Sir Gawains Little Green Two Tales From The Middle Ages:

Sir Gawain's Little Green Book Mark J. Mitchell, 2000-11-30 Sir Gawains Little Green Book retells two of the classic stories about one of King Arthurs foremost knights The Green Knight takes its title and its story from the Middle English poem Sir Gawain and the Green Knight In The Green Knight Sir Gawain reminisces looking back on his life from his point of view as an aging legend He recalls his youth when he was much greener and his first adventure the only one that has remained his through all the centuries One Christmas the knights of King Arthur are waiting for the Yuletide banquet Arthur as is his custom will not start a meal on a great feast until some wonder has been seen or miracle performed This Christmas he is rewarded by a huge green giant riding into his castle on his green horse carrying a huge green axe The giant proposes a simple game an exchange of blows One knight gets to try to chop the giants head off with the green axe In a year and a day that knight will seek out the Green Knight offering his neck for a return stroke No one is eager to take up this challenge and just when it looks like it will fall to Arthur Gawain and the kings nephew volunteers He takes the green axe and neatly and completely slices off the head of the green giant The intruder walks over to where his head had fallen picks it up and it announces that he is the knight of the Green Chapel and that is where Sir Gawain should seek him in a year and day to receive his return blow He then remounts his horse and carrying his head rides away For the rest of the year Gawain dallies He wants to ride out in search of the Green Knight but Arthur keeps him close to court out of love Spring become fall and Gawain finally sets out In the course of his journey he meets several different types of people A peasant wife a knight guarding a ford and a wild man of the woods None of them have ever heard of a place called the Green Chapel Finally just before Christmas he finds himself before a great castle He is welcomed and made much of as a famous knight from a great court He is told that the Green Chapel is very nearby His host proposes a game Gawain should rest until New Years Day when he must keep his appointment In that time he would exchange whatever he won around the castle with the lord of the castle for whatever he got in the course of a days hunting Each morning for the next three days when Gawain awakes the lady of the castle is in his room She throws herself at him asking for lessons in love Gawain is honorable and does not give in He does accept kisses from her Meanwhile her husband is hunting first deer then a boar then a fox Each evening Gawain gives the host kisses in return for his hunting prizes On the final morning Gawain weakens While he doesnt give in to the ladys demands for love he does accept a gift from her a green belt that she tells him will keep him from being wounded in any way When that nights exchange takes place Gawain doesnt mention this prize Finally Gawain sets out for the Green Chapel It is a cold and gray day The page sent along to guide tries to scare him off but Gawain goes on alone He descends into the valley where the Green Chapel is said to be but doesnt see anything Eventually he hears the sound of a sharpening wheel Then the Green Knight makes himself known vaulting down to the valley floor on the haft of a new axe Gawain true to his word opens his collar and offers his neck to the giant The knight takes his swing but Gawain flinches The giant tries again

but it is a feint Finally a third blow comes which nicks Gawains neck causing just a scratch Gawain leaps back ready to fight but the Green Knight just stands laughing at him The Green Knight then reveals himself as the lord of the castle that had harbored Gawain He had been changed into this form by Gawai Arthurian Literature XXII Keith Busby, Roger Dalrymple, 2005 Selection of the latest research in Arthurian studies The essays in this volume present the most recent fruits of Arthurian scholarship on texts from Perlesvaus to Albrecht s J ngerer Titurel and the Prose Brut Chronicle together with a detailed examination of the role of Micheau Gonnot s Arthuriad in the evolution of Arthurian romance The volume also includes an investigation of Arthurian prophecy and the deposition of Richard II It is completed with an encyclopaedic treatment of Arthurian literature art and film produced between 1999 and 2004 acting as a continuing update to The New Arthurian Encyclopedia Contributors BEN RAMM FANNI BOGDANOW ANNETTE VOLPING HELEN FULTON JULIA MARVIN RAYMOND H THOMPSON NORRIS J LACY **A Bibliography of Modern Arthuriana (1500-2000)** Ann F. Medieval Literature: The Basics Angela Jane Weisl, Anthony Joseph Cunder, 2018-03-20 Medieval Literature The Basics is

an engaging introduction to this fascinating body of literature The volume breaks down the variety of genres used in the corpus of medieval literature and makes these texts accessible to readers It engages with the familiarities present in the narratives and connects these ideas with a contemporary twenty first century audience The volume also addresses contemporary medievalism to show the presence of medieval literature in contemporary culture such as film television games and novels From Dante and Chaucer to Christine de Pisan this book deals with questions such as What is medieval literature What are some of the key topics and genres of medieval literature How did it evolve as technology such as the printing press developed How has it remained relevant in the twenty first century Medieval Literature The Basics is an ideal introduction for students coming to the subject for the first time while also acting as a springboard from which deeper interaction with medieval literature can be developed Codex Ashmole 61 George Shuffelton,2008-12-01 Since its rediscovery by nineteenth century scholarship Oxford Bodleian Library MS Ashmole 61 has never been ignored though it has also not gained a great deal of notoriety beyond the scholars of Middle English romance It is hoped that the present volume will encourage study of the entire manuscript as a valuable witness to the devotional habits cultural values and popular tastes of late medieval England The Middle Ages Frank N. Magill,2012-11-12 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography **Nature in the Middle Ages and the Early Modern Times** Albrecht Classen,2024-07-01 The study of pre modern anthropology requires the close examination of the relationship between nature and human society which has been both precarious and threatening as well as productive soothing inviting and pleasurable Much depends on the specific circumstances as the works by philosophers theologians poets artists and medical practitioners have regularly demonstrated It would not be good enough as previous scholarship has commonly done to examine simply what the various writers or artists had to say about nature While modern scientists consider just the hard core data of the objective world cultural historians and literary scholars endeavor to comprehend the deeper meaning of the concept of nature presented by countless writers and artists Only when we have a good grasp of the interactions between people and their natural environment are we in a position to identify and interpret mental structures social and economic relationships medical and scientific concepts of human health and the messages about all existence as depicted in major art works In light of the current conditions threatening to bring upon us a global crisis it matters centrally to take into consideration pre modern discourses on nature and its enormous powers to understand the topoi and tropes determining the concepts through which we perceive nature Nature thus proves to be a force far beyond all
