Social Work Practice With The Elderly:

Social Work with the Aging Carol H. Meyer, 1986 **Gerontological Social Work Practice** Enid Opal Cox, Rosemary Chapin, Elizabeth Kelchner, 2014-02-25 What are the challenges facing gerontological social workers today and in the near future This book gives you an essential overview of the role status and potential of gerontological social work in aging societies around the world Drawing on the expertise of leaders in the field it identifies key policy and practice issues and suggests directions for the future Here you ll find important perspectives on home health care mental health elder abuse older workers issues and death and dying as well as an examination of the policy and practice issues of utmost concern to social workers dealing with the elderly With *Gerontological Social Work Practice* Issues Challenges and Potential you ll explore the differences between real situations and what demographics lead one to expect the need for social workers to focus on economic political and social issues in order to promote positive change the long term care insurance issues facing elderly Japanese citizens a Canadian perspective on social work practice with aging people practice techniques to use with aging African Americans strengths based and empowerment oriented ways to work with frail elderly the impact of multiculturalism on social policy and much more *Social Work Practice with Older People* Rory Lynch, 2014 Older people are the biggest service user group for social workers and an increasing portion of the population In this refreshingly positive and practical textbook Rory Lynch draws on years of practice and teaching experience to show how to achieve best social work practice with older adults He takes a person centred approach which fosters respect by valuing the fact that elderly people have more lived experience than others Exploring the key theoretical approaches and methods of intervention this book helps social workers to identify understand and facilitate their service users wishes for wellbeing and a fulfilling older age Chapters are practice driven containing case studies drawn from a range of care settings reflective questions and exercises Mapping directly onto the key modules on the social work degree this is **Handbook of Social Work in Health and Aging** Barbara Berkman, 2006-02-09 The *Handbook of Social Work in Health and Aging* is the first reference to combine the fields of health care aging and social work in a single authoritative volume These areas are too often treated as discrete entities while the reality is that all social workers deal with issues in health and aging on a daily basis regardless of practice specialization As the baby boomers age the impact on practice in health and aging will be dramatic and social workers need more specialized knowledge about aging health care and the resources available to best serve older adults and their families The volume s 102 original chapters and 13 overviews written by the most experienced and prominent gerontological health care scholars in the United States and across the world provide social work practitioners and educators with up to date knowledge of evidence based practice guidelines for effectively assessing and treating older adults and their families new models for intervention in both community based practice and institutional care and knowledge of significant policy and research issues in health and aging A truly monumental resource this handbook represents the best research on health and

aging available to social workers today **Social Work Practice with the Elderly** Marvin David Feit, Michael J. Holosko, 2004 The third edition describes significant practice issues and challenges facing gerontological social workers working with the fastest growing demographic cohort in North America Insightful and creative practitioners provide current accounts and case examples from their work in a variety of settings The material includes both micro and macro practice and offers a focus on advanced specialty practice while also providing an advanced generalist model All the chapters have been rewritten and updated by adding related additional readings and websites Six new chapters have been added on sensory impairment HIV AIDS elder abuse community assisted living rural elderly retirement and volunteerism Social Work Practice with the Elderly offers an exciting collection of well crafted readings and will be useful for any social work student at the undergraduate or graduate level It will also be a valuable resource for those in other helping professions who work side by side with social workers in this field nurses physiotherapists music and art therapists psychologists physicians recreational therapists speech and language therapists and clergy **Social Work with the Aged and Their Families** Roberta R. Greene, Colleen Galambos, Harriet L. Cohen, Nancy Greene, 2016-11-30 Social Work with the Aged and Their Families presents the functional age model FAM of intergenerational treatment an integrative theoretical framework for social workers practicing with older adults and their families In keeping with the Council on Social Work Education's curriculum mandate of 2015 social workers are now encouraged to use human behavior theories in working with their geriatric clients This fourth edition incorporates much needed additional techniques to address the mental health assessments of the elderly FAM addresses the assessment of older adults biological psychological socio cultural and spiritual age It also incorporates an evaluation of the family system family roles and family development in this assessment Interventions at the individual family group and community levels are discussed This volume augmented with recent concepts related to successful aging spirituality and resiliency presents the major converging conceptual trends that constitute a model for twenty first century social work practice in the field of aging It is an indispensable text for those training in social work practice with the elderly or those currently in practice **Social Work with Older People** Ann McDonald, 2010-03-08 Social Work with Older People provides an authoritative and practical guide to working with older people in a range of settings It addresses the complexities of individual work with older people as well as work with families groups and the wider community and is not afraid to tackle the challenges as well as opportunities of practice in this area The book begins by explaining the demographic changes that have led to a greying of the general population It goes on to discuss the diversity in experiences of ageing across society and the range of issues which confront older people and those who wish to work proactively with them Clear attention is paid to the processes of assessment care planning and review with readers encouraged to reflect on developing good practice through case studies and exercises Although it has a strong practical emphasis the book also stresses the value of theoretical perspectives with insights from fields such as sociology and psychology woven throughout the book Clear links are also made

