The A to Z of Fantasy Literature Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary

marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

Empress of the Endless Dream David Rain,2015-11-19 Long ago the mysterious bearers of a golden magical jewel retreated to the Lamasery of the Winds Many think the lamasery has been destroyed but the truth is stranger by far Caught between dimensions its powers persist and grow But are they powers of good or welling insidious evil Returning at last you his rightful kingdom Prince Jemany faces a final conflict in his desperate battle to reunite the sacred Crystals of the Orok and defeat his rival the anit god Toth Vexrah In an icy midwinter city ravaged by terrorism brutal murder and impending war Jem struggles for clues to his last most mysterious and most powerful prize the searing sun like crystal of the sky god Adonis Originally released under the pseudonym Tom Arden
