Solitary Pleasures The Historical Literary And Artistic Discourses Of Autoeroticism

Diane Mason

Solitary Pleasures The Historical Literary And Artistic Discourses Of Autoeroticism:

Solitary Pleasures Paula Bennett, Vernon A. Rosario, 1995 First published in 1995 Routledge is an imprint of Taylor Francis an informa company The Perversity of Poetry Dino Franco Felluga, 2005-01-01 Explains why poetry gave way to the realist novel as the dominant literary form in nineteenth century England *Queer Studies* Mickey Eliason, Michele Eliason, 1996 An anthology of expanded versions of papers presented at a November 1994 conference held the University of Iowa with sections on issues of identity and queer theory in practice Essays are distinguished by their accessibility to undergraduates and non academic readers and cover areas that have often been marginalized by queer studies in the past such as race transgender bisexuality and s m Subjects include recontextualizing butch in 20th century lesbian culture and scientific racism and the invention of the homosexual body Annotation copyright by Book News Inc Portland OR

Difference and Identity Jonathan M. Metzl, Suzanne Poirier, 2005-07-15 In an increasingly diverse society it is essential that medicine be aware of matters of difference Medical humanities programs promote awareness of the social aspects of medicine and the Association of American Medical Colleges has recently instituted cultural competencies for clinical interaction for the training of medical students Yet these efforts to impart understanding of the cross cultural aspects of medicine are still hindered by a significant limitation within a medical system whose currency is diagnosis difference is primarily defined through disease This special issue of Literature and Medicine focuses on difference and identity in the context of disease and disability The articles collected here explore the complex ways in which notions of disease disability and difference are related and in which bodies marked by gender race disability sexuality and ethnic identities experience disease in specific ways The essays take a humanities based approach to the subject and emphasize an awareness and sensitivity to difference through forms of symbolic representation such as metaphor and narrative This volume provides a heuristic lens through which relationships between individual expressions of identity and communal experiences of difference can be considered Each article speaks to the process whereby individual stories and strategies shape and are in turn shaped by the institutions they seek to transform Literature and Medicine is devoted to exploring interfaces between literary and medical knowledge and understanding The journal showcases the creative and critical work of renowned physician writers leading literary scholars and medical humanists Sexology and Translation Heike Bauer, 2015-10 Examines the shape and shaping of sexual ideas and related scientific practices and cultural representations in parts of Europe Asia the Middle East and South America between the late 19th century and the years leading up to World War II offering insights on the intersections between sexuality and modernity in a range of disciplinary cultural and trans national contexts *Art and Witchcraft in Early Modern Italy* Guy Tal, 2025-10-01 The figure of the witch is familiar from the work of early modern German Dutch and Flemish artists but much less so in the work of their Italian counterparts Art and Witchcraft in Early Modern Italy seeks to explore the ways in which representations of witchcraft emerged from and coincided with the

main cultural currents and artistic climate of an epoch chiefly celebrated for its humanistic and rational approaches Through an in depth examination of a panoply of arresting paintings engravings and drawings variously portraying a hag ridden colossal phallus a horror stricken necromancer dodging the devil s scrabbling claws and a nocturnal procession presided over by an infanticidal crone Guy Tal offers new ways of reading witchcraft images through and beyond conventional iconography Artists such as Parmigianino Alessandro Allori Leonello Spada and Angelo Caroselli effected visual commentaries on demonological notions that engaged their audience in a tantalizing experience of interpretation

