Social Work Practice A Unitary Approach

Noel W Timms, Rita Timms

Social Work Practice A Unitary Approach:

Social Work Practice: a Unitary Approach Howard Goldstein, 1973 FOUNDATIONS OF PRACTICAL GERONTOLOGY SECOND EDITION REVISED Edited by ROSAMONDE R BOYD and CHARLES G OAKES A revised edition of the book that Library Journal recommended as a resource for specialists for seminars in gerontology and for concerned individuals The 1971 White House Conference on Aging revealed that a significant transition from the more theoretical to more practical considerations of coping with the major problems of the elderly had occurred during the preceding decade This shift in emphasis and increasing activity at all levels of government make appropriate and imperative this revised edition of Foundations of Practical Gerontology As a sourcebook and a manual it can be used to inform and challenge professional staff members and lay volunteers in program planning and implementation As a textbook for courses in gerontology it serves both to instruct and to guide students interested in one of the newer fields of service and professionalization For all of us it provides new insights into the aging process New chapters discuss preretirement counseling volunteerism and retirement villages The chapters on sociomedical problems and aging roles have been extensively revised and rewritten and the remaining chapters reflect the advances of recent years

Human Behavior Theory for Social Work Practice Terry Koenig, Rick Spano, John Thompson, 2019-03-06 Human Behavior Theory for Social Work Practice provides an in depth examination of human behavior theories and helps students apply each theory to social work practice Authors Terry Koenig Rick Spano and John Thompson cover a broad spectrum of theories including ecological psychological and sociopolitical before applying them to a wide range of case examples that represent different stages across the human lifespan Drawing from their extensive knowledge and experience in social work practice and teaching the authors also feature scholarly research and writing to support the understanding of the theoretical overview in each chapter

An Introduction to Applying Social Work Theories and Methods Barbra Teater, 2014-03-01 A student friendly introduction to social work theories and methods drawing on current social work research

Practising Social Work Christopher Hanvey, Terry Philpot, 2002-08-26 Practising Social Work provides a systematic exploration of a range of social work approaches Each chapter focuses on a single theme and explains the practice implications of a particular method

An A-Z of Social Work Theory Malcolm Payne, 2021-09-15 Puzzled by terminology skills law or theory Revising for your placement or exam Then look no further This series of concise and easy to use A Zs will be your guide Designed for both students and newly qualified social workers this book will introduce you to over 350 key theories theorists and concepts in a concise and no nonsense way Careful cross referencing will help you make important connections while selected further reading will provide you with a springboard to further learning

Evidence-based Social Work Mel Gray, Debbie Plath, Stephen Webb, 2009-05-08 This book provides a critical analysis of evidence based practice in social work It introduces readers to the fast changing research policy legislative and practice context and illuminates how adopting the methodology and language of evidence based

practice fundamentally alters the conditions under which social work takes place *Paradigms of Clinical Social Work* Rachelle A. Dorfman, 2015-11-17 This fully integrated volume written by the leading experts in the field of social work presents a wide range of therapeutic paradigms Especially noteworthy is the common framework provided for all paradigms discussed thus facilitating comparison and contrast between each approach These paradigms include cognitive brief oriented and psychosocial therapies as well as Adlerian theory and radical behaviorism *Social Workers' Desk Reference* Lisa Rapp-McCall, Al Roberts, 2022 The Social Workers Desk Reference fourth edition remains the definitive resource for social work students and professionals Expanded sections on current hot topics such as white nationalism gaming disorder substance abuse LGBTQ populations suicide sexual violence in the military and vulnerable populations make the fourth edition a fully updated and essential reference *Social Workers' Desk Reference* , 2015-01-13 People all over the world are confronted by issues such as poverty a lack of access to quality education unaffordable and or inadequate housing and a lack of needed health and mental services on a daily basis Due to these issues there is a need for social workers who have access to relevant and timely scholarly materials in order to meet the needs of those facing these issues The social psychological and biological factors resulting from these issues determine the level of a person's mental health at any given point in time and it is necessary for social workers to continue to evolve and develop to the new faces and challenges of the times in order to adequately understand the effects of these issues In the first and second editions of the Social Workers Desk Reference the changes that were occurring in social work practice education and research were highlighted and focused upon This third edition continues in the same tradition and continues to respond to the changes occurring in society and how they are impacting the education research and practice of social work as a whole With 159 chapters collaboratively written by luminaries in the profession this third edition serves as a comprehensive guide to social work practice by providing the most recent conceptual knowledge and empirical evidence to aid in the understanding of the rapidly changing field of social work Each chapter is short and contains practical information in addition to websites and updated references Social work practitioners educators students and other allied professionals can utilize the Social Workers Desk Reference to gain interdisciplinary and interprofessional education practice and research **Integrating Social Work Methods** Harry Specht, Anne Vickery, 2021-11-07 Throughout its history social work has been seeking a means to state its purposes and methodology as a unity that transcends the purposes and methodology applicable in particular fields of practice or sanctioned by particular legislation or practised by a particular kind of worker Recent changes in society developments in social work practice new additions to the knowledge base of social work and current reorganisation of the social services had led to an intensified interest in this integrated approach Originally published in 1977 *Integrating Social Work Methods* introduces the reader to the main developments in the conceptualisation of a unitary method It clarifies what it is that is being unified identifies issues involved in the attempt to unify and discusses their implications for social work practice and

