Blackman,2012-03-08 A classic story of a young man's journey to adulthood The Boy of Battle Ford covers Blackman's years growing up in early post settlement Illinois where he gave in to temptations such as drinking gambling and the lure of prostitutes before joining the army finding God and becoming a preacher Blackman who notes that he is determined to write facts in this book peppers his story with the sordid details of the sinful times of his life as well as with discussions of faith and of struggling to understand his God and his beliefs *The Aftermath of Battle* Meg Groeling,2015-10-19 The stories of what happened after the shooting stopped and the process of burying bodies in the wake of Civil War carnage and chaos The clash of armies in the American Civil War left hundreds of thousands of men dead wounded or permanently damaged Skirmishes and battles could result in casualty numbers as low as one or two and as high as tens of thousands The carnage of the battlefield left a lasting impression on those who experienced or viewed it but in most cases the armies quickly moved on to meet again at another time and place When the dust settled and the living armies moved on what happened to the dead left behind Unlike battle narratives *The Aftermath of Battle* picks up the story as the battle ends The burial of the dead was an overwhelming experience for the armies or communities forced to clean up after the destruction of battle In the short term action bodies were hastily buried to avoid the stench and the horrific health concerns of massive death in the long term families struggled to reclaim loved ones and properly reinter them in established cemeteries Visitors to a battlefield often wonder what happened to the dead once the battle was over This compelling easy to read overview enhanced with extensive photos and illustrations provides a look at the aftermath of battle and the process of burying the Civil War dead *In the Line of Battle* Various,2021-12-02 GameAxis Unwired ,2008-01 GameAxis Unwired is a magazine dedicated to bring you the latest news previews reviews and events around the world and close to you Every month rain or shine our team of dedicated editors and hardcore gamers put themselves in the line of fire to bring you news previews and other things you will want to know Portraits of Battle Peter Farrugia,Evan J. Habkirk,2021-04-01 All Canadians are taught about Vimy Ridge But that celebrated victory was just one battle among many to shape the country's experience of the First World War Portraits of Battle brings together biography battle accounts and historiographical analysis to examine the lives of a cross section of Canadians who served in the war Contributors to this thoughtful collection consider the range of Canadians touched by war soldiers and their loved ones deserters nurses Indigenous people those injured in body or mind raising fundamental questions about the nature of conflict and memory These portraits of the formerly faceless men and women honoured on war memorials fill in what is often missing from accounts of the Great War In the process they provide a more nuanced perspective on the complex legacy of that war in Canadian history *In the Line of Battle: Soldiers' Stories of the War* Various,2021-05-19 In the Line of Battle Soldiers Stories of the War is a poignant anthology that compiles firsthand

accounts from combatants entrenched in the theater of war The collection weaves together a tapestry of narratives that transcend mere military history offering readers an intimate glimpse into the human experience of conflict These soldiers stories are characterized by their raw honesty and vivid imagery employing a literary style that emphasizes both the brutality of battle and the profound emotional landscapes of courage fear and camaraderie Set against the backdrop of various wars the anthology contributes to an understanding of the moral complexities faced by soldiers and the psychological scars left in the wake of warfare The contributors to this collection come from diverse backgrounds yet each was shaped by their unique circumstances reflecting the multifaceted nature of combat The editors sought to preserve these voices as a tribute to the resilience of the human spirit in adversity Their commitment to highlighting these narratives serves as a reminder of the sacrifices made by those who serve often in silence and obscurity This compelling anthology is essential reading for anyone seeking to understand the realities of war through the eyes of those who have lived it Scholars veterans and casual readers alike will find value in these harrowing accounts that humanize the often glorified notion of soldiering making it a vital addition to the canon of war literature
