He is riding a dark horse and looking back over his shoulder. The background shows a vast, arid landscape with low hills under a sky with large, white clouds.

Six Years with the Texas Rangers, 1875-1881 James B. Gillett, 1976 [Six Years With the Texas Rangers](#) James B. Gillett, 2016-09-07 Excerpt from Six Years With the Texas Rangers 1875 to 1881 To write a true and complete history of the Texas Rangers as a state organization would require much time and an able historian I am not a historian and could not undertake such an exhaustive treatise which would fill several volumes the size of this and it is only at the earnest solicitation of my children frontier friends and old comrades that I have undertaken to write a short history of the rangers during the years I served with them This little volume then has only the modest aim of picturing the life of the Texas Rangers during the years 1875 1881 I cannot at this late date recount in detail all the scouts that were made while I was in the service I have therefore confined myself principally to the description of those in which I was a participant Naturally I remember those the best About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Texas Rangers Mike Cox, 2024-05-01 A lively enlightening history of one of the oldest most esteemed law enforcement agencies in America Booklist Starting in 1821 with just a handful of men the Rangers first purpose was to keep settlers safe from the feared and gruesome Karankawa Indians a cannibalistic tribe that wandered the Texas territory As the influx of settlers grew the attacks increased and it became clear that a much larger better trained force was necessary From their tumultuous beginning to their decades of fighting outlaws Comanche Mexican soldados and banditos as well as Union soldiers the Texas Rangers became one of the fiercest law enforcement groups in America In a land as spread out and sparsely populated as the west itself the Rangers had unique law enforcement responsibilities and challenges The story of the Texas Rangers is as controversial as it is heroic Often accused of vigilante style racism and murder they enforced the law with a heavy hand But above all they were perhaps the defining force for the stabilization and the creation of Texas From Stephen Austin in the early days through the Civil War the first eighty years of the Texas Rangers is nothing less than phenomenal setting the foundation for the Texas Rangers that keep Texas safe today Richly detailed This modern masterpiece does full justice to both the reality and the myth of the Texas Rangers a great organization of which I was honored to be a part for 27 years Joaquin Jackson Texas Ranger Ret author of One Ranger A Memoir