training As such it represented the first substantial British text in the field and was widely welcomed by social work practitioners administrators and educators at the time

The Compleat Social Worker David Howe,2014-11-20 The role of the social worker is to be found lying interestingly between society and the individuals they work with As a result social workers often feel pulled between the demands and challenges that each presents The Compleat Social Worker explores the many debates the profession enjoys including those between nature and nurture care and control thought and feeling art and science facts and values In examining these ideas and the discussions they sponsor it celebrates social work s rich heritage of scientific thought and human relationships It is out of these many divisions and disagreements and their resolution that the idea of the well rounded compleat social worker emerges For those wishing to explore and enjoy argue and acknowledge what it is to be a good social worker this elegant book will prompt lively interest and debate

101 Social Work Clinical Techniques Francis J. Turner,2013-06-06 This book addresses the concept of Technique and its place in contemporary practice of Social Work It does so by reviewing the concept of technique analyzing the necessary component parts of a definition formulating a definition then presenting a discussion of the nature and use of 101 Techniques for Clinical Social Work practice

Social Work With Groups Stanley Wenocur,2014-01-14 Social Work With Groups describes continuity and change in group work It revisits the theoretical ideas of group work and group work topics of the past decade focusing on the continuity of group work theory and practice At the same time it emphasizes the need for change to more effectively work with deal with people in new groups in need people with AIDS gangs persons in grief and minorities as well as groups always in need but now with new and additional needs families children adolescents This book deals with how to meet the needs of existing and emerging populations It shows a good combination of theory and practice of group work in a variety of settings and using traditional techniques with new groups Chapters in this book revisit the theoretical ideas of group work such as stages of development and the question of self determination in groups The sections of theory are the basis for the more practical emphasis of what today s group worker is doing and how they are doing it Social Work With Groups is very practice oriented As such anybody who uses groups to help people will find much to read and reflect upon With its across the board appeal persons new to group work will delight in the practical information and experienced group workers will find the revisiting of the issues a helpful and refreshing approach Clinical social workers and faculty with an interest in theory and theoretical approaches to group work will appreciate the theory addressed in the book Social change oriented practitioners searching for new methods of empowerment among the people will find helpful suggestions in this book for social political and grassroots activism

Perspectives in Social Work Noel Timms,Rita Timms,2018-11-09 Perspectives in Social Work was originally published in 1977 and provides a text for social workers in training to use The book argues for a more philosophical approach to both understanding and doing social work and seeks to establish simple and basic elements in social work asking questions such as what should a social worker be able to do What should a social worker know and believe

Does social work actually work In answering these questions the book offers a wide ranging and critical review of literature of the time and looks at social work as a method of altruism This book is still topical today and acts as a useful document on the subject of social work both through the discussions within and through the lens of modern change It will be of particular interest to those studying the history and changes in social work **Social Work with Addictions** James G.

Barber,2002-08-28 The new edition of this important text has been fully revised and is an essential resource for those working in the field of drug addiction Drug misuse tends to be encountered in the context of other often more pressing social problems such as child abuse homelessness domestic violence or emergency relief This book responds to the needs of social workers in this position by covering the spectrum of brief empirically validated intervention methods which can be readily incorporated into broader casework plans at any stage of the change process from extreme resistance to avoidance of relapse This clear and realistic text employs social work s person in situation perspective to identify targets of intervention at the level of individuals families and even the broader social policy context It includes new material on recent or more commonly used substances such as designer drugs and methamphetamine It also provides an update on the latest research evidence on the aetiology and psychosocial treatment of addictions This is an invaluable versatile text that is wholly attuned to social work needs New to this Edition Includes new material on designer drugs and other new commonly used substances

