Social Learning Practice In Residential Child Care:

Social Learning Practice in Residential Child Care Barrie Brown, Marilyn Christie, 2014-05-20 Social Learning Practice in Residential Child Care aims to identify the theoretical and methodological basis for social learning practice to describe examples of the practical applications of the social learning model and to consider some of the issues and problems in implementing these practices with children in care Organized into 10 chapters this book first discusses the social learning practice including its model environment and basic principles Subsequent chapters focus on observing and recording behavior a social learning approach to assessment an example of assessment practice methods and reinforcers A case study example of social learning practice in a group setting is then shown The last chapters explain extending a social learning program to the family and preparing and supporting staff using social learning practices **Disruptive Pupil**

Management Delwyn Tattum, 2022-05-29 First published in 1986 Disruptive Pupil Management presents a comprehensive overview of the disruptive behaviour in schools in the light of the Elton Report The emphasis of this book is that a preventative approach to the problem is a more valid response than this crisis management approach which results in pupils being sent to special units The book therefore stresses the importance of schools managing their own techniques and interpersonal skills rather than schools importing solutions This book is a must read for all educationists teachers and researchers of primary and secondary education National Library of Medicine Current Catalog National Library of Medicine (U.S.), *Current Catalog* National Library of Medicine (U.S.), First multi year cumulation covers six years 1965

70 Social Work with Children and Families Martin Brett Davies, 2012-03-20 Social workers are constantly making decisions under pressure How do policy law research and theory influence what they do This important book provides the answers with a crystal clear map of the field of social work with children and families Focused on four major themes family support work child protection adoption and fostering and residential child care and reveals in detail all the challenges that social workers face every day Edited by the highly respected Martin Davies this authoritative and illuminating book argues that the skill of the social worker can have life enhancing consequences for some of the most vulnerable people in society It is an essential investment for students educators and practitioners alike Residential and Boarding Education and Care for Young People

Ewan W. Anderson, 2005 Based on the latest research and reflecting the national drive towards evidence based standards this book offers a model which can be readily applied to training assessment of standards inspections and research and development Boys' Stories of Their Time in a Residential School

Mark Smith, 2022-09-09 This book provides rich insights into the pre and post care experiences of boys who were pupils in a residential school where the author worked over the course of the 1980s It describes the boys trajectories through life as well as detailing the rhythms rituals routines and relationships that existed in the school While the focus is on the former boys experiences these are augmented by interview material from staff members including religious Brothers who worked in the school Together these different perspectives

provide unique insights into an area of social work history that is ill served by existing accounts making the book required reading for all scholars and students of social work social and oral history narrative sociology criminology and desistance and social policy

Pain, Normality, and the Struggle for Congruence James P Anglin, 2014-02-25 Learn what children living in group homes need most Pain Normality and the Struggle for Congruence Reinterpreting Residential Care for Children and Youth presents the results of a 14 month study of 10 staffed group homes in British Columbia The book uses grounded theory to construct a theoretical model that speaks to the primary challenge care workers face each day responding to pain and pain based behavior in residents It combines participant observations transcribed interviews and document analysis to develop a core theme of congruence several major psychosocial processes and 11 interactional dynamics identified as being fundamental to group home life The study brings to light several neglected aspects of residential care and proposes new directions in policy development education practice and research to create an integrated and accessible framework for understanding group home life for youths Pain Normality and the Struggle for Congruence Reinterpreting Residential Care for Children and Youth is a full and rigorous examination of the theoretical and empirical underpinnings of residential group care The study conducted during a time of heightened sensitivity to the rights of children and increased emphasis on accountability and outcome measurement reveals a core theme of congruence focusing on consistency reciprocity and coherence The book examines the major elements of this theme including creating an extra familial living environment developing a sense of normality listening and responding with respect establishing a structure routine and expectations offering emotional and developmental support respecting personal space and time discovering potential communicating a framework for understanding and much more Pain Normality and the Struggle for Congruence Reinterpreting Residential Care for Children and Youth provides professionals concerned with the development and treatment of children and young people with a unique understanding of group home life and work From the Foreword by Dr Barney Glaser I am honored and delighted to be asked by Jim Anglin to write the foreword to this grounded theory text The purpose of this grounded theory is to construct a theoretical framework that would explain and account for well functioning staffed group homes for young people that in turn could serve as a basis for improved practice policy development education and training research and evaluation THE READER WILL SEE THAT ANGLIN HAS ACHIEVED HIS GOAL WITH ADMIRABLE SUCCESS HIS GROUNDED THEORY TRULY MAKES A SCHOLARLY CONTRIBUTION TO THE LITERATURE

