Hospital Sisters and Their Duties Eva C. E. Lückes, Eva C. E. L. Ckes, 2012-08-02 First published in 1886 this textbook is one of the first works describing the roles and responsibilities of ward sisters **Poems ... Edited by her sister [i.e. Lady Sophia Hastings]. Second edition** Lady Flora Elizabeth Rawdon HASTINGS, 1842 **A Nurse's Life in War and Peace** E. C. Laurence, 2022-06-02 This invaluable work presents a precise and simple account of a nurse's career It discusses the difficulties they have to face and the problems they have to solve during wartime Nurses play a crucial role in Hospitals They interact with patients understand them and take exceptional care of them and administer medicines The successful partnership between a nurse and doctor brings the best outcomes for their patients Therefore it is essential to acknowledge their hard work and understand their duties and difficulties Those who want to know something about a nurse's life and work will find this writing an unemotional factual and compelling narrative **Landfall: A Channel Story** Nevil Shute, 2023-03-24 Landfall is set during World War II and follows the story of a young naval officer named John Franklin who is given the task of escorting a group of civilian refugees across the English Channel to safety in Scotland The journey is perilous and Franklin must navigate treacherous waters and avoid German submarines while dealing with the challenges of leading a group of disparate people from different backgrounds and with different needs Along the way Franklin falls in love with a young woman named Valerie Russell who is also one of the refugees As they make their way north the group faces many challenges and must rely on each other to survive Landfall is a gripping tale of adventure and survival during wartime and a poignant story of love and human connection amidst chaos and uncertainty **Chicken Soup for the Sister's Soul 2** Jack Canfield, Mark Victor Hansen, 2012-08-14 Celebrate the sister to sister bond in all its wild wacky poignant and inspirational glory **Sisters, Seeds, and Cedars** Fountain, Sarah M., History consists mainly of the milestones the turning points of time What are often lost in the fray are the details Thankfully for those who have a hunger for history books like Sisters Seeds and Cedars exist to fill in some of the gaps of history The book contains letters from two sisters Cornelia and Clara Originally from Alabama Clara moves on to Arkansas while Cornelia stays where her roots are Clara eventually puts down roots of her own and the sisters continue to converse through letter writing for their entire lives The letters span the generations and provide insight into everyday life between 1850 1928 Without them it might not be known that a dewlarkie is most likely a slang word of the period for a beau The letters also provide details of the effects of the Civil War on the citizens of the South As the sisters recover from the war they must adjust to their new lives filled with carpetbaggers and sharecroppers While it may be impossible to know all the details of history letters that have survived and have been preserved in a book like Sisters Seeds Cedars paint a more complete picture of events that have shaped the world and families alike Sarah Moseley Fountain is a native Arkansan dedicated to Arkansas literature history and culture She lives in Conway Arkansas [The American Girl](#) Monika Fagerholm, 2010-02-16 In 1969 a young girl makes a trip from Coney Island

to the swampy coastland on the rural outskirts of Helsinki Finland There her death will immediately become part of local mythology furnishing boys and girls with fodder for endless romantic imaginings Everyone who lives near the swamp dreams about Eddie de Wire the lost American girl For both Sandra and Doris two lonely dreaming girls abandoned in different ways by their parents this myth will propel them into their coming of age through mischievous role playing games of love and death in search of hidden secrets the mysteries of the swamp and the truth behind Eddie s death The girls construct their own world their own language and their own rules But playing adult games has adult consequences and what begins as two girls just striking matches leads to an inferno that threatens to consume them and tear their friendship apart Crime mystery and gothic saga social study and chronicle of the late sixties and early seventies a portrait of the psyche of young girls on the cusp of sexual awakening The American Girl is a bewitching glimpse of the human capacity for survival and for self inflicted wounds Fagerholm is a modern day heir to the William Faulkner heritage of family tragedy with a highly musical and literary prose style that is rich with wit and literary allusions The American Girl will teach you the meaning of trust as you give yourself entirely to the original storytelling style of Monika Fagerholm
