Social History Hc:

Health and Society in Twentieth Century Britain Helen Jones, 2014-01-14 Few things tell us more of a nation's general well being than the development of the life expectancy of its citizens the rising standards of health that they come to demand and how evenly that improvement is shared throughout society Helen Jones examines the record of twentieth century Britain in these respects She has much heartening progress to record yet stark inequalities remain Her book is thus both a review of and contribution to the current debates over gender class and ethnic inequalities in standards of health in Britain today