to policy guidelines and organizational standards without losing sight of the deeper often more complex issues that arise when working with older people *Social Work with Older People* will be essential reading for social work students and practitioners but also for others who are interested in the development of practice with older people as citizens and service users

Social Work in Geriatric Home Health Care Lucille Rosengarten, 2020-07-24 Explore how community based networks can effectively meet the needs and problems of sick elderly people and their caregivers *Social Work in Geriatric Home Health Care The Blending of Traditional Practice with Cooperative Strategies* explores how social workers aides nurses administrators and policy makers can cooperatively work by maintaining appropriate health records in order to keep the elderly living at home Based on the author s twenty five years of social work experience in geriatric home care case management this book explores improved ways to organize home health care by use of cooperative strategies in order to assist older individuals in living independent lives at home Complete with informative case studies and interviews you will explore useful examples of geriatric social work practice through Concerned Home Managers for the Elderly COHME a nonprofit licensed home health care agency *Social Work in Geriatric Home Health Care* examines many crucial geriatric care and case management issues of concern to geriatric social workers including offering meaningful and fulfilling work as a home health care aide providing high quality training and ongoing education for home care aides creating a cooperative environment by encouraging staff social workers and nurses to share expertise with the case management coordinators who are responsible for placing the geriatric patient at home or in a special care facility involving the client in the management of his or her own health care creating concise one page reports for each home visit by using a One Sheet to help you extract case assessments and plans for your geriatric client in a readily accessible format dealing with state regulatory authorities and the general trend in home health care to place the elderly in nursing homes paying careful attention to financial and administrative problems within your organization while striving to remain true to your original mission of providing at home care *Social Work in Geriatric Home Health Care* will help you explore a different way of organizing home health care for the sick and elderly at a time when the percentage of people over sixty five who will require care is rapidly increasing This important book works to improve the case management of geriatric people and challenges home health care workers and legislators to become more progressive in their thinking about the direction in which geriatric health care should move at the turn of the century With this vital book you will gain insight into organized and cooperative methods of providing home health care for the elderly and find improved methods for managing your geriatric cases to give your clients optimum care

Social Work Practice with Individuals and Families Michael J. Holosko, Catherine N. Dulmus, Karen M. Sowers, 2012-12-27 A lifespan approach presenting evidence informed interventions for working with individuals and families *Social Work Practice with Individuals and Families* covers assessment of and intervention with children adolescents adults the elderly and families It offers an array of pedagogical features within each chapter as well as online resources and review questions at the

conclusion of each chapter to help guide critical thinking about topics Reflecting the current state of evidence informed social work practice each chapter s contributors emphasize the incorporation of wider forms of systematically collected data such as case studies best or promising practices and consumer focused data Reading this book will not only give readers the tools to work effectively with individuals and families but also develop their skills in evidence informed practice Comprehensive and insightful Social Work Practice with Individuals and Families is a student and practitioner friendly text identifying the best assessment tools and strategies available for social workers to successfully serve individuals and families facing a broad range of challenges

