Social Policy In Transition Anglogerman Perspectives In The New European Community:

Social Policy in Transition John Ferris, Robert M. Page, 1994 *Ibss: Political Science: 1994* British Library of Political and Economic Science at the London School of Economics, 1995-12-08 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences *Social Insurance in Europe* Jochen Clasen, 1997 This comprehensive study into one of the central aspects of most welfare states provides a systematic and comparative analysis of social insurance regimes in 10 European countries with very different traditions of welfare **Citizenship** Ruth Lister, 2003-09 The second edition of this classic text substantially revises and extends the original takes account of theoretical and policy developments and enhances its international scope Drawing on a range of disciplines and literatures the book provides an unusually broad account of citizenship It recasts traditional thinking about the concept and pinpoints important theoretical issues and their political and policy implications for women Themes of inclusion and exclusion at national and international levels rights and participation inequality and difference are thus all brought to the fore in the development of a woman friendly gender inclusive theory and praxis of citizenship Wide ranging stimulating and accessible this is a ground breaking book that provides new insights for both theory and policy **Social Policy in Germany** Jochen Clasen, Richard Freeman (Professor of Social Science and Public Policy), 1994 Describes the political economic ideological and historical context of social policy in Germany followed by the five main areas of social science delivery and a discussion of the relationship between social policy and the major social divisions of race and gender *Social Justice, Legitimacy and the Welfare State* Benjamin Veghte, 2016-12-05 Drawing together leading international experts such as Knut Halvorsen Robert Y Shapiro Stefan Svallfors and Wim van Oorschot this volume addresses issues of justice and legitimacy in the context of welfare state transformation The contributors demonstrate that the Western welfare state is not at risk of losing support or encountering fundamental opposition but does face serious challenges including growing social and ethnic diversity new social risks fiscal constraints and contested notions of justice The volume focuses on four main aspects attitude formation in cross national perspective the just distribution of burdens and benefits political factors mediating the effects of social attitudes on public policy and challenges to the welfare state stemming from immigration and ethnic diversity Providing a comparative perspective on the issue *Social Justice Legitimacy and the Welfare State* makes a significant contribution to the literature on the public standing of the welfare state Trading Time Lee Gregory, 2016-06-01 Welfare reform in the wake of austerity has fostered increased interest in self help initiatives within the community sector Amongst these time banking one of a number of complementary currency systems has received increasing attention from policy makers as a means for promoting welfare reform This book is the first to look at the concept of time within social policy to examine time banking theory and practice By drawing on the social theory of time to examine the tension between time bank values and those of policy makers

it argues that time banking is a constructive means of promoting social change but is hindered by its co option into neo liberal thinking This book will be valuable for academics researchers with an interest in community based initiatives the third voluntary sectors and theoretical analysis of social policy and political ideologies **Promoting Income Security as a Right** Guy Standing,2005-03-01 This book is about an idea that has a long and distinguished pedigree the idea of a right to a basic income This means having a modest income guaranteed a right without conditions just as every citizen should have the right to clean water fresh air and a good education *The Moral Economy of Welfare States* Steffen Mau,2004-06-01 This book investigates why people are willing to support an institutional arrangement that realises large scale redistribution of wealth between social groups of society Steffen Mau introduces the concept of the moral economy to show that acceptance of welfare exchanges rests on moral assumptions and ideas of social justice people adhere to Analysing both the institution of welfare and the public attitudes towards such schemes the book demonstrates that people are neither selfish nor altruistic rather they tend to reason reciprocally *Social Service Abstracts* ,1994 **Current Sociology** ,1952 Includes bibliographies **Bibliographie Internationale de Science Politique** ,1994 *The British National Bibliography* Arthur James Wells,2009 **Social Security Journal** ,1995 **The Oxford Handbook of Lifelong Learning** Manuel London,2011-03-11 The Oxford Handbook of Lifelong Learning is a comprehensive and interdisciplinary examination of the theory and practice of lifelong learning encompassing perspectives from human resources development adult learning psychology career and vocational learning management and executive development cultural anthropology the humanities and gerontology *Individual Contracts and Workplace Relations* Andrew Duncan Frazer,Ronald Clive McCallum,Paul Ronfeldt,1997 *The Political Economy of the European Social Model* Philip B. Whyman,Mark J. Baimbridge,Andrew Mullen,2012-05-31 This book seeks to analyse the development of the European Union EU which was founded upon the principle of the free movement of capital goods services and people in 1957 Its central thesis is that from a practical and theoretical point of view such a basis is fundamentally at odds with the creation of an interventionist regime that the construction of a social Europe would require The authors argue convincingly that economically the EU does not currently possess the budget or the economic tools to pursue such a strategy politically close to none of the institutions of the EU have backed such a policy practically conservative and neo liberal forces among member states and the institutions of the EU have repeatedly thwarted any moves in this direction In reality the Single Internal Market Economic and Monetary Union enlargement the Lisbon Agenda and European Constitution projects all prioritise supply side measures and expanding the scope of the market rather than the boosting of demand and other economic intervention Consequently constructing a social Europe in the face of this would appear problematic Hence in both theory and practice the idea that there can be a social Europe vis vis neoliberalisation is a contradiction in terms This controversial book will be an educating and refreshing read for advanced students and academics involved with European politics the European Union European Economics and

Economic institutions **Handbook on In-Work Poverty** Henning Lohmann,Ive Marx,2018-01-26 There has been a rapid global expansion of academic and policy attention focusing on in work poverty acknowledging that across the world a large number of the poor are working poor Taking a global and multi disciplinary perspective this Handbook provides a comprehensive overview of current research at the intersection between work and poverty **Third Sector Policy at the Crossroads** Helmut K. Anheier,Jeremy Kendall,2012-10-02 The nonprofit sector occupies an ever more central role in economic and social policies from the redesign of welfare system in the U S or UK to fostering democracy in Central and Eastern Europe At the same time non profit organizations face increased public scrutiny and calls for more efficiency and greater accountability Against this background this revealing book explore keys policy issues such as Is the nonprofit sector in crisis What are the common themes and patterns in current policy debates concerning the future of the nonprofit sector What policy models are being discussed and what are their implications How can nonprofit organizations negotiate a course between commercialization and tighter government regulation As this sector is confronted with often conflicting demands of new public management tight budgeting and greater competition it arrives at a crucial crossroad in its development Through the detailed investigations presented in this key book postgraduate students of business and politics can fully explore this significant sector and analyze it s position in today s society **Health Care Reform Around the World** Andrew Twaddle,2002-06-30 Health care reforms around the world from Europe and North America to Africa Latin America and Asia seem to all be market oriented reforms driven by international business interests and right wing political parties There seems to be a sudden and broad concern with the efficiency of medical care with the assertion that democratically or professionally run systems are inherently inefficient Far less concern is evident for the more traditional values held regarding medical care effectiveness or quality and equity The fact is that we have little good cross national research that systematically addresses the reform issue This book addresses that problem and attempts to look at health care reforms in a number of countries representing as wide a spectrum as possible and using a common conceptual framework that allows for comparable information to be gathered and presented on each despite differing levels of socio economic development The authors agreed on a set of models that were thought to provide reasonable guidance in answering the questions of the source of pressures for reform the alternative modes of organization that have been found in the world in recent years and the direction of change among those alternatives
