Sino-American Economic Relations, 1944-1949 C. X. George Wei, 1997 The economic relationship between the U S and China during the 1940s has long been neglected with few scholarly works focusing on the period This era was overshadowed by the political and diplomatic changes during and after the failure of the Nationalists in 1949 Without a close and insightful look into the reconstruction of China with American involvement during the late 1940s one cannot identify the problems which led to the Nationalists failure nor can one answer the questions dealing with the impact of American economic policy toward China during that time

Historical Dictionary of United States-China Relations Robert G. Sutter, 2005-11-15 The relationship between the United States of America and the People s Republic of China is traced in this dictionary containing hundreds of cross referenced entries on the presidents and prime ministers the secretaries of state and foreign ministers other key players and the more significant institutions and events Everything from the Boxer Uprising in the late 19th Century to Nixon s historic visit to China in 1972 from the crisis over U S arms sales to Taiwan in 1982 to the U S bombing of the Chinese Embassy at Belgrade in 1999 is covered in this highly accessible scholarly work The book s introduction and chronology delineate the many differences in political military and ideological issues between the two countries Two appendixes list all the United States Presidents and Secretaries of State as well as all the Republic of China Presidents and Prime Ministers and the People s Republic of China Presidents and Prime Ministers respectively

Jingji Xue Paul B. Trescott, 2007 Based on solid research Jingji Xue presents how Economics as a thought as well as an intellectual discipline had been introduced to China It identifies the Chinese who studied Economics in the West and evaluates their roles in teaching research and publication in China Particularly it describes and examines the activities of Kang Youwei Liang Qichao Sun Yat sen and Yan Fu et al in transmitting and interpreting Western Economics The evolution of Economics programme in leading universities in China is also discussed

Re-examining the Cold War Robert S. Ross, Changbin Jiang, 2001 The twelve essays in this volume underscore the similarities between Chinese and American approaches to bilateral diplomacy and between their perceptions of each other's policy making motivations Much of the literature on U S China relations posits that each side was motivated either by ideologically informed interests or by ideological assumptions about its counterpart But as these contributors emphasize newly accessible archives suggest rather that both Beijing and Washington developed a responsive and tactically adaptable foreign policy Each then adjusted this policy in response to changing international circumstances and changing assessments of its counterpart's policies Motivated less by ideology than by pragmatic national security concerns each assumed that the other faced similar considerations

The Causes of the 1929 Stock Market Crash Harold Bierman Jr., 1998-04-16 Attempting to reveal the real causes of the 1929 stock market crash Bierman refutes the popular belief that wild speculation had excessively driven up stock market prices and resulted in the crash Although he acknowledges some prices of stocks such as utilities and banks were overpriced reasonable explanations exist for the level and increase of all other securities stock prices Indeed if stocks were overpriced in 1929 then they more

even more overpriced in the current era of staggering growth in stock prices and investment in securities The causes of the 1929 crash Bierman argues lie in an unfavorable decision by the Massachusetts Department of Public Utilities coupled with the popular practice known as debt leverage in the 1920s corporate and investment arena This book extends Bierman's argument in an earlier book *The Great Myths of 1929 and the Lessons to Be Learned* Greenwood 1991 in which he discussed and refuted seven myths about 1929 but could not explain the crash He now believes he has a reasonable explanation He also examines the actions of Charles E Mitchell and Sam Insull and their subsequent unjust criminal prosecution after the crash of the 1929 stock market

Decisive Encounters Odd Arne Westad, 2003 Though the book highlights the military aspects of the war it also shows how these took place alongside profound changes in Chinese politics society and culture changes that ultimately contributed as much to the character of today's China as did the major battles By analyzing the war as an international and not simply a domestic conflict the author explains why so much of the present legitimacy of the Beijing government derives from its successes during the late 1940s and reveals how the antagonism between China and the United States so important to current international affairs was born