Consuming Fantasies Lise Sanders,2006 In Consuming Fantasies Labor Leisure and the London Shopgirl 1880 1920 Lise Shapiro Sanders examines the cultural significance of the shopgirl both historical figure and fictional heroine from the end of Queen Victoria s reign through the First World War As the author reveals the shopgirl embodied the fantasies associated with a growing consumer culture romantic adventure upward mobility and the acquisition of material goods Reading novels such as George Gissing s The Odd Women and W Somerset Maugham s Of Human Bondage as well as short stories musical comedies and films Sanders argues that the London shopgirl appeared in the midst of controversies over sexual morality and the pleasures and dangers of London itself Sanders explores the shopgirl s centrality to modern conceptions of fantasy desire and everyday life for working women and argues for her as a key figure in cultural and social histories of the period This study will appeal to scholars students and enthusiasts of Victorian and Edwardian life and literature **BOOK JACKET** Regarding Sedgwick Stephen M. Barber,David L. Clark,2013-08-21 Eve Kosofsky Sedgwick is one of the most important figures in the history of modern gender studies This book which features an interview with Sedgwick is a collection of new essays by established scholars *Transferences* Maren Scheurer,2019-10-03 Why are psychoanalysts fascinated with literature and other arts And why do so many novels plays films and television series feature therapy sessions *Transferences* investigates the interdisciplinary attraction between psychoanalysis and the arts by exploring the therapeutic relationship as a recurring figure in psychoanalytic discourse literature theater and television In addition to close readings of psychoanalytic and critical texts the book presents a new approach to examining psychoanalytic themes and formal devices in texts like Philip Roth s Portnoy s Complaint J M Coetzee s Life Times of Michael K Margaret Atwood s Alias Grace Peter Shaffer s Equus and the HBO series In Treatment *Transferences* argues that psychoanalysts as well as writers and other artists are fascinated by the therapeutic relationship because it provides a unique site to negotiate the narrative and artistic underpinnings of psychoanalysis and reflect and reinvent the aesthetic and poetic potentiality of art **Racial Indigestion** Kyla Wazana Tompkins,2012-07-30 Winner of the 2013 Lora Romero First Book Publication Prize presented by the American Studies Association Winner of the 2013 Association for the Study of Food and Society Book Award Part of the American Literatures Initiative Series The act of eating is both erotic and violent as one wholly consumes the object being eaten At the same time eating performs a kind of vulnerability to the world revealing a fundamental interdependence

between the eater and that which exists outside her body Racial Indigestion explores the links between food visual and literary culture in the nineteenth century United States to reveal how eating produces political subjects by justifying the social discourses that create bodily meaning Combing through a visually stunning and rare archive of children s literature architectural history domestic manuals dietetic tracts novels and advertising Racial Indigestion tells the story of the consolidation of nationalist mythologies of whiteness via the erotic politics of consumption Less a history of commodities than a history of eating itself the book seeks to understand how eating became a political act linked to appetite vice virtue race and class inequality and finally the queer pleasures and pitfalls of a burgeoning commodity culture In so doing Racial Indigestion sheds light on contemporary foodie culture s vexed relationship to nativism nationalism and race privilege For more visit the author s tumblr page <http://racialindigestion.tumblr.com>

Religion and American Cultures Gary

Laderman,Luis León,2014-12-17 This four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of Religion and American Cultures Tradition Diversity and Popular Expression presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren t largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe in a higher power the fastest growing identity in the United States is the nones those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America s multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious expressions The new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after September 11 2001 The fourth volume is devoted to complementary primary source documents

The Hirschfeld Archives

Heike Bauer,2017-05-15 This work examines how death suicide and violence shaped modern queer culture arguing that negative experiences as much as affirmative subculture formation influenced the emergence of a collective sense of same sex identity Bauer looks for this history of violence in the work and reception of the influential sexologist Magnus Hirschfeld 1868 1935 and through Hirschfeld s work examines the form and collective impact of anti queer violence in the first half of the twentieth century Hirschfeld s archive his library at the Institute for Sexual Sciences in Berlin was destroyed by the Nazis in 1933 so the archive of Bauer s title is one that she s

