Sister Of The Road:

Sister of the Road, 2014-08-18 Born in the shadows of a railroad yard of a wandering mother who took her lovers where she found them and a father who was scarcely conscious of her arrival in the world Bertha Thompson took to the road as soon as the restless impulses of adolescence stirred in her She was more interested in wanderers than those who settled down in homes more interested in criminals than law abiding citizens She wanted to see how they lived live as they did know what they were like As a result of her restlessness and curiosity she became in fifteen years of wandering a hobo traveling from one end of the country to the other in box cars decking passenger trains and hitchhiking member of a gang of shoplifters traveling as the mistress of one of the men a prostitute working in a Chicago brothel the mother of a child of an unknown father and a research worker for a New York social service bureau Sister of the Road is Bertha's own story of those fifteen years and the record of her conclusions about them Gifted with a naturally keen intelligence fearless of consequences to herself willing and eager to do and be everything which other members of her group did and were her story is a mine of little known information and a succession of moving human stories about that vast and growing army of homeless jobless wandering women who live by begging stealing cheating prostituting themselves and occasionally working at legitimate jobs

Yellow Brick Road Sophia Sophie, 2020-08-31 Eight-year-old Nika candidly tells the story of her life growing up in a Caribbean ghetto in the eighties. Nika is unintentionally funny, unbelievably clever, and kicks butt when she needs to. Nika's dilemma is simple: She wants to exist without torture, but life in the ghetto makes this an unrealistic desire. Being the twelfth child of fifteen, Nika finds a way to get the attention she needs. Her cute little black face sheds light on the woes of a Caribbean ghetto. Despite abject poverty, violence, and physical abuse, Nika maintains a hopeful demeanor that is far too mature for her age. She stands up to bullies, outsmarts sexual predators, and puts an end to her desire to cheat and steal. After her most horrific experience, Nika finds a diary of a visitor to her Caribbean island that tells the story of Meredith. Meredith is a successful criminal defense lawyer with many burdens, struggles, and secrets. Will Meredith's heart-rending story help Nika uncover the happily ever after in the ghetto? Or will the ghetto destroy Nika's resilient spirit?

The Ballymara Road Nadine Dorries, 2015-06-04 The final gripping instalment of the bestselling Four Streets trilogy, which began with **THE FOUR STREETS** and continued in **HIDE HER NAME**. Christmas morning 1963: Fifteen-year-old Kitty Doherty gives birth in a cold, unfriendly Irish convent. She knows her beautiful baby boy presents a huge danger to her family's Catholic community back in Liverpool's Four Streets. When her baby is adopted by a wealthy family in Chicago, Kitty considers the problem solved. But soon it's obvious the baby is very sick, and only his birth mother can save him. In Liverpool, a charismatic new priest has arrived. As the Dohertys cope with the tragic consequences of Kitty's pregnancy, the police seem close to solving the double murder which rocked the Four Streets to the core. But now all that is about to be put at risk once again. What people are saying about **THE BALLYMARA ROAD**: Brilliant finale to the other books, tied up all the loose ends, and a good ending. Beautifully written. I found myself really engrossed in the characters, and the author had a magical way of making you feel you were right there with them. Looking forward to the next book. Nadine Dorries writes she will definitely be on my pre-order list from now on. It's not often you get a series where each of the following books was better than the last. Highly recommended.

The Railroad Telegrapher, 1912 **Atlantic Reporter**, 1902 **The Sullivan Sisters** Kathryn Ormsbee, 2021-05-18 The once-tight bond among three sisters, ages fourteen to eighteen, disappears as each deals with a personal setback, but when a letter arrives informing the sisters of a dead uncle and an inheritance, they knew nothing about the news forces them to band together in the face of a sinister family mystery and possible murder.
