

SLAMMING TAR

A NOVEL

Cecil Foster

Slammin Tar

AW Chickering

Slammin Tar:

What's a Black Critic to Do? Donna Bailey Nurse, 2009 This collection of profiles interviews essays and reviews on such well known writers as Ken Burns Dionne Brand Austin Clarke and Edwidge Danticat constitutes a frank conversation on the significance of race in the work of contemporary Black artists *Black Like Who?* Rinaldo Walcott, 2003 Rinaldo Walcott's groundbreaking study of black culture in Canada *Black Like Who* caused such an uproar upon its publication in 1997 that Insomniac Press has decided to publish a second revised edition of this perennial best seller With its incisive readings of hip hop film literature social unrest sports music and the electronic media Walcott's book not only assesses the role of black Canadians in defining Canada it also argues strenuously against any notion of an essentialist Canadian blackness As erudite on the issue of American super critic Henry Louis Gates blindness to black Canadian realities as he is on the rap of the Dream Warriors and Maestro Fresh Wes Walcott's essays are thought provoking and always controversial in the best sense of the word They have added and continue to add immeasurably to public debate **Cultural Grammars of Nation,**

Diaspora, and Indigeneity in Canada Christine Kim, Sophie McCall, Melina Baum Singer, 2012-05-09 *Cultural Grammars of Nation Diaspora and Indigeneity in Canada* considers how the terms of critical debate in literary and cultural studies in Canada have shifted with respect to race nation and difference In asking how Indigenous and diasporic interventions have remapped these debates the contributors argue that a new cultural grammar is at work and attempt to sketch out some of the ways it operates The essays reference pivotal moments in Canadian literary and cultural history and speak to ongoing debates about Canadian nationalism postcolonialism migrancy and transnationalism Topics covered include the Asian race riots in Vancouver in 1907 the cultural memory of internment and dispersal of Japanese Canadians in the 1940s the politics of migrant labour and the domestic labour scheme in the 1960s and the trial of Robert Pickton in Vancouver in 2007 The contributors are particularly interested in how diaspora and indigeneity continue to contribute to this critical reconfiguration and in how conversations about diaspora and indigeneity in the Canadian context have themselves been transformed *Cultural Grammars* is an attempt to address both the interconnections and the schisms between these multiply fractured critical terms as well as the larger conceptual shifts that have occurred in response to national and postnational arguments

Floating the Borders Nurjehan Aziz, 1999 *Literary Criticism Multicultural Studies* In the past three decades Canadian writers of a diversity of backgrounds have challenged the traditional understanding of the term Canadian Literature its conventions and its boundaries Critics of a similar diversity have come together in this volume to provide the contexts for some of the best new Canadian writing being done today Rohinton Mistry Cyril Dabydeen Dionne Brand Cecil Foster M G Vassanji Shani Mootoo Josef Skvorecky Neil Bissoondath Rienzi Crusz Lawrence Hill Andre Alexis Pier de Giorgio Cicco Mary di Michele Fred Wah Evelyn Lau and others are included The end of this volume contains incisive reviews of books

Odysseys Home George Elliott Clarke, 2017-06-22 *Odysseys Home Mapping African Canadian Literature* is a pioneering

study of African Canadian literary creativity laying the groundwork for future scholarly work in the field Based on extensive excavations of archives and texts this challenging passage through twelve essays presents a history of the literature and examines its debt to and synthesis with oral cultures George Elliott Clarke identifies African Canadian literature's distinguishing characteristics argues for its relevance to both African Diasporic Black and Canadian Studies and critiques several of its key creators and texts Scholarly and sophisticated the survey cites and interprets the works of several major African Canadian writers including Andr Alexis Dionne Brand Austin Clarke Claire Harris and M Nourbese Philip In so doing Clarke demonstrates that African Canadian writers and critics explore the tensions that exist between notions of universalism and black nationalism liberalism and conservatism These tensions are revealed in the literature in what Clarke argues to be paradoxically uniquely Canadian and proudly apart from a mainstream national identity Clarke has unearthed vital but previously unconsidered authors and charted the relationship between African Canadian literature and that of Africa African America and the Caribbean In addition to the essays Clarke has assembled a seminal and expansive bibliography of texts literature and criticism from both English and French Canada This important resource will inevitably challenge and change future academic consideration of African Canadian literature and its place in the international literary map of the African Diaspora

Awaken the Mind Sean Liburd, 2008-05-08 These words are the thoughts and offerings inspired by a man's communication and interaction with his community A Listener's voice reflecting the challenges encountered on the journey of self knowledge A fiery truth that beckons to all African people to celebrate their ancestry while continuing the tradition of building upon the foundation for the benefit of unborn generations Awaken the Mind Communion with Sean Liburd the Sharing of Thoughts and Emotions an Intimate Communication Between a People is a revealing collection of experiences and lessons that stimulate critical thinking

The Black Atlantic Reconsidered Winfried Siemerling, 2015-05-01 A survey of English and French black Canadian writing and its transnational connections from the eighteenth century to the present

Blackness and Modernity Cecil Foster, 2007-05-28 In Blackness and Modernity Foster traces the main philosophical anthropological sociological and mythological arguments that support views of modernity as a failed quest for whiteness He outlines how these views were implemented as part of a world history and shows how Canada became the first country to officially reject this approach by adopting multiculturalism

Why We Write H. Nigel Thomas, 2006 In this volume African Canadian novelists and poets discuss the complexities of the writing experience Most of the writers interviewed here are humanists i.e. they see their work as serious depictions of the human condition admit that their works are informed by an African Canadian ontology and adhere to the notion that their books must delight and instruct These interviews therefore are valuable additions to the creative process of the individual writers Apart from identifying how the writers geographical and social origins have influenced their work the questions deliberately avoid autobiography Instead these writers respond to the exigencies of craft the manipulations of publishers the criticism of readers and the absence of a clearly identifiable market

for their works Interviewed in this volume Ayanna Black Austin Clarke George Elliott Clarke Wayde Compton Afua Cooper Bernadette Dyer Cecil Foster Claire Harris Lawrence Hill Nalo Hopkinson Suzette Mayr Pamela Mordecai M NourbeSe Philip Althea Prince Robert Sandiford *Multiple Lenses* David Divine, 2009-03-26 Black Canadian Studies is the exploration of the range of histories experiences contributions perceptions feelings convictions triumphs and obstacles awaiting to be overcome of identified Black people of African descent resident in Canada Black Canadian Studies revolves around the agency of Black people as the subject of investigation Their stories their interpretations their pride their independence their self determination their challenges their triumphs their shortfalls and sense of freedom and justice are at the forefront of investigation Multiple Lenses Voices from the Diaspora Located in Canada is an essential introduction to an understanding of the experience of Black people in Canada over a four hundred year period Through the lenses of history law literature film music Black community organizations media sports Black spirituality party politics labour markets education and lived experience renowned commentators explore through Canadian eyes how Black people in Canada have identified themselves and been identified over this period What factors influenced that process Black people in Canada are not part of imagined communities but real people with visceral connections flesh and blood striving to build lives under often unimaginable hardships This book is dedicated to such Black people and their allies who together have fashioned meaning and hope in an often hostile environment
