as an important source of information regarding Douglas's public and private lives As Adams writes the term old square toes characterizes him as an unbending stodgy boring individual but nothing could be further from the truth At the pinnacle of his career Douglas was knighted by order of Queen Victoria Considering his modest mixed race beginnings in South America his lofty status is indeed remarkable Equally so is the life of his wife Amelia She was also of mixed blood her mother being Cree and her father Irish But unlike Douglas who was educated in Scotland she never left the northern forests until they married Their ending up as a knight and lady of the British Empire was an unusual achievement Old Square Toes discusses the Douglasses diverse experiences of astonishing contrasts from crossing North America by canoe to touring Europe by train from Native uprisings to the frantic gold rush Besides finding glory they also faced grief in losing seven of their beloved children This is a story of the adventure heartbreak and devotion that lies at the roots of western Canada     *Sir James Douglas* Walter Noble Sage, Canadian Historical Association, 1926     **Sir James Douglas Private Papers** James Douglas, 1827 Extracts and copies made for H H Bancroft at Victoria in 1878 of diaries correspondence and miscellaneous notes of which the originals are now in the Provincial Archives British Columbia Includes typescript transcription     **Sir James Douglas and British Columbia** Walter N.