Dictionary of Social Welfare Noel W Timms,Rita Timms,2016-06-10 First published in 1982 this dictionary offers a practical aid to students of social work and of social policy in their conversation about social welfare It explains the meaning or range of meanings of common terms and explains their applications in welfare legislation policy and use by welfare practitioners It helpfully cross references terms with similar or related terms that might be considered alongside In addition most entries are concluded by references which introduce the reader to a more extended treatment of the term or an elaboration of its application in the language of social welfare Although first published in 1989 this book will be a valuable resource for students of social work social policy and social welfare **Child Welfare Revisited** Joyce Everett,Sandra

Stukes Chipungu,Bogart R. Leashore,2004 Why are there proportionally more African American children in foster care than white children Why are white children often readily adoptable while African American children are difficult to place Are these imbalances an indication of institutional racism or merely a coincidence In this revised and expanded edition of the classic volume Child Welfare twenty one educators call attention to racial disparities in the child welfare system by demonstrating how practices that are successful for white children are often not similarly successful for African American children Moreover contributors insist that policymakers and care providers look at African American family life and child development from a culturally based Africentric perspective Such a perspective the book argues can serve as a catalyst for creativity and innovation in the formulation of policies and practices aimed at improving the welfare of African American children Child Welfare Revisited offers new chapters on the role of institutional racism and economics on child welfare the effects of

substance abuse homelessness HIV AIDS and domestic violence and the internal strengths and challenges that are typical of African American families Bringing together timely new developments and information this book will continue to be essential reading for all child welfare policymakers and practitioners

Social Work as Community Development Stephen Clarke, 2018-02-06 This title was first published in 2000 The second edition of Social Work as Community Development is thoroughly revised and updated taking into account lessons from community development and international experiences applicable in developed economies The application of system theory to the problems of managing change is the core theme The book will be essential reading for the UK DipSW MScEcon in Applied Social Studies and MScEcon in Community Care Studies as well as for students of community development and social work in the USA Asia and Australia It will also be useful for practitioners and policy makers across social work social welfare and social policy

Social Welfare in Western Society Gerald Handel, 2009-01-01 Social welfare has a three thousand year history in Western society This book offers a sociological framework that provides conceptual order to the countless details of that history while highlighting its essentials Social welfare in all its forms is based on one central concept help But there are many versions of help and multiple debates about those versions The outcomes of some debates have led to withholding help and these outcomes are an inescapable part of this domain in the past and in the present The major versions their development and the debates are carefully examined in this volume Social Welfare in Western Society argues that in history five basic concepts of help have emerged These five explored and developed are charity based on a relationship between private donors and recipients public welfare based on a relationship between the state and its recipients social insurance based on a relationship between the state and beneficiaries of its programs social service based on people skilled in interaction providing skill based time to their clients mutual aid groups sometimes misleadingly called self help groups whose members are simultaneously helpers and those helped There are multiple versions of each of these five concepts now usually referred to as social policy issues There are fierce disagreements about what is helpful and which supposed forms of help are harmful to the wider society The book concludes that major debates have centered and continue to center around these major issues Should the poor be helped or punished Who is to blame Do the poor have the same rights as other people Who should pay Who should decide What is the effect of receiving welfare on incentive to work Who should be helped This is a masterful text designed for professional and public reading Gerald Handel is professor emeritus of sociology at The City College and The Graduate Center City University of New York He is the author of Making a Life in Yorkville Experience and Meaning in the Life Course Narrative of an Urban Working Class Man editor of Childhood Socialization and co editor of The Psychosocial Interior of the Family all published by Transaction Publishers

Social Work Colin Pritchard, Richard Taylor, 2024-03-08 First published in 1978 Social Work is concerned with relating social methods and objectives to political ideology Social work grew out of the fertile tradition of mainstream Liberal radicalism in the nineteenth century and to appreciate its largely implicit contemporary value framework

it is essential to analyse the ideologies of Conservatism and social democracy which have dominated Britain in the twentieth century The links between social work methods and aspirations and political ideology are thus explored in some detail A key argument which closely involves social work relates to the potential for social change within the existing institutional structures The question of Legitimation is thoroughly examined in this context from all viewpoints and the conclusions for social work development are discussed This book will be of interest to students of social work sociology and political science

Social Work Practice A Unitary Approach: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. Social Work Practice A Unitary Approach : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Social Work Practice A Unitary Approach : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