built from over a hundred published and unpublished books articles films and photographs *The Italian Invert* Michael Rosenfeld,2022-07-05 Each of us has his tastes inscribed in his brain and heart whether he fulfills his urges with regret or with joy he must fulfill them He should let others act according to their own nature It s fate that creates us and guides us throughout our lives to fight against it would be little more than fruitless foolish and reckless In the late 1880s a dashing young Italian aristocrat made an astonishing confession to the novelist mile Zola In a series of revealing letters he frankly described his sexual experiences with other men including his seduction as a teenager by one of his father s friends and his first love affair with a sergeant during his military service as well as his extraordinary personality Judging it too controversial Zola gave it to a young doctor who in 1896 published a censored version in a medical study on sexual inversion as homosexuality was then known When the Italian came across this book he was shocked to discover how his life story had been distorted In protest he wrote a long daring and unapologetic letter to the doctor defending his right to love and to live as he wished This book is the first complete unexpurgated version in English of this remarkable queer autobiography Its text is based on the recently discovered manuscript of the Italian s letter to the doctor It also features an introduction tracing the textual history of the documents analytical essays and additional materials that help place the work in its historical context Offering a striking glimpse of gay life in Europe in the late nineteenth century *The Italian Invert* brings to light the powerful voice of a young man who forthrightly expressed his desires and eloquently affirmed his right to pleasure **The Smell of Risk** Hsuan L. Hsu,2020-12-15 A timely exploration of how odor seeps into structural inequality Our sense of smell is a uniquely visceral and personal form of experience As Hsuan L Hsu points out smell has long been spurned by Western aesthetics as a lesser sense for its qualities of subjectivity volatility and materiality But it is these very qualities that make olfaction a vital tool for sensing and staging environmental risk and inequality Unlike the other senses smell extends across space and reaches into our bodies Hsu traces how writers artists and activists have deployed these embodied biochemical qualities of smell in their efforts to critique and reshape modernity s olfactory disparities *The Smell of Risk* outlines the many ways that our differentiated atmospheres unevenly distribute environmental risk Reading everything from nineteenth century detective fiction and naturalist novels to contemporary performance art and memoir Hsu takes up modernity s differentiated atmospheres as a subject worth sniffing out From the industrial revolution to current day environmental crises Hsu uses ecocriticism geography and critical race studies to for example explore Latinx communities exposed to freeway exhaust and pesticides Asian diasporic artists response to racialized discourse about Asiatic odors and the devastation settler colonialism has reaped on Indigenous smellscape In each instance Hsu demonstrates the violence that air maintenance control and conditioning enacts on the poor and the marginalized From nineteenth century miasma theory theory to the synthetic chemicals that pervade twenty first century air Hsu takes smell at face value to offer an evocative retelling of urbanization public health and environmental violence *The secret vice* Diane Mason,2013-07-19 *The secret vice* Masturbation in

Victorian fiction and medical culture provides a unique consideration of writings on self abuse in the long nineteenth century. The book examines the discourse on masturbation in medical works by English Continental and American practitioners and demonstrates the influence and impact of these writings not only on Victorian pornography but also in the creation of fictional characters by canonical authors such as Bram Stoker, J. S. Le Fanu, Charles Dickens and Oscar Wilde. The book also features the first detailed and balanced study of the largely overlooked literature on masturbation as it pertains to women in clinical and popular medical works aimed at the female reader. Mason concludes with a consideration of the way the distinctly Victorian discourse on masturbation has persisted into the late twentieth and twenty first centuries with particular reference to Willy Russell's tragic comic novel *The Wrong Boy* (2000) and to the construction of Victorian Dad, a character featured in the adult comic *Viz*.

Juvenile Sexuality, Kabbalah, and Catholic Reformation in Italy Roni Weinstein, 2009-09-24

This book provides the first publication of the tract *Tiferet Bahurim: The Glory of Youth* which was written in the mid-seventeenth century by R. Pinhas Barukh ben Pelatiah Monselie in Ferrara, Italy. The tract was written as a guide for young men about to marry regarding their family life and their sexual deportment. By analyzing the *Tiferet Bahurim*, Roni Weinstein addresses the following questions: What was the source of the growing interest in sexuality and controlling juvenile sexuality? How is this tract related to centuries-old Jewish ethical literature as well as literature in contemporary Catholic Italy? Is the *Tiferet Bahurim* part of the religious and cultural fermentation of the Counter Reformation? Finally, did Jewish mysticism and pietism of Kabbalah tradition play a role in the composition of this tract?

