Hamilton, 2008-10-08 The Reality Dysfunction is a modern classic of science fiction from Peter F Hamilton an extraordinary feat of storytelling on a truly epic scale A space opera that is big boisterous and has something for everyone Science Fiction Weekly Space is not the only void In AD 2600 the human race is finally beginning to realize its full potential Hundreds of colonized planets scattered across the galaxy host a multitude of prosperous and wildly diverse cultures Genetic engineering has pushed evolution far beyond nature s boundaries defeating disease and producing extraordinary spaceborn creatures Huge fleets of sentient trader starships thrive on the wealth created by the industrialization of entire star systems And throughout inhabited space the Confederation Navy keeps the peace A true golden age is within our grasp But on a primitive colony planet a renegade criminal s chance encounter with an utterly alien entity unleashes the most primal of humanity s fears An extinct race which inhabited the galaxy aeons ago called it The Reality Dysfunction It is the nightmare which has prowled beside us since the beginning of history The Night s Dawn Trilogy The Reality Dysfunction The Neutronium Alchemist The Naked Go *Let Sleeping Dogs Lie* John Lockrey, 2000-12 Jack Patrick has been living peacefully in Jamaica for eight years all that time keeping a dangerous secret that has already seen lives lost Now that secret is about to explode and he must try and defeat the most powerful and evil organization the world has ever known with a handful of trusted friends The action never stops as the Caribbean erupts with the world s future hanging in the balance Survival Karen O'Donnell, 2024-10-30 Trauma theology remains a rapidly growing field considering as it does the impact that embodied experiences of trauma have on theological discourse In this book leading trauma theologian Karen O'Donnell turns her attention to the impact that trauma has on spiritual practice and

Sleeping Dogs S. A. Baker, 2024-10-22 In the heart of Winterbourne where the whispers of the past echo through the streets a chilling discovery awaits Danny and his loyal dog Jack stumble upon a grim secret hidden within the tall grass of Millar's field The body of a young boy Billy Anglin lies there a silent witness to a horror that has haunted the town for decades Danny a ward of the foster system knows all too well the harshness of the world Yet in the midst of his own struggles he finds himself at the centre of a mystery that defies comprehension With each passing decade a child is taken their life snuffed out by a force that remains elusive The townsfolk whisper of a creature something hungry that stalks the night leaving a trail of terror in its wake Detective Floyd Guthrie an adult friend to Danny is a beacon of hope in the boy's tumultuous life Guthrie is a reluctant mentor drawn into the darkness that surrounds Danny Together they navigate the treacherous waters of Winterbourne where the line between predator and prey blurs As the investigation deepens the bond between Danny and Guthrie strengthens a fragile alliance against the encroaching shadows But the truth is a slippery thing and as they delve into the murky history of the town they uncover a ritual as old as Winterbourne itself A ritual that demands the blood of the innocent a sacrifice to a hunger that can never be sated Sleeping Dogs is a tale of loss resilience and the unyielding quest for justice It is a story of a boy and his dog a detective and his duty and a community haunted by a past that refuses to stay buried In the end will Danny and Guthrie find the strength to confront the darkness or will they become its next victims

The Pleasure of God J. Ellsworth Kalas, 2016-01-28 How can anything be ordinary if we find the glory of God there Whatever might be said of life's most thrilling or transformative moments most of our time is spent in ordinary things We spend a third of our lives sleeping In our adult lives perhaps a quarter to a third of each week is spent at work And then there's more of the common stuff eating waiting in line bathing getting dressed and watching TV So it is that our seventy eighty or ninety years go by in common ways and we have no idea where they've gone Is there glory in any of this Where is the abundant life of which Jesus spoke In this inspiring new work J Ellsworth Kalas says that the glory is found not just in the ecstasy of love or victory but in all of life whether ecstatic or ordinary Kalas believes it is possible to live with such joy and gladness of hearts that we find our ordinary lives graced by the pleasure of God He offers a guide to spiritual contentment in the midst of busy lives showing us the meaning in those seemingly small aspects of every day
