Solomons Of The Sierra:

Solomons of the Sierra Shirley Sargent, 1989 Jesus, History and Mount Darwin Rick Kennedy, 2008-10-30 Written in the genre of Henry David Thoreau's travel thinking essays Jesus History and Mount Darwin An Academic Excursion is the story of a three day climb into the Evolution Range of the High Sierra Mountains of California Mount Darwin stands among other near 14 000 foot high mountains that are named after promoters of religious versions of evolutionary thinking Rick Kennedy a history professor from a small college uses the climb as an opportunity to think about general education and how both the natural history of evolution and the ancient history of Jesus can find a home in the Aristotelian diversity of university methods Kennedy offers the academic foundations for the credibility and reliability of accounts of Jesus in the New Testament while pointing out that these foundations have the same weaknesses and strengths that ancient history has in general Natural history Kennedy points out has a different set of strengths and weaknesses from ancient history Overall the book reminds students and professors of the wisdom in being humble Jesus, History, and Mt. Darwin Rick Kennedy, 2008-02-01 Written in the genre of Henry David Thoreau's travel thinking essays Jesus History and Mount Darwin An Academic Excursion is the story of a three day climb into the Evolution Range of the High Sierra mountains of California Mount Darwin stands among other mountains near fourteen thousand feet high and that are named after promoters of religious versions of evolutionary thinking Rick Kennedy a history professor from Point Loma uses the climb as an opportunity to think about general education and how both the natural history of evolution and the ancient history of Jesus can find a home in the Aristotelian diversity of university methods Kennedy offers the academic foundations for the credibility and reliability of accounts of Jesus in the New Testament while pointing out that these foundations have the same weaknesses and strengths that ancient history has in general Natural history Kennedy points out has a different set of strengths and weaknesses from ancient history Overall the book reminds students and professors of the wisdom in being humble Nature's Altars Susan R. Schrepfer, 2005 Book Review **Leopold's Shack and Ricketts's Lab** Michael J. Lannoo, 2010 Leopold's Shack and Ricketts's Lab brings fresh insight to the fertile ideas and writings of two innovators of early twentieth century ecology In this insightful and important book Michael J Lannoo enriches the legacies of Leopold and Ricketts as early conservation minded environmentalists and suggests that there is still much to be learned from them Katharine A Rodger editor of Breaking Through Essays Journals and Travelogues of Edward F Ricketts Lannoo creatively explores an important story of compelling historical characters with a clear vision of their significance for today's readers Curt Meine author of Aldo Leopold His Life and Work Missing in the Minarets William Alsup, 2020-06-23 This riveting narrative details the mysterious disappearance of Peter Starr a San Francisco attorney from a prominent family who set off to climb alone in the rugged Minaret region of the Sierra Nevada in July 1933 Rigorous and thorough searches by some of the best climbers in the history of the range failed to locate him despite a number of promising clues When all hope seemed gone

and the last search party had left the Minarets mountaineering legend Norman Clyde refused to give up Climbing alone he persevered in the face of failure resolved that he would learn the fate of the lost man Clyde s discovery and the events that followed make for compelling reading Recently reissued with a new afterword this re creation of a famous episode in the annals of the Sierra Nevada is mountaineering literature at its best **Alexine** Ryan D. Pensyl,2019-02-28 Driven by desperation and propelled toward self destruction a wealthy young man named Daniel makes a decision that will alter his life forever A day like any other hardly Sure it started the same as most with an annoying alarm followed by a hearty breakfast but it was definitely not a typical day Truthfully I couldn t even eat The eggs just stared back at me while their heat dissipated into the air No it wasn t a day like the others not even close The pancakes practically taunted me while I considered what I was about to do It was insane It might not even work We could all die And not just a normal demise a terribly horrific one I don t even want to think about it but I can t stop I suppose that means I m conflicted To think in a matter of a few days we re going to be in Daniel an irritatingly proper voice called out interrupting the whirlwind of confusing thoughts Hurry up and finish It is time to prepare There is much we must do Alongside an unlikely team of adventurers Daniel travels to the most forbidden place in human history where each step is permeated with danger The journey together will bring illumination to the darkest corners of their souls but in the end only one question remains will Daniel s path bring resolution or damnation *Best Backpacking Trips in California and Nevada* Mike White,Douglas Lorain,2015-04-27 The American West is home to some of the best backpacking trips in the world and within California and Nevada are several outstanding destination trails Hikers from all over the country and around the world travel to this area every season to undertake some of these classic trips of a lifetime and enjoy the breathtaking scenery Best Backpacking Trips in California and Nevada was written to help the accomplished hiker through the entire process of planning a multiday excursion The book covers all aspects of the trip from traveling to the area to successfully fulfilling the dream of backpacking in one of the most beautiful regions in the West The guide includes thirteen detailed trail descriptions along with information on additional resources governing agencies and permits and fees It also provides listings of the nearest airports outdoor retailers campgrounds transportation and amenities and attractions Accompanying the specific information on each trip are captivating historical vignettes and entertaining personal essays enhancing the reader s understanding of the area Whether journeying from near or far Best Backpacking Trips of California and Nevada is the most complete resource for turning a dream trip into reality *Mediascapes of Ruined Geographies in the Global South* Diego Granja do Amaral,A. Chukwudumebi Obute,2023-08-15 This book undertakes an interdisciplinary and cross cultural interrogation of the Global South through the prisms of media and cultural studies It closely explores the quotidian re territorialization and brazen ruination of the material geographies of this vast expanse of the world by forces and proxies of neo colonialism and global capitalism of resource extraction We cite the ongoing expulsion of Palestinians from their homelands by occupational forces

the emerging detritus dump across Mexico City and Lagos the infrastructural precariousness of the favelas of Brazil the unending resource war in the Democratic Republic of Congo DRC and the flagrant operation of the oil industry in the Niger Delta region of Nigeria as examples of this geographic cataclysm The centripetal forces of neo colonialism and resource extraction at full flight in the Global South aided by toxic hegemonic forces have overtly tossed some of the population to the peripheries of existence and the society at large As such this book additionally explores the resistance of the subalterns from the margins to this socio political malaise and further unmasks the knowledge production from these margins of the Global South This project is divided into five 5 parts of three essays each The first part examines the territorial contestation in the Middle East framed and expressed through films and literary lenses The second part examines the environmental burden of modern consumerism and urbanization on metropolis across Mexico Brazil and Nigeria while the third part explores the attritional violence of resource extraction in the DRC Brazil and Nigeria via filmic and journalistic lenses The fourth part offers a swift response from the margins through ethnographic and journalistic interrogation of the subjectivity of the subalterns of Brazilian favelas and street artists The fifth part offers an engaging critique of the political climates of South Africa and Brazil that reinforce the environmental catastrophe of the regions of the world