BOOK JACKET *Chinese Nationalism in Perspective* C. X. George Wei, Xiaoyuan Liu, 2001-08-30 Wei and Liu argue that Chinese nationalism is a multifaceted concept At different historical moments and under certain circumstances it had different meanings and interacted with other competing motives and interests The authors of this timely volume all of whom are of Chinese origin and bi-national education have produced a balanced and non-culture-bound work of scholarship It contains diverse provocative and in-depth analysis of both historical and recent case studies that can shed light on the contemporary incarnation of Chinese nationalism This interdisciplinary anthology looks at variants of Chinese nationalism upheld and contended by social groups classes and power holders from the past to the present The authors argue that nationalism can be supported by both patriotic and group or party-oriented interest calculations Forms of Chinese nationalism can result from situational as well as ideological conditions

Beyond Market and Hierarchy K. Man-Bun, Man Bun Kwan, 2014-07-24 Based on extensive archival research *Beyond Market and Hierarchy* reconstructs how Fan waged modern China's war of salts Led by

his Jiuda Salt Industries the nascent refined salt industry battled revenue farmers who as a group monopolized the production and distribution of evaporated salt The Rinderpest Campaigns Amanda Kay McVety,2018-08-23 Amanda Kay McVety has written the first history of the international effort to eradicate rinderpest a devastating cattle disease which began in the 1940s and ended in 2011 Rinderpest is the only other disease besides smallpox to have been eradicated but very few people in the United States know about it because it did not infect humans and never broke out in North America In other parts of the world however rinderpest was a serious economic and social burden and the struggle against it was a critical part of the effort to fight poverty and hunger globally McVety follows the deployment of rinderpest vaccines around the globe exploring the role of the environment in the understanding of development internationalism and national security She expands the standard Cold War narratives to show how these concepts were framed not only by economic and political concerns but also by biological ones **Raising China's Revolutionaries** Margaret Mih Tillman,2018-10-02 A widespread conviction in the need to rescue China's children took hold in the early twentieth century Amid political upheaval and natural disasters neglected or abandoned children became a humanitarian focal point for Sino Western cooperation and intervention in family life Chinese academics and officials sought new scientific measures educational institutions and social reforms to improve children's welfare Successive regimes encouraged teachers to shape children into Qing subjects Nationalist citizens or Communist comrades In *Raising China's Revolutionaries* Margaret Mih Tillman offers a novel perspective on the political and scientific dimensions of experiments with early childhood education from the early Republican period through the first decade of the People's Republic She traces transnational advocacy for child welfare and education examining Christian missionaries philanthropists and the role of international relief during World War II Tillman provides in depth analysis of similarities and differences between Nationalist and Communist policy and cultural notions of childhood While both Nationalist and Communist regimes drew on preschool institutions to mobilize the workforce and shape children's political subjectivity the Communist regime rejected the Nationalists commitment to the modern bourgeois family With new insights into the roles of experts the cultural politics of fundraising and child welfare as a form of international exchange *Raising China's Revolutionaries* is an important work of institutional and transnational history that illuminates the evolution of modern concepts of childhood in China *Macao - Cultural Interaction and Literary Representations* Katrine K. Wong,C.X. Cha,2018-04-24 A close look at the evolution of American political alliances in Asia and their future While the American alliance system in Asia has been fundamental to the region s security and prosperity for seven decades today it encounters challenges from the growth of China based regional organizations How was the American alliance system originally established in Asia and is it currently under threat How are competing security designs being influenced by the United States and China In *Powerplay* Victor Cha draws from theories about alliances unipolarity and regime complexity to examine the evolution of the U S alliance system and the reasons for its continued importance in Asia and the world Cha delves into the fears motivations and aspirations of the Truman and Eisenhower presidencies as they contemplated alliances with the Republic of China Republic of Korea and Japan at the outset of the Cold War Their choice of a bilateral hub and spokes security design for Asia was entirely different from the system created in Europe but it was essential for its time Cha argues that the alliance system s innovations in the twenty first century contribute to its resiliency in the face of China s increasing prominence and that the task for the world is not to choose between American and Chinese institutions but to maximize stability and economic progress amid Asia s increasingly complex political landscape Exploring U S bilateral relations in Asia after World War II *Powerplay* takes an original look at how global alliances are achieved and maintained External Research ,1964 **America, History and Life** ,2001 Provides historical coverage of the United States and Canada from
