The Art of the Storyteller Marie Shedlock, 2016-12-02 Miss Shedlock has put together in this little book such observations and suggestions on story telling as can be put in words Those who have the artist s spirit will find their sense of values quickened by her words and they will be led to escape some of the errors into which even the greatest artists fall To those who know the book is a revelation of the intimate relation between a child s instincts and the finished art of dramatic presentation To those who do not know it will bring echoes of reality from the Preface This classic is now republished for modern writers and storytellers to perfect their craft The goal is riveted readers that want to buy your next book and the one after The degree you can tell a story and breathe life into its characters will measure your success as a storyteller and so an author Get Your Copy Now *The Return of the Storyteller in Contemporary Fiction* Areti Dragas, 2014-08-31 Focusing on the figure of the storyteller this study breaks new ground in the approach to reading contemporary literature by identifying a growing interest in storytelling For the last thirty years contemporary fiction has been influenced by theoretical discourses textuality and writing Only since the rise of postcolonialism have academic critics been more overtly interested in stories where high theory frameworks are less applicable However as we move through various contemporary contexts engaging with postcolonial identities and hybridity to narratives of disability and evolutionary accounts of group and individual survival a common feature of all is the centrality of story which posits both the idea of survival and the passing on of traditions The Return of the Storyteller in Contemporary Fiction closely examines this preoccupation with story and storytelling through a close reading of six contemporary international novelists that are either about actual storytellers or engage with the figure of the storyteller revealing how death of the author has given birth to the storyteller **The Storyteller's Sourcebook**

Margaret Read MacDonald, Brian W. Sturm, 2001 The first edition provides descriptions of folktales and references to more than 700 published sources of folktales The new edition covers folktales from 1983 1999 Both editions include thorough indexing by subject motif title ethnic group and country of origin and a comprehensive bibliography **The Art of the**

Story-teller Marie L. Shedlock, 1951-01-01 A master storyteller shows storytelling as a literary form of communication teaches how to tell stories and get effects and lists selected stories **Malice Hates Fairy Tales #3** Lotus Rose, 2016-01-05

Malice has to save her friends from the fairy tale parasites infesting their souls They have each been combined with the fairy tale that bit them This has caused them to become hybrids the Mad Hatter for instance is now half Cinderella To drive the fairy tale portion out Malice has to drive a stake through their hearts So ironically to save them Malice essentially has to fight and kill her friends the Mad Hatter Tweedle twins Humpty and the Knight Hopefully afterwards Wonderland will finally get back to how it was before the twisted fairy tales came around Malice in Wonderland Saga Malice in Wonderland Prequel