Social Work in a Changing Scotland Vivienne E. Cree, Mark Smith, 2018-02-12 Scotland has changed politically and culturally in recent years with persistent demands for independence culminating in a referendum in 2014 On this fluid political landscape social welfare can be co opted towards a wider nation building project As a result social work in Scotland is increasingly divergent from the rest of the UK This book offers a comprehensive critical and timely account of the profession in these changing times charting its historical development current practice and future directions Bringing together a range of academic and

practice experts it considers social work as it is currently but also as it might be Divided into three parts the first part sets a context identifying historical philosophical policy and legal influences on current practice The second part picks up on current themes in policy and practice addressing key issues of professional identity in an increasingly integrated policy context The final part contains chapters on current domains of practice identifying key areas of legislation policy and practice Social Work in a Changing Scotland is essential reading for social work students offering an accessible yet critical overview of the profession It will also inform current practitioners to understand better the changing contexts within which they practise while prompting further academic debate about Scottish social work

Child Maltreatment in Residential Care

Adrian V. Rus, Sheri R. Parris, Ecaterina Stativa, 2017-08-11 This data rich volume reviews short and long term consequences of residential or institutional care for children across the globe as well as approaches to reducing maltreatment Up to date findings from a wide range of developing and developed countries identify forms of abuse and neglect associated with institutionalization and their effects on development and pathology in younger children adolescents and alumni The sections on intervention strategies highlight the often conflicting objectives facing professionals and policymakers balancing the interests of children families and facilities But despite many national and regional variations two themes stand out the universal right of children to live in safety and the ongoing need for professionals and community to ensure this safety Included among the topics Maltreatment and living conditions in long term residential institutions for children Outcomes from institutional rearing Recommendations to improve institutional living Historical political socio economic and cultural influences on Child Welfare Systems Latin American and the Caribbean African Asian Middle Eastern Western and Eastern European countries and the United States of America are presented Child Maltreatment in Residential Care will inform psychology professionals interested in the role of residential care in the lives of children and possibilities for improved outcomes It will also interest social workers and mental health practitioners and researchers seeking evidence based interventions for families adopting children from residential care

Cognitive-behavioural Social Work in Practice

Katy Cigno, Diana Bourn, 2017-07-05 Cognitive Behavioural Social Work in Practice appears at an interesting time for social work and social services More than ever practitioners are required to provide evidence for the effectiveness of what they do while the rights of service users to ethically competent practice in which they are partners is high on the agenda Drawing on a wide area of research as well as the practice experience of its 18 contributors it covers a broad range of cognitive behavioural intervention with different client groups in a variety of settings including child care family work probation and offending behaviour mental health disability and issues concerning older people The first chapter sets out lucidly the theoretical and research basis for cognitive behavioural practice and is rich in case examples Each subsequent chapter adopts a case study approach to its subject either by providing a single case study or by the detailed exploration of an area of practice combined with case examples The volume is unique in not only bringing together practitioners and academics but in

presenting the work of the academic reflective practitioner It is thus an accessible informative guide for professionals students and educators who with all their working pressures and constraints strive to provide help based on best evidence

Another Kind of Home Angus Skinner, Social Work Services Inspectorate for Scotland, 1992 This report provides a strategic overview of the issues confronting residential child care services and at the same time addresses some basic issues that affect the experience and quality of daily life of young people in residential care The focus of the review has been the 154 homes and schools in Scotland which are either run by or registered with a local authority social work department and provide care for the purposes of the Social Work Scotland Act 1968 The emphasis throughout the report is on the young people's personal experience of their public service with its immediate and long term effects on individuals' lives