Social Work With the Aged and Their Families Roberta R. Greene,2008 In recent years theoreticians researchers and practitioners have become increasingly interested in older adults and the aging process This volume draws on related disciplines to better understand the biological psychological and social aspects of aging Social Work with the Aged and Their Families covers areas of central interest to those coping with the needs of an aging population Among the topics addressed are assessment of the aging taking into account biological age psychological age and socio cultural and spiritual age Greene also considers the importance of the family system family roles and development functional age individual and family intervention and group and community interventions The scientific and systematic study of aging is known as gerontology Geriatric social workers are those who have applied established social work theories in an attempt to find suitable techniques for working with their elderly clients The need for specialized services has given birth to various services and programs For example meals on wheels and home health care services have been designed to meet specific physical needs of older adults However mental health services have lagged far behind as practitioners struggled to adapt such specialties as family therapy to families of later years A major contribution of this book now in its third edition is the functional age model of intergenerational treatment FAM which is an outgrowth of that demand The functional age model of intergenerational treatment is an integrative theoretical framework for social workers interested in clinical social work practice with older adults and their families Since its initial construction in 1986 the model has been augmented by more recent concepts related to successful aging spirituality and resiliency These additions together with the original assessment and intervention strategies present the major converging conceptual trends that constitute a model for twenty first century social work practice in the field of aging Roberta Greene is a professor and the Louis and Ann Wolens Centennial Chair in Gerontology and Social Welfare at the School of Social Work at The University of Texas at Austin Greene is the author of nine texts and numerous research articles She currently is continuing her scholarship through filmmaking and Web site design

Gerontological Social Work in Small Towns and Rural Communities Lenard W Kaye,Sandra Butler,2012-10-12 Learn the skills you need to work with geriatric populations in rural areas Gerontological Social Work in Rural Towns and Communities provides a range of intervention and community skills aimed precisely at the needs of rural elders This book fills a gap in the literature by focusing on the specific practice concerns for social workers assisting older adults in rural areas including the

aging experience social worker skills professional functions working with special populations and health and long term care concerns This valuable resource will benefit social workers gerontologists allied health professionals in rural areas health and human services administrators and managers Gerontological Social Work in Rural Towns and Communities explores the challenges social workers need to overcome when working with the elder community in rural areas This book s significance to social workers will only increase as more adults choose to live and grow old away from the cities Experts in the field suggest strategies to overcome barriers in planning and providing services such as a longer distance for the elderly to travel to use social service centers a narrower range of available services in the local area increased poverty levels for the elderly a stronger dependency by elderly on family rather than public assistance This book is divided into five sections Rurality and Aging introduces the concept of rurality and examines the demographics of aging from a rural perspective Practice Dimensions of Social Work with Rural Elders includes clinical practice models intervention and advocacy techniques program planning and marketing approaches Special Populations gives attention to four special population groups indigenous elders African American older adults elderly Latinos and disabled elders Special Issues Pertaining to Rural Elders covers five essential issues for rural gerontological social workers health promotion older workers and retirement preparation aging in place specialized housing and ethical practice Training and Policy Recommendations future training and education recommendations for social workers are explored as well as service capacity building the aging network and the future of long term care While a variety of theoretical perspectives are explored in Gerontological Social Work in Rural Towns and Communities the book s empowerment orientation and strengths based approach will enhance your abilities to improve quality of life for elderly individuals in rural communities Each chapter contains a comprehensive review of the literature on the subject it addresses and several chapters include tables and graphs to further establish their revealing empirical findings An appendix provides additional sources to turn to for more information

Empowerment-oriented Social Work

Practice with the Elderly Enid Opal Cox, Ruth J. Parsons, 1994

Social Work Practice With Older Adults Jill M.

