Social Problems And The City New Perspectives:

The New Georgia Gachechiladze, Revaz, Revaz Gachechiladze Tbilisi State University, Georgia., 2014-01-17 A comprehensive book on the social and political geography of one of the most distinctive newly independent States to emerge from the collapse of the Soviet Union Being one of the most developed Soviet republics in terms of levels of welfare education and cultural activity Georgia is fiercely defending its national self identity and striving for independence The difficult process of building a nation State and of concurrent dramatic social changes has led in the 1990s to serious complications in its development even to the point of several civil wars But there are signs that the crisis will be overcome before long

Modelling the City C. S. Bertuglia, G. P. Clarke, A. G. Wilson, 2012-08-21 Modelling the City examines the changing role of urban models in respect to both the need to readdress measures of urban well being and the perceived need to bring model outputs more in tune with key planning problems The authors argue that whilst there has been substantial progress with a wide range of theoretical problems in urban modelling modellers have not paid enough attention to the usefulness of their model outputs in terms of indicators which offer new insights into the workings of the city or region Modelling the City offers a new geography of performance indicators for the public and private sector based on the principles of spatial interaction

Cities In Space Prof David Herbert, Dr Colin Thomas, 2013-11-26 This is the third major revision of a text first published in 1982 with the title Urban Geography A First Approach and in 1990 as Cities in Space City as Place The study of urban geography remains an important part of the geographical curriculum both in schools and in higher education This book analyses life in an urban society and in a world which is being transformed by the processes of urbanization to study urban geography is to study environments and phenomena significant to our everyday lives This is an introductory text which aims to present both more traditional and newer approaches to urban geography in an accessible and educational way

New Perspectives on Women Entrepreneurs John E. Butler, 2003-08-01

Working Capital Nick Buck, Ian Gordon, Peter Hall, Michael Harloe, Mark Kleinman, 2013-09-13 For decades the cities of the developed world were seen as problem beset relics from times of low mobility and slow communications But now their potential to sustain creativity culture and innovation is perceived as crucial to success in a much more competitive global economy The vital requirement to secure and sustain this success is argued to be the achievement of social cohesion Working Capital provides a rigorous but accessible analysis of these key issues taking London as its test case The book provides the first substantial analysis of key economic social and structural issues that the new London administration needs to deal with In a wider context its critical assessment of the bases of the new urbanism and of the global city thesis will raise questions both about the adequacy of urban thinking and about the capacity of new institutions alone to resolve the fundamental problems faced by cities

Unequal City Chris Hamnett, 2004-06 Examines some of the dramatic economic and social changes that have taken place in London over the last forty years describing how this has had major consequences for both the social structure and the built

environment of London Western Europe Hugh Clout, Mark Blacksell, Russell King, David Pinder, 2014-09-19 Western Europe provides a balanced appraisal of common characteristics and shared problems of the eighteen states lying to the west of the former Iron Curtain

New Perspectives on China and Aging Jason L. Powell, Ian G. Cook, 2007 The first part of the book is entitled Family Transition and Ageing and addresses rapid social and economic changes in China through a kaleidoscope of differential perspectives that focus on how family continues to be an important reference point for the past present and future institution in the care of older people The second part of the book focuses on the tangible social forces associated with managing old age Welfare Consumption and Ageing This section is important in locating the structures and agents of power that are relevant to maintaining trust and social relations between older people the Chinese State and its dualism of state welfare and consumption of welfare

Contemporary Issues in Public Disorder David Waddington, 2021-09-05 In a comparative study drawing on material from the United States and Britain this book first published in 1992 examines how various types of industrial political urban and sectarian disorder occur In the early 1990s public disorder returned to the top of the political agenda and yet was consistently met with confusion and misunderstanding Public discussion was superficial and emotive contributing little helpful enlightenment and creating no prospect of sensible policy change This book presents the flashpoints model to explain that public disorder is most likely to occur where a group perceives that its rights are being violated or denied The model is demonstrated in a selection of vivid case studies which are both international and historical in scope covering British and American inner city riots sports spectator violence and the Troubles in Northern Ireland In particular it traces the growth of police powers and assesses how effective democratic control over police behaviour actually is It also considers the assertion that media coverage can have an inflammatory effect on public disorder

New Perspectives on the Hellenistic Peloponnese

Manolis Pagkalos, Andrea Scarpato, 2024-11-14 This volume fills a gap in current research on the Hellenistic Peloponnese complementing and challenging traditional interpretations by adopting new perspectives on its complex social and political history The resurgence of interest in the Hellenistic period brings the Peloponnese to the front in response to emerging trends in research By examining aspects of the region s interstate relations contemporary politics and modes of representation this volume explores current research on the region creating a much more well rounded picture of the Hellenistic Peloponnese and a rich basis for invigorating scholarly debate and inspiring further research The chapters adopt interdisciplinary approaches analysing a wide array of ancient evidence and material culture As a result the volume offers a renewed understanding of how socio political transformations unfolded within the region The contributors illuminate critical agents of the period their interactions material evidence and political history both in and beyond the Peloponnese from the Macedonian influence over the region since the 3rd century BCE and the rise of the Achaian Koinon to strategies of identity construction and memory politics wielded by local elites and their manifestation in the material evidence This volume will be a crucial reference point for graduate students and scholars interested in the region *New Perspectives on International*

Migration and Development Jeronimo Cortina, Enrique Ochoa-Reza, 2013-07-16 With contributions from leading scholars in international development economics political science and sociology this collection draws attention to migration s developmental impacts on sending and receiving societies Through current case studies contributors examine the interplay among migration development culture family reunification human rights and government all with the aim of advancing more effective solutions to international migration issues The volume s multidisciplinary perspective combines theoretical discussions with empirical applications appealing to both academics and policymakers eager to maximize migration s developmental impacts The collection begins with a discussion detailing when and why migration promotes growth and what kind of indicators beyond GDP should be considered Challenging a number of misconceptions such as the assumption that redressing poverty and alleviating underdevelopment in immigrant communities are solely economic pursuits contributors acknowledge the inherent cultural dimension in the migration development debate and define the contours of a research program that systematically and comparatively weighs the cultural dynamics of development and migration They also emphasize the role of human rights in reinforcing positive developmental outcomes how traditional social roles and its developmental impacts are reshaped by the international migration of women and children and international migration s developmental impacts within specific geographic regions **Space, Place and Inclusive Learning** Judy

Hemingway, Felicity Armstrong, 2016-04-08 This collection explores ways in which theories of space and place can be used in understanding processes of exclusion and inclusion in education The contributions foreground how the spatial turn and geographical knowledges can inform debates on the relationships between learning space and place understandings of the ways in which space and place affect education and learning familiar research agendas through the application of conceptual

perspectives from different disciplines The ten chapters which make up this book are by contributors from Australia Italy and the United Kingdom who draw in very different ways on spatial theory as a means of exploring processes of inclusion and exclusion in education Each one of the authors not only seeks to challenge growing orthodoxies in their respective field but is interested in cross disciplinarity and spatial theory in education This book provides key readings for experienced and beginning teachers studying for bachelors masters and research degrees or professional qualifications It will be particularly useful to equality and diversity post holders lecturers researchers and policy makers working in all education establishments which take issues of inclusion seriously The international content of the diverse papers in Space Place and Inclusive Learning will be of interest not only to those practising in the United Kingdom but to educationists working in other countries who seek to understand how space and place modulate opportunities for inclusion This book was originally published as a special issue of the International Journal of Inclusive Education

The Top Books of the Year Social Problems And The City New Perspectives The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
