Sir Roberts Little Outing:

Sir Robert's Little Outing Horacio Madinaveitia, 1991-01-01 On Sir Robert's way to slay a dragon in order to win the hand of Princess Dorothea he saves a man from robbers a pup from a deep well and a kite from a coach wreck and in return the trio helps Sir Robert defeat Furnace the Dragon *Enter Sir Robert* Angela Thirkell, 2024-01-23 The missing lord of the manor looms large in this quirky novel by an author who offers a fresh original witty interpretation of England's social history The New York Times Lady Graham is anticipating the long awaited appearance of Sir Robert finally retiring from his glorious military career and globetrotting adventures a decade after the end of World War II In the meantime life at Holdings goes on and Lady Graham's youngest eighteen year old Edith has her pick of suitors It is unclear however if she will make up her mind about them any time soon and if she will exit Holdings before her father enters Where Trollope would have been content to arouse a chuckle Thirkell is constantly provoking us to hilarious laughter To read her is to get the feeling of knowing Barsetshire folk as well as if one had been born and bred in the county Kirkus Reviews , **Memoirs of the Honorable Sir Robert Peel, Bart. ...** Robert Peel, 1842 Chambers's Edinburgh Journal , 1840 **Chambers' Edinburgh Journal** , 1839 Chambers's Journal of Popular Literature, Science and Arts , 1896 The Excursion Frances Brooke, 2021-11-21 Frances Brooke 1724 1789 journalist translator playwright novelist and even co manager of a theater was described as perhaps the first female novel writer who attained a perfect purity and polish of style Today Brooke is known primarily for *The History of Emily Montague* one of the earliest novels about Canada where she lived for a number of years But it is her third novel *The Excursion* that is an important example of the fashionable and popular English novels of the late 1770s Written for the very audience it portrays this novel introduces the heroine Maria Villiers to London's gentle society and its glittering pastimes Brooke drew upon the English courtship novel in the tradition of Eliza Haywood Henry Fielding and Frances Burney for her novel's overarching plot structure But instead of concentrating on Maria's romantic adventures she experiments with unusual treatments of subplots and unconventional characters The most interesting aspect of her story is the development of Maria's ambition to win fame and fortune as a writer it is one of the few portraits of a woman with literary ambitions by an early woman writer Brooke's wry narrative voice foreshadows that of Jane Austen The editors' introduction places *The Excursion* firmly in the tradition of the English novel provides a fresh biography of Brooke and brings together the most important eighteenth and twentieth century criticism of Brooke's work The second volume in the series *Eighteenth Century Novels by Women* *The Excursion* contributes to our understanding of the development of the novel and offers a lively view of women's position in eighteenth century English society **Chronicles of England, France, Spain, and the Adjoining Countries** Jean Froissart, 1857 A View of Northumberland with an Excursion to the Abbey of Mailross in Scotland. By W. Hutchinson William Hutchinson, 1778 **An excursion to Windsor, in July 1810. Also A sail down the river Medway, July, 1811. To which is annexed, a Journal of a trip to Paris, in the autumn of 1816, by**

John Evans, jun John Evans, 1817 **32nd Annual Excursion of the Sandwich Historical Society , The Virgin Queen's Daughter** Ella March Chase, 2008-12-30 A sweeping historical debut exploring a thrilling possibility that the Tudor bloodline did not end with the Virgin Queen As captivating now as it was more than four centuries ago the reign of Elizabeth I with its scandal intrigue and resilience has sparked the imaginations of generations Tucked away in the country estate of her beloved father Lord Calverley young Nell de Lacey feeds her hungry mind with philosophy language and studies of science Her mother once a devoted lady in waiting to Henry VIII s last wife Katherine Parr would rather her daughter stop dabbling in the grand affairs of men and instead prepare for her eventual duties as a wife She knows all too well what menace lurks in royal courts But Nell s heart yearns for something more and a chance meeting with Princess Elizabeth then a prisoner of the Tower of London pushes her closer toward finding it Now years later Nell s chance arrives when she is summoned to serve as a lady in waiting to the newly crowned Queen Elizabeth Nell is entranced by the splendor and pageantry of royal life unaware of the danger and deception that swirls around the monarch and her courtiers But a lingering rumor about nine unaccounted for months in the Virgin Queen s past reignites when the flame haired Nell a mirror image of Her Majesty both physically and intellectually arrives at court Quickly she catches the eye not only of the cunning Elizabeth but of those who would see the queen fail With strong evidence to connect Elizabeth to her newest maid of honor and the politics of England in turmoil the truth could send Nell and those she loves to the Tower to join in the wretched fates of those who ve gone before her Engrossing and enlightening *The Virgin Queen s Daughter* brings to life one of the greatest mysteries of one of the greatest monarchs Ella March Chase s vivid storytelling gives due credence to a daughter who might have been and a mother who never was **Life and Works of Robert Burns** Robert Burns, Peter Hatley Waddell, 1867

Proceedings of the Suffolk Institute of Archæology and Natural History , 1918 *Proceedings of the Suffolk Institute of Archaeology and Natural History* Suffolk Institute of Archaeology and Natural History, 1921 *Proceedings of the Suffolk Institute of Archaeology* Suffolk Institute of Archaeology, 1918 Manuscript notes and newspaper clippings inserted **The Illustrated London Almanack** , 1872 Chronicles. To which are Prefixed a Life of the Author, an Essay on His Works, and a Criticism on His History Jean Froissart, 1839 **Chronicles of England, France, Spain and the Adjoining Countries from the Latter Part of the Reign of Edward II. to the Coronation of Henry IV.** Jean Froissart, 1839
