The Sisterhood Marcia Cohen, 2014-04-01 In this epic drama of personality and politics passion and ambition courage and betrayal Marcia Cohen tells the fascinating inside story of the feminist revolution through the lives of the women who made it and were sometimes unmade by it Focusing on Betty Friedan Gloria Steinem Germaine Greer and Kate Millett *The Sisterhood* is a revealing group portrait of the women whose ideas and actions have so profoundly transformed us all This classic account traces the women's movement from its quiet birth in the 1960s through its startling triumphs in the 1970s and its troubled legacy in the 1980s Today everything seems possible for women as they function on an equal plane with men in nearly every walk of life But the revolution was hard won Now the irreverent entertaining chronicle that reveals all the well kept secrets of feminism with a thoughtful new foreword by the author appears in a special edition that serves as a riveting social history casting light on an entire era so important for women as well as men Our Sister Beatrice Beatrice Julian Allen, Grace Grier, 1907 *The Legacy of Biblical Womanhood* Susan Hunt, Barbara Thompson, 2003-03-06 Many Christian women are floundering they are confused about what it means to be a Christian woman Churches aren't sounding a clear call to biblical womanhood much less teaching what it is On top of that precious few resources exist to help disciple women in the biblical image of womanhood In this book Susan Hunt and Barbara Thompson call women to pass on a legacy

of biblical womanhood to the next generation Part One gives a defense of biblical womanhood urging women to follow God's design Part Two applies the principles of biblical womanhood to the stages of a woman's life This includes a chapter about what it means to have a pilgrim's perspective through the final season of life on earth Part Three appeals to churches to equip women to live out and to leave the legacy of biblical womanhood and includes practical guidance for ministering to women When combined with Crossway's *Spiritual Mothering By Design* and *The True Woman* this book will breathe new life into women's ministries in the church
