**Solitude and Solidarity** Sebastian Painadath, 2003 Contributed articles      **The Christian Ashram Movement in India** Zdeněk Štipl, 2020-03-20 This book is one of the first to present a definitive history of the Christian Ashram Movement. It offers insights into the development of the Movement, Europe's Orientalist view of Eastern mysticism, and how the concept of the ashram spread beyond the borders of India. Drawing extensively from ashram literature and the author's field research, the book critically analyzes the notions of inculturation in the encounter between Christianity and Hindu spirituality and ritualism. It looks at how the Movement grew out of the colonial encounter and how it evolved through the years, which was contingent on developments within Christian churches outside India. The volume also discusses the reinterpretation of the idea of the ashram by Christian theologians, the introduction of elite Brahmanical concepts within the Movement, and the unique theological perspectives which were nurtured in these ashrams. The book offers an alternative perspective to the generally perceived history of Christianity in India. It will be of interest to scholars and researchers of religious studies, Christianity, sociology, social anthropology, and religious history.

**Khrist Bhakta Movement: A Model for an Indian Church?** Cyril J. Kuttiyanikkal, 2014 In this PhD research, the author has inquired the contribution of the Khrist Bhakta movement to inculturation in the field of community building in India. He focuses on Matridham asram at Varanasi, where rural Hinduism and the charismatic form of Catholic Christianity meet one another. The author addresses the issues involved in this encounter from a social, cultural, legal, pastoral, and theological perspective, which is relevant for all those interested in interreligious and intercultural encounter. *The Future of Christian Mission in India* Augustine Kanjamala SVD, 2014-08-21 Colonial missionaries, both Catholic and Protestant, arrived in India with the grandiose vision of converting the pagans, because like St Peter Acts 4:12, and most of the church fathers, they honestly believed that there is no salvation outside the church, *extra ecclesiam nulla salus*. At the end of the great Protestant century, however, Christians made up less than 3 percent of the population in India, and the hope of the missionary was nearly shattered. But if one looks at mission in India qualitatively rather than quantitatively, one sees a number of positive outcomes. Missionaries in India, particularly Protestant missionaries espousing the social gospel, in collaboration with a few British evangelical administrators, dared to challenge numerous social evils and even began to eradicate them. The scientific and liberal English education began to enlighten and transform the Indian mindset. Converts belonging to the upper caste, although small in number, laid the foundation stone of Indian theology and an inculturated church using Indian genius. The end of colonialism in India coincided with the painful death of colonial mission theology. Now the power of the Word of God, extricated from political power, is slowly and peacefully gaining ground, like the mustard seed of the parable. A paradigm shift from the ecclesio-centric mission to *missio Dei* offers reason for further optimism. In short, the future of mission in India is as bright as the kingdom of God. In today's new context, theologians, despite objections from some quarters, are struggling to discover the Asian face of Jesus.

disfigured by the Greco Roman Church And the missionary is challenged to become a living Bible that undoubtedly everyone will read
