

Social Science Research And Problem Of Poverty

WJ Hussar

Social Science Research And Problem Of Poverty:

Social Science Research and the Problem of Poverty, 1981 **National Foundation for Social Sciences** United States. Congress. Senate. Committee on Government Operations. Subcommittee on Government Research, 1967 Considers S 836 to create a foundation to promote social science research and scholarship *National Foundation for Social Sciences* United States. Congress. Senate. Government Operations Committee, 1967 Poverty Policy and Poverty Research Robert H. Haveman, 1997-05-15 The War on Poverty instituted in 1965 during the administration of Lyndon B Johnson was one of the chief elements of that president's Great Society initiative This book describes and assesses the major social science research effort that grew up with and in part because of these programs Robert H Haveman's objective is to illuminate the process by which social and political developments have an impact on the direction of progress in the social sciences Haveman identifies the policy measures most closely tied to the War on Poverty and the Great Society and describes the nature of these policies and their growth from 1965 to 1980 He examines the extent and growth of resources devoted to the poverty related research that accompanied these programs and assesses the impact of the growth in this research commitment over the 1965-1980 period Haveman's was the first full overview of recent poverty related research and an overview of methodological developments in the social sciences in the post 1965 period which were stimulated by the antipoverty effort *Globalization* Antonio L. Rappa, 2011 In the first edition the themes of hope optimism and progress of neoliberalism were examined in Asia and America The second edition *Globalization Power Authority and Legitimacy in Late Modernity* analyses the new pessimism that has descended on the globalized world The America that was once the bastion of hope optimism and progress is now showing clear signs of a superpower in decline The first sign of the American decline since 1941 in Pearl Harbor was the destruction of the World Trade Center in New York City on 11 September 2001 The other signs are the Vietnamization of Iraq a nuclear stand off with North Korea increasing trade imbalances with China and India a stalemate with terrorists in Afghanistan the challenge of European protectionism a belligerent politics in the Middle East overt American dependence on fossil fuels and the mushrooming of various subprime crises into an escalating global recession This second edition incorporates the latest developments in terms of culture wealth and terrorism around the world and provides possible solutions to salvage the American Dream **Anthropological Paradigm for Policy and Practice** R.K. Mutatkar, 2020-01-01 This book offers a perspective about addressing the issues and concerns of the people of India through an anthropological lens The contradiction and conflict about Anthropology as a knowledge system and as an academic discipline in the university system in India with demands made to analyse national issues and offer implementable recommendations are discussed giving empirical examples as experienced by the author as Practicing Anthropology Constitution of India representing the aspirations of the people has opened the flood gates of demands from Anthropology to play a leading role in ensuring human development with human dignity Addressing the issues of poverty and development

social and economic discrimination and deprivation health and disease food security gender equality form the agenda of anthropology in collaboration with natural and social sciences and with the humanities The concept of Holism has to incorporate the Emic Etic Macro Micro perspectives to address the policies at national level for effective people centric result oriented implementation at local level Plurality Diversity Human Rights Inter sectoral co ordination Think Globally Act Locally are rooted in anthropological theory The book attempts to discuss this post colonial anthropological paradigm

How to Conduct Qualitative Research in Social Science Pranee Liamputtong,2023-01-17 Explaining both the theoretical and practical aspects of doing qualitative research the book uses examples from real world research projects to emphasise how to conduct qualitative research in the social sciences Pranee Liamputtong draws together contributions covering qualitative research in cultural and medical anthropology sociology gender studies political science criminology demography economic sciences social work and education Hearings, Reports and Prints of the Senate Committee on

Government Operations United States. Congress. Senate. Committee on Government Operations,1967 **Trends and Issues in Interdisciplinary Behavior and Social Science** Ford Lumban Gaol,Fonny Hutagalung,Chew Fong Peng,Zulkifli Isa,A.R. Rushdan,2017-08-07 Trends and Issues in Interdisciplinary Behavior and Social Science contains papers presented at the 5th International Congress on Interdisciplinary Behavior and Social Science 2016 ICIBSoS 2016 held 5 6 November 2016 in Jogjakarta Indonesia The 24 papers cover every discipline in all fields of social science discussing many current trends and issues 21st century society is facing especially in Southeast Asia The topics include literature family culture studies behavior studies psychology and human development religion and values social issues such as urban poverty and juvenile crisis driving behavior well being of women career women career performance happiness social adjustment quality of life among patients job stress and religious coping etc The issues are discussed using scientific quantitative or qualitative methods from different academic viewpoints **Encyclopedia of World Poverty** Mehmet Odekon,2006 Provides extensive and current information as well as insight into the contemporary debate on poverty and contains over 800 original articles written by more than 125 renowned scholars

Tribal Health and Malnutrition R.K. Mutatkar,2018-01-01 The book discusses policy issues about the distinctiveness of Tribal Health in the spirit in which Constitution of India has accorded special status to tribal communities in exclusive governance pattern Malnutrition as under nutrition among the tribal people is expressed as National Shame by the leaders of the country Judicial concerns about right to life are expressed by entertaining public interest litigations and through Suo Motu injunctions about tribal child malnutrition Measurement of poverty and malnutrition is a policy dilemma The book presents an intervention case study of developing a community model for successfully addressing the issues of under nutrition in tribal belts of Maharashtra Comprehensive and Sustainable Human Development of the Tribal People of Maharashtra short titled as Adivasi Utthan Karyakram was offered by the Government of Maharashtra during 2004 2013 jointly to Maharashtra Association of Anthropological Sciences Pune and Comprehensive