Sexual Revolution in Early America Richard Godbeer, 2004-02-18

An Alternate Selection of the History Book Club

In 1695 John Miller, a clergyman traveling through New York, found it appalling that so many couples lived together without ever being married and that no one viewed ante-nuptial fornication as anything scandalous or sinful. Charles Woodmason, an Anglican minister in South Carolina in 1766, described the region as a stage of debauchery in which polygamy was very common, concubinage general, and bastardy no disrepute. These depictions of colonial North America's sexual culture sharply contradict the stereotype of Puritanical abstinence that persists in the popular imagination.

In *Sexual Revolution in Early America*, Richard Godbeer boldly overturns conventional wisdom about the sexual values and customs of colonial Americans. His eye-opening historical account spans two centuries and most of British North America from New England to the Caribbean, exploring the social, political, and legal dynamics that shaped a diverse sexual culture. Drawing on exhaustive research into diaries, letters, and other private papers as well as legal records and official documents, Godbeer's absorbing narrative uncovers a persistent struggle between the moral authorities and the widespread expression of popular customs and individual urges. Godbeer begins with a discussion of the complex attitude that the Puritans had toward sexuality. For example, although believing that sex could be morally corrupting, they also considered it to be such an essential element of a healthy marriage that they excommunicated those who denied conjugal fellowship to their spouses. He next examines the ways in which race and class affected the debate about sexual mores from

anxieties about Anglo Indian sexual relations to the sense of sexual entitlement that planters held over their African slaves He concludes by detailing the fundamental shift in sexual culture during the eighteenth century towards the acceptance of a more individualistic concept of sexual desire and fulfillment Today's moral critics in their attempts to convince Americans of the social and spiritual consequences of unregulated sexual behavior often harken back to a more innocent age as this groundbreaking work makes clear America's sexual culture has always been rich vibrant and contentious *Austen's Unbecoming Conjunctions* J. Heydt-Stevenson, 2016-04-30 Austen's *Unbecoming Conjunctions* is a contemporary study of all Jane Austen's writings focusing on her representation of women sexuality the material objects and linguistic patterns by which this sexuality was expressed Heydt Stevenson demonstrates the subtle vulgar and humorous ways Austen uses human bodies objects and activities fashion jewelry crafts popular literature travel and tourism money and courtship rituals to convey sexuality and sexual appetites Through the sexual subtext Heydt Stevenson proposes Austen satirized contemporary sexual hypocrisy overcame the stereotypes of women authors as sexually inhibited sheltered or repressed and addressed as sophisticated and worldly an audience as Byron's Thus through her careful reading of all the Austen texts in light of the language of eroticism both traditional and contemporary Heydt Stevenson re-evaluates Austen's audience the novels and her role as a writer

The Creation of the Modern World Roy Porter, 2000 From a critically acclaimed author comes an engagingly written and groundbreaking new work that highlights the long underestimated British role in delivering the Enlightenment to the modern world Porter reveals how the monumental transformation of thinking in Great Britain influenced wider developments elsewhere of color illustrations

Reproduction Nick Hopwood, Rebecca Flemming, Lauren Kassell, 2018-12-06 From contraception to cloning and pregnancy to populations reproduction presents urgent challenges today This field defining history synthesizes a vast amount of scholarship to take the long view Spanning from antiquity to the present day the book focuses on the Mediterranean western Europe North America and their empires It combines history of science technology and medicine with social cultural and demographic accounts Ranging from the most intimate experiences to planetary policy it tells new stories and revises received ideas An international team of scholars asks how modern reproduction an abstract process of perpetuating living organisms replaced the old generation the active making of humans and beasts plants and even minerals Striking illustrations invite readers to explore artefacts from an ancient Egyptian fertility figurine to the announcement of the first test tube baby Authoritative and accessible *Reproduction* offers students and non-specialists an essential starting point and sets fresh agendas for research
