Sketches Of American Wildlife:

Sketches of American Wildlife Stanley P. Young, 2013-10 This is a new release of the original 1946 edition

Sketches of American Wildlife Stanley Paul Young, 1946 *Drawing America's Wildlife* Doug Lindstrand, 1998

American Wildlife Art David J. Wagner, 2008 *Biographical Sketches of American Artists* Michigan State

Library, 1912 **Wildlife Abstracts** , 1957 Resource Publication (United States. Bureau of Sport Fisheries and Wildlife)

, 1973 *The American West in Bronze, 1850-1925* Thayer Tolles, Thomas B. Smith, 2013-01-14 The American West in Bronze 1850 1925 is the first full scale exhibition to explore the aesthetic and cultural impulses behind the creation of statuettes with American western themes which have been so popular with audiences then and now Both the exhibition and this accompanying catalogue offer a fresh look at the multifaceted roles played by these sculptors in creating three dimensional interpretations of western life whether based on historical fact mythologized fiction or most often something in between Examples by such archetypal representatives of the West as Frederic Remington and Charles M Russell are complemented by the work of sculptors such as James Earle Fraser and Paul Manship who contributed to the popularity of the American bronze statuette even though their western subjects were less frequent Publisher s description Wildlife in American Art National Museum of Wildlife Art, Adam Duncan Harris, 2009 For more than two decades the National Museum of Wildlife Art in Jackson Wyoming has honored and sustained the tradition of wildlife in American art by assembling the most comprehensive collection of paintings and sculptures portraying North American wildlife in the world Wildlife in American Art presents for the first time a generous sampling of the museum s holdings charts the history of this enduring theme in American art and explores the evolving relationship between Americans and the natural resources of this continent

Theodore Roosevelt and the Art of American Power William R. Nester, 2019-02-28 Theodore Roosevelt is an American icon his face carved in granite alongside those of Washington Jefferson and Lincoln on Mt Rushmore He is the only American awarded both the Medal of Honor and Nobel Peace Prize As president he pushed through a stubborn Congress to breakup corporate monopolies strangling the economy impose health standards on the food and drug industries and conserve America s natural heritage including the Grand Canyon and Redwood forest He was a brilliant diplomat who ended a war between Japan and Russia and prevented a war between Germany and France He engineered independence for the province of Panama from Columbia then signed a treaty with the new country that entitled the United States to build run and defend a Panama canal He crusaded for progressive reforms as a New York assemblyman U S civil service commissioner New York City police commissioner and New York governor He led scientific expeditions across East Africa s savanna and Brazil s rainforest During the war with Spain he raised a cavalry regiment and led his Rough Riders to a decisive victory at San Juan Heights As a Dakota rancher during the frontier s twilight he squared off with outlaws and renegade Indians He was a prolific writer authoring 38 books and hundreds of essays Roosevelt was among the most charismatic presidents Yet although

most Americans adored him most Wall Street moguls and political bosses hated him for his reforms He was complex simultaneously peacemaker and warmonger progressive and conservative Machiavellian and Kantian avid hunter and nature lover Roosevelt accomplished all that he did because he mastered the art of American power His motto speak softly and carry a big stick exemplified how he asserted power to defend or enhance American interests Time after time he bested such titans as J P Morgan or Kaiser Wilhelm at the game of power Although he is the subject of dozens of books this is the first to comprehensively explore just how Roosevelt understood massed and wielded power to pursue his vision for an America as the world's most prosperous just and influential nation
