Solomons Child:

King Solomon's Children Robert Reginald, Douglas Menville, 2008-10-01 Three parodies of Haggard's writings by Henry Chartres Biron and John De Morgan **Search Out the Land** Sheldon J. Godfrey, Judy Godfrey, 1995 To date Jews and Jewish contributions to the early development of Canada and the British colonies have been marginalized in Canadian history In *Search Out the Land* Sheldon Godfrey and Judith Godfrey begin to redress this situation by illustrating and an

Women's Bible Commentary Carol Ann Newsom, Sharon H. relations Originally from Mystic Connecticut the Tifts migrated to Key West Florida where they profited from the wrecking trade set up business operations at various points along the eastern coast of the United States and eventually made a significant impact on some of the less developed areas of Georgia The most important member of the family was Nelson Tift a pioneer businessman who founded the city of Albany Georgia in the 1830s and played a major role on behalf of his adopted state during the Civil War and Reconstruction His enterprises were often coordinated with his brother Asa in Key West Their nephew Henry Harding Tift founded Tifton and Tift County and Tift College in Forsyth was named for Henry s wife Bessie a major benefactor Later Tifts were not only involved in the continued development of Albany and Tifton but made significant contributions to the economy and civic life of Macon Atlanta and other communities The most important theme embodied in this monograph is how the Tifts brought Connecticut Yankee values to the South but were in turn transformed into Southerners The Tifts of Georgia is richly illustrated with charts maps and original photographs This history of an important Georgia family should be of special interest to professional and amateur historians sociologists cultural anthropologists and genealogists

Cape Provincial Division** Sir Alexander Fraser Russell, Gerard Molyneux Swift, C. Gutsche, George Gerhard Sutton, South Africa. Supreme Court. Cape of Good Hope Provincial Division, 1918 David's Secret Demons Baruch Halpern, 2003-11-12 This is a print on demand book and is therefore non returnable The Bible portrays King David as an exceptional man and a paragon of godly devotion But was he Some scholars deny that he existed at all Did he This challenging book examines the written and archaeological evidence critically in an effort to paint an accurate picture of one of the Bible s central figures Neither defending nor rejecting the traditions about David Baruch Halpern a leading scholar of biblical history and the ancient Near East traces the origins of development of David s persona Because the biblical text clearly responds to concerns that can only be contemporary with David himself we can believe that David was both real and a central actor in the historical drama of ancient Israel Yet at the same time the written record also shows that contemporaries understood David s character to be much more unsavory than the tradition has hitherto allowed Halpern digs beneath the layers of tradition to understand David as an individual as a person The man he uncovers turns out to have been complex ambiguous and above all surprising According to Halpern the image of David grew over time He was the founder of the dynasty that perpetuated the texts about him and they progressively exaggerated his accomplishments But in the earliest writings David remains a modest figure as this book shows for the first time To understand David as a human being one must keep in mind that he was primarily a politician who operated in a rough and tumble environment in which competitors were ready literally to slit throats Halpern s work raises many provocative questions Was David an Israelite or a Philistine Was Solomon really David s son Did David

take the throne of Israel by the consent or against the will of the people How many murders did he commit on his way to the crown Indeed was David someone it would have been wise to even invite to dinner The challenging arguments in David s Secret Demons are sure to provoke all kinds of discussion among biblical scholars and general readers alike In addition a big bonus Halpern s accessible at times humorous prose will itself draw readers everywhere into the compelling story of David found between these covers Melanesians of the South-East Solomon Islands Walter George Ivens,1927 **The Underweight Infant, Child, and Adolescent** Stanley A. Cohen,1986 Abstract This book presents information on the problems of the underweight infant child and adolescent in surfeit fed nations Underweight is recognized as a symptom and it is argued that there are several possible etiologies for the condition The etiology will determine the therapeutic and prognostic implications of the condition Topics include evaluation and treatment of underweight children prognosis and adaptive implications of the underweight condition and preventive measures to avoid underweight **Treatment of Cerebral Palsy and Motor Delay** Sophie Levitt,Anne Addison,2018-09-05 Treatment of Cerebral Palsy and Motor Delay is a highly practical easy to read resource for all paediatric practitioners and students working with the developmental abilities and difficulties of children providing a thorough overview of cerebral palsy and its treatment The sixth edition has been thoroughly revised and updated to integrate the latest evidence base on motor control and motor learning whilst still retaining Sophie Levitt s eclectic holistic and functional approach It includes greater detail on paediatric occupational therapy classification systems the latest systematic reviews of research as well as an expanded chapter on adolescents and adults with cerebral palsy The chapter on equipment has also been increased so as to be of further relevance to occupational therapists Supported by clear diagrams and photographs as well as summaries to consolidate learning it outlines therapeutic approaches and suggests treatment and management options providing a wealth of practical information The book promotes positive relationships between therapists people with cerebral palsy and their families The Holy Bible.
