## **Solitary Comrade:**

Solitary Comrade Joan D. Hedrick, 2018-08-25 Hedrick examines London's inner life primarily as it is revealed in his art to discover the man concealed beneath the public persona. Although London was wealthy, famous, and one of the last great self-made men in America, Hedrick shows that he was always torn by his troubled relationship to his lower class origins. He lived in painful awareness of the contradictions between the man's world of the lower classes at the workplace, on the road, and in prison, and the woman's world of the middle class in which he took refuge. The Colonizer Abroad Christopher McBride, 2004-06 Chapter Introduction chapter 1 Melville's Typee and the Development of the American Colonial Imagination chapter 2 The Colonizing Voice in Cuba Richard Henry Dana Jr's To Cuba and Back A Vacation Voyage chapter 3 The Kings of the Sandwich Islands Mark Twain's Letters from Hawaii and Postbellum American Imperialism chapter 4 Charles Warren Stoddard and the American Homocolonial Literary Excursion chapter 5 And Who Are These White Men Jack London's The House of Pride and American Colonization of the Hawaiian Islands **Unlikely Fame** David Wagner, 2015-11-17 This unique book depicts the stories of Americans born in poverty who achieved national or international fame. Accessible to students and lay readers, this scholarly study describes poverty as a disability that typically stunts important areas of growth in childhood. Wagner shows how poverty hampers individuals and groups for their entire lives; even many of those who emerge from poverty. Examples of individuals with difficult childhoods who faced residual lifelong challenges are presented in the stories of 27 Americans, including athlete Babe Ruth, birth control advocate Margaret Sanger, singer Billie Holiday, author Jack London, actress Marilyn Monroe, black leader Malcolm X, singer Johnny Cash, comedian Richard Pryor, author Stephen King, and entertainer Oprah Winfrey. In over 200 engaging and accessible pages, *Unlikely Fame* yields insight into successful individuals and how they coped, adapted, and ultimately achieved success. *Harper's Monthly Magazine* Henry Mills Alden, 1903 **Rereading Jack London** Leonard Cassuto, Jeanne Campbell Reesman, 1996 Jack London has long been recognized as one of the most colorful figures in American literature. He is America's most widely translated author, into more than eighty languages, and although his works have been neglected until recently by academic critics in the United States, he is finally winning recognition as a major figure in American literary history. The breadth and depth of new critical study of London's work in recent decades attest to his newfound respectability. London criticism has moved beyond a traditional concern of realism and naturalism, as well as beyond the timeworn biographical focus, to engage such theoretical approaches as race, gender, class, post-structuralism, and new historicism. The range and intellectual energy of the essays collected here give the reader a new sense of London's richness and variety, especially his treatment of diverse

cultures Having in the past focused more on London's personal world we are now afforded an opportunity to look more closely at his art and the numerous worlds it uncovers

**With Liberty for Some** Scott Christianson, 1998 From Columbus voyages to the New World through today's prison expansion movements incarceration has played an important yet disconcerting role in American history In this sweeping examination of imprisonment in the United States over five centuries Scott Christianson exposes the hidden record of the nation's prison heritage illuminating the forces underlying the paradox of a country that sanctifies individual liberty while it continues to build and maintain a growing complex of totalitarian institutions Based on exhaustive research and the author's insider's knowledge of the criminal justice system *With Liberty for Some* provides an absorbing well written chronicle of imprisonment in its many forms Interweaving his narrative with the moving often shocking personal stories of the prisoners themselves and their keepers Christianson considers convict transports to the colonies the international trade in captive indentured servants slaves and military conscripts life under slavery the transition from colonial jails to model state prisons the experience of domestic prisoners of war and political prisoners the creation of the penitentiary and the evolution of contemporary corrections His penetrating study of this broad spectrum of confinement reveals that slavery and prisons have been inextricably linked throughout American history He also examines imprisonment within the context of the larger society *With Liberty for Some* is a thought provoking work that will shed new light on the ways in which imprisonment has shaped the American experience As the author writes Prison is the black flower of civilization a durable weed that refuses to die

Edition of individual eBooks      *Male Call* Jonathan Auerbach, 1996 When Jack London died in 1916 at age forty he was one  
of the most famous writers of his time Eighty years later he remains one of the most widely read American authors in the  
world The first major critical study of London to appear in a decade *Male Call* analyzes the nature of his appeal by closely  
examining how the struggling young writer sought to promote himself in his early work as a sympathetic romantic man of  
letters whose charismatic masculinity could carry more significance than his words themselves Jonathan Auerbach shows  
that London s personal identity was not a basis of his literary success but rather a consequence of it Unlike previous studies  
of London that are driven by the author s biography *Male Call* examines how London carefully invented a trademark self in  
order to gain access to a rapidly expanding popular magazine and book market that craved authenticity celebrity power and  
personality Auerbach demonstrates that only one fact of London s life truly shaped his art his passionate desire to become a  
successful author Whether imagining himself in stories and novels as a white man on trail in the Yukon a sled dog a tramp or  
a professor or engaging questions of manhood and mastery in terms of work race politics class or sexuality London created a  
public persona for the purpose of exploiting the conventions of the publishing world and marketplace Revising critical  
commonplaces about both Jack London s work and the meaning of nature within literary naturalism and turn of the century  
ideologies of masculinity Auerbach s analysis intriguingly complicates our view of London and sheds light on our own  
postmodern preoccupation with celebrity *Male Call* will attract readers with an interest in American studies American  
literature gender studies and cultural studies