Rural Health Project Jamkhed The interventions designed implemented and monitored as practicing anthropology with socio epidemiological approach formally functioned as NGO Government partnership in tribal development Community ownership of the programme is manifested through implementation by 500 tribal men and women village volunteers covering 250 villages in seven tribe dominant districts of Maharashtra

The Social Sciences and Their Interrelations William F. Ogburn, Alexander Goldenweiser, 1927

The Global Social Sciences Michael Kuhn, Hebe Vessuri, 2016-10-11

The European social sciences tend to absorb criticism of their approach and re label it as a part of what the critique opposes thus criticism of European social sciences by subaltern social sciences their talking back has become a frequent line of reflection The relabeling of the critique of the European approach as a critique from Southern social sciences of Western social sciences has in effect turned Southern as well as Western social sciences into competing contributors to the same globalizing social sciences Both are no longer arguing about the European approach to social sciences but about which social thought from which part of the globe should prevail If the critique becomes a part of what it opposes one might conclude that the European social sciences are very adaptable and capable of learning One might however also raise the question whether there is anything wrong with the criticism of the European social sciences or for that matter whether there is anything wrong with the European social sciences themselves The contributions in this book discuss these questions from different angles They revisit the mainstream critique of the European social sciences and they suggest new arguments criticizing social science theories that may be found as often in the Western as in the Southern discourse

Social Science, 1925

Chicago, an Experiment in Social Science Research Thomas Vernor Smith, Leonard Dupee White, 1929

Future Cities - 7031 iied International Institute for Environment & Development, 1996

Fairness and Justice in Natural Resource Politics Melanie Pichler, Cornelia Staritz, Karin Küblböck, Christina Plank, Werner Raza, Fernando Ruiz Peyré, 2016-08-05

As demand for natural resources increases due to the rise in world population and living standards conflicts over their access and control are becoming more prevalent This book critically assesses different approaches to and conceptualizations of resource fairness and justice and applies them to the analysis of resource conflicts Approaches addressed include cosmopolitan liberalism political economy and political ecology These are applied at various scales local national international and to initiatives and instruments in public and private resource governance such as corporate social responsibility instruments certification schemes international law and commodity markets In doing so the contributions contrast existing approaches to fairness and justice and extend them by taking into account the interplay between political scales regions resources and power structures in globalized resource politics Various case studies are included concerning agriculture agrofuels land grabbing water resources mining and biodiversity The volume adds to the academic and policy debate by bringing together a variety of disciplines and perspectives in order to advance both a research and policy agenda that puts notions of resource fairness and justice center stage

Underclass John Welshman, 2013-10-10 Who are those at

the bottom of society There has been much discussion in recent years on both Left and Right about the existence of an alleged underclass in both Britain and the USA It has been claimed this group lives outside the mainstream of society is characterised by crime suffers from long term unemployment and single parenthood and is alienated from its core values John Welshman shows that there have always been concerns about an underclass whether constructed as the social residuum of the 1880s the problem family of the 1950s or the cycle of deprivation of the 1970s There are marked differences between these concepts but also striking continuities Indeed a concern with an underclass has in many ways existed as long as an interest in poverty itself This book is the first to look systematically at the question providing new insights into contemporary debates about behaviour poverty and welfare reform This new edition of the pioneering text has been updated throughout and includes brand new chapters on Problem Families and New Labour as well as Troubled Families and the Coalition Government It is a seminal work for anyone interested in the social history of Britain and the Welfare State

Handbook of Spatial Analysis in the Social Sciences Sergio J. Rey, Rachel S. Franklin, 2022-11-18 Providing an authoritative assessment of the current landscape of spatial analysis in the social sciences this cutting edge Handbook covers the full range of standard and emerging methods across the social science domain areas in which these methods are typically applied Accessible and comprehensive it expertly answers the key questions regarding the dynamic intersection of spatial analysis and the social sciences

How to Critique Journal Articles in the Social Sciences Scott R. Harris, 2022-01-03 Journal articles form the bedrock of social science but they can be unfamiliar and intimidating to students This brief introductory guide helps readers appreciate the rigor and pitfalls of research by comparing it to more ordinary ways of knowing Each chapter focuses on a key aspect of articles demystifying step by step the complexities of social research Harris encourages readers to avoid naivete accepting research findings as simple Truth and cynicism dismissing research as hopelessly flawed and instead adopt a critical perspective that appreciates the strengths and weaknesses of any piece of scholarship A new chapter on research design explores how scientists choose a broad approach to study a topic which impacts subsequent research decisions Exercises throughout allow readers to practice the highlighted techniques in class discussion short assignments or a major writing project Comprehensive yet succinct and accessible the second edition of How to Critique Journal Articles in the Social Sciences equips students with the confidence to read and understand social research for use in their education careers and personal lives

Whispering the Secrets of Language: An Mental Quest through **Social Science Research And Problem Of Poverty**

In a digitally-driven world where monitors reign supreme and quick connection drowns out the subtleties of language, the profound secrets and mental subtleties hidden within phrases usually go unheard. Yet, nestled within the pages of **Social Science Research And Problem Of Poverty** a fascinating literary treasure sporting with natural thoughts, lies a fantastic journey waiting to be undertaken. Composed by a skilled wordsmith, this wonderful opus encourages viewers on an introspective journey, delicately unraveling the veiled truths and profound influence resonating within the material of each and every word. Within the emotional depths of the poignant evaluation, we shall embark upon a sincere exploration of the book is core themes, dissect its fascinating publishing fashion, and succumb to the powerful resonance it evokes strong within the recesses of readers hearts.
