterculture Kaleidoscope Nadya Zimmerman, 2013-07-22 A bold reconsideration of the meaning of 1960s San Francisco counterculture **Resolving Structural Conflicts** Richard E. Rubenstein, 2017-01-06 This book analyses how certain types of social systems generate violent conflict and discusses how these systems can be transformed in order to create the conditions for positive peace Resolving Structural Conflicts addresses a key issue in the field of conflict studies what to do about violent conflicts that are not the results of misunderstanding prejudice or malice but the products of a social system that generates violent conflict as part of its normal

operations This question poses enormous challenges to those interested in conflict resolution since the solution to this problem involves restructuring social political and cultural systems rather than just calling in a mediator to help people arrive at an agreement This study breaks new ground in showing how local conflicts involving crime police and prisons transnational conflicts involving religious terrorism by groups like ISIS and international conflicts involving Great Power clashes are all produced in large part by elite driven exploitative or oppressive social structures It also presents new ideas about the implications of this structural turn for the practice of conflict resolution emphasizing the need for conflict resolvers to embrace a new politics and to broaden their methods far beyond traditional forms of facilitation Written by a leading scholar this book will be of much interest to students of conflict resolution peace studies war and conflict studies sociology political science and international relations in general *Bold Followership* Maurice A. Buford, 2018-05-07 This book uses biblical writings to examine how to build wise and moral boardroom boldness to mitigate executive ethical mishaps The author uses the story of King David to explore the possible perplexities followers experience when their leaders suddenly make a toxic choice Introducing a boardroom boldness language model BBLM Buford presents five boardroom languages to use when dealing with toxic leaders How well organizations brace respond and proactively navigate the uncharted terrain of uncertainty could play a pivotal role in the success of the firm Calling into question traditional constructs affiliated with power and trust this book will advance the greater discussion by integrating spirituality case studies and leadership principles to measure the culture to cultivate boardroom boldness Truth and Revolution Michael

Staudenmaier, 2012-05-15 A poignant compelling history of one of the most important radical groups you've never heard of

Opposition to War Mitchell K. Hall, 2018-01-04 How have Americans sought peaceful rather than destructive solutions to domestic and world conflict This two volume set documents peace and antiwar movements in the United States from the colonial era to the present Although national leaders often claim to be fighting to achieve peace the real peace seekers struggle against enormous resistance to their message and have often faced persecution for their efforts Despite a well established pattern of being involved in wars the United States also has a long tradition of citizens who made extensive efforts to build and maintain peaceful societies and prevent the destructive human and material costs of war Unarmed activists have most consistently upheld American values at home *Opposition to War* An Encyclopedia of U S Peace and Antiwar Movements investigates this historical tradition of resistance to involvement in armed conflict an especially important and relevant topic today as the nation has been mired in numerous military conflicts throughout most of the current century The book examines a largely misunderstood and underappreciated minority of Americans who have committed themselves to finding peaceful resolutions to domestic and international conflicts individuals who have proposed and conducted an array of practical and creative methods for peaceful change from the transformation of individual behavior to the development of international governing and legal systems for more than 250 years Readers will learn how individuals

working alone or organized into societies of various size have steadfastly campaigned to stop war end the arms race eliminate the underlying causes of war and defend the civil liberties of Americans when wartime nationalism most threatens them

Mutiny and Maritime Radicalism in the Age of Revolution Clare Anderson,Niklas Frykman,Lex Heerma van Voss,Marcus Rediker,2013-12-19 This volume explores mutiny and maritime radicalism in its full geographic extent during the Age of Revolution

CQ Press Guide to Radical Politics in the United States Susan Burgess,Kate Leeman,2016-03-11 This unique guide will provide an overview of radical U S political movements on both the left and the right sides of the ideological spectrum with a focus on analyzing the origins and trajectory of the various movements and the impact that movement ideas and activities have had on mainstream American politics The work is organized thematically with each chapter focusing on a prominent arena of radical activism in the United States The chapters will trace the chronological development of these extreme leftist and rightist movements throughout U S history Each chapter will include a discussion of central individuals organizations and events as well as their impact on popular opinion political discourse and public policy For movements that have arisen multiple times throughout U S history nativism religious radical labor separatists the chapter will trace the history over time but the analysis will emphasize its most recent manifestations Sidebar features will be included in each chapter to provide additional contextual information to facilitate increased understanding of the topic

Yeah, reviewing a books **Soldiers In Revolt Gi Resistance During The Vietnam War** could increase your close associates listings. This is just one of the solutions for you to be successful. As understood, finishing does not suggest that you have extraordinary points.

Comprehending as well as understanding even more than further will find the money for each success. next-door to, the publication as competently as perspicacity of this Soldiers In Revolt Gi Resistance During The Vietnam War can be taken as competently as picked to act.
