Sleeping Car To Trieste:

Night Trains Andrew Martin, 2017-02-09 Night trains have long fascinated us with the possibilities of their private sleeping compartments gilded dining cars champagne bars and wealthy travellers Authors from Agatha Christie to Graham Greene have used night trains to tell tales of romance intrigue and decadence against a rolling background of dramatic landscapes The reality could often be as thrilling early British travellers on the Orient Express were advised to carry a revolver as well as a teapot In *Night Trains* Andrew Martin attempts to relive the golden age of the great European sleeper trains by using their modern day equivalents This is no simple matter The night trains have fallen on hard times and the services are disappearing one by one But if the Orient Express experience can only be recreated by taking three separate sleepers the intriguing characters and exotic atmospheres have survived Whether the backdrop is 3am at a Turkish customs post the sun rising over the Riviera or the constant twilight of a Norwegian summer night Martin rediscovers the pleasures of a continent connected by rail By tracing the history of the sleeper trains he reveals much of the recent history of Europe itself The original sleepers helped break down national barriers and unify the continent Martin uncovers modern instances of European unity and otherwise as he traverses the continent during interesting times with Brexit looming Against this tumultuous backdrop he experiences his own smaller dramas as he fails to find crucial connecting stations ponders the mystery of the compartment dog and becomes embroiled in his very own night train whodunit *Last Call for the Dining Car* Michael Kerr, 2011-08-15 Ever since Paul Theroux embarked in London on the first train of his Great Railway Bazaar railways have been a rich source for the best travel writing This is truer than ever in the twenty first century As the environmental implications of relentless air travel cast an ominous shadow over the prospect of foreign adventure the opportunity to jump on a train at St Pancras and be whisked straight to the continent offers a wonderful alternative Train travel has assumed a new pragmatic importance as well as romance which is no doubt why so many more tour companies are offering a great train ride as part of their holiday itineraries Now Michael Kerr the Telegraph's deputy Travel Editor has burrowed deep in the newspaper's archives and collected together the very best of its writings about the railway here are journeys non stop from London to Vladivostok across the Canadian Rockies the first train to traverse Australia from Darwin to Alice Springs and on the teeming crawling travelling adventure of Indian railways In scenes much more familiar to the British commuter Boris Johnson discovers his inner McEnroe thanks to signal failure in the Midlands and Michael Palin samples the delights of British Rail Inter City This is an anthology that will appeal to the railway buff and the armchair traveller alike to anyone who has ever Inter railed in their youth and everyone nostalgic for the days when the only way to cross a continent was by train **Shifting Horizons and Crossing Borders**, 2024-07-29 The book captures key moments in the critical and creative dialogue of literary scholars poets and artists with poet author documentary film maker and literary scholar Stephanos Stephanides Employing a polyphonic and cross disciplinary perspective the twenty three essays

and creative pieces flow together in cycles of continuities and discontinuities emulating Stephanides's fluid and transgressive universe. Drawing on the broad topic of borders and crossings, *Shifting Horizons and Crossing Borders* offers critical material on themes such as space and place, dislocation and migration, journeys and bridges, movement and fluidity, the aesthetics and the politics of the sea, time, nostalgia and trans-cultural memory, identity and poetics, translation and translatability, home and homecoming. An invaluable reference for anyone interested in the crosscurrents between the poetic, the cultural and the political.

Disney's British Gentleman Nathan Morley, 2021-04-30 A wonderful account of a life filled with far more ups and downs than its subject's languid demeanour ever suggested. Miles Jupp. Even if the name doesn't ring a bell, you'd recognise David Tomlinson's face. Genial and continually perplexed, he was Mr Banks in *Mary Poppins*, Professor Browne in *Bedknobs and Broomsticks* and Peter Thorndyke in *The Love Bug*. To many, he's the epitome of post-war British comedy. But at times, his life was more tragedy than comedy. A distinguished RAF pilot in the Second World War, his first marriage was to end in horrific tragedy, and his next romance ended with his lover marrying the founder of the American Nazi Party. He did find love and security in his second marriage, but drama still played its part in his life, from the uncovering of an earthshattering family secret to the fight for an autism diagnosis for his son, up against the titans of the British medical establishment. Tomlinson may have died over twenty years ago, but his star continues to shine. In *Disney's British Gentleman*, Nathan Morley reveals the remarkable story of one of Disney's most beloved icons for the very first time.

A City in Search of an Author Katia Pizzi, 2002-02-01 Poised between the Mediterranean and the Mitteleuropa crossroads of civilizations and seat of vibrant cultural and literary life, Trieste is now acknowledged as enjoying unrivalled cultural status amongst Italian cities. This volume, the first comprehensive study of Triestine literature in English, originally reassesses Trieste's literary identity, paying particular attention to the period between 1918 and 1954 when local writing became intensely aware of its local specificity.

and some of its central motifs came prominently to the fore Trieste's singular border identity mirrored in a variegated literary output emerges here as laden with complexities and ambiguities such as the controversial notion of triestinità the ambiguous relation with nationalism specifically in its Fascist inflection and the anxieties generated by repeated redefinitions of the area's historical borders **The Four-track News** ,1903