Chonody, Barbra Teater, 2017-12 This book presents a contemporary framework based on the World Health Organization s active aging policy that allows students to focus on client strengths and resources when working with the elderly Covering micro mezzo and macro practice domains the text examines all aspects of working with aging populations from assessment through termination

Social Work with the Aging Louis Lowy, 1979

Social Work With Older People: Approaches To

Person-Centred Practice Hall, Barbara, Scragg, Terry, 2012-03-01 This text fills a gap for an accessible textbook which takes a person centred approach to working with older people by providing readers with a basic knowledge of policy legislation theory and research

Social Work Practice with Older Adults (First Edition)

Dawn Joosten-Hagye, 2019-03-11

Social Work Practice with Older Adults An Evidence Based Approach helps future social workers identify effective evidence based treatment options for aging populations It helps readers cultivate the skills needed to successfully engage assess intervene

evaluate and provide advocacy at micro mezzo and macro levels to older adults and their families Emphasizing intersectionality theory the text encourages readers to consider the context and intersecting diversity factors of the older adult client and involve them in treatment decision plans empowering older adults to select culturally preferred and highly meaningful care Students also learn the power of interdisciplinary collaboration and interagency coordination Each chapter features case studies and a guide for framing community resources and other helping services for clients Additionally the book highlights issues and opportunities social workers are likely to encounter including aging in prison settings homelessness and sexual health end of life issues macro practice advocacy skills and more Social Work Practice with Older Adults challenges students to synthesize contextual intersectional and biopsychosocial spiritual assessments to create effective treatment plans and apply appropriate interventions to aging populations It is ideal for students studying social work and related disciplines

Gerontological Social Work in Small Towns and Rural Communities Lenard W Kaye, Sandra Butler, 2012-10-12 Learn the skills you need to work with geriatric populations in rural areas Gerontological Social Work in Rural Towns and Communities provides a range of intervention and community skills aimed precisely at the needs of rural elders This book fills a gap in the literature by focusing on the specific practice concerns for social workers assisting older adults in rural areas including the aging experience social worker skills professional functions working with special populations and health and long term care concerns This valuable resource will benefit social workers gerontologists allied health professionals in rural areas health and human services administrators and managers Gerontological Social Work in Rural Towns and Communities explores the challenges social workers need to overcome when working with the elder community in rural areas This book s significance to social workers will only increase as more adults choose to live and grow old away from the cities Experts in the field suggest strategies to overcome barriers in planning and providing services such as a longer distance for the elderly to travel to use social service centers a narrower range of available services in the local area increased poverty levels for the elderly a stronger dependency by elderly on family rather than public assistance This book is divided into five sections Rurality and Aging introduces the concept of rurality and examines the demographics of aging from a rural perspective Practice Dimensions of Social Work with Rural Elders includes clinical practice models intervention and advocacy techniques program planning and marketing approaches Special Populations gives attention to four special population groups indigenous elders African American older adults elderly Latinos and disabled elders Special Issues Pertaining to Rural Elders covers five essential issues for rural gerontological social workers health promotion older workers and retirement preparation aging in place specialized housing and ethical practice Training and Policy Recommendations future training and education recommendations for social workers are explored as well as service capacity building the aging network and the future of long term care While a variety of theoretical perspectives are explored in Gerontological Social Work in Rural Towns and Communities the book s empowerment orientation and strengths based

approach will enhance your abilities to improve quality of life for elderly individuals in rural communities Each chapter contains a comprehensive review of the literature on the subject it addresses and several chapters include tables and graphs to further establish their revealing empirical findings An appendix provides additional sources to turn to for more information

Fostering Social Work Gerontology Competence Catherine J. Tompkins, Anita L. Rosen, 2013-12-19 Inspire the next generation of gerontological social workers The growing number of people over the age of 65 in the United States has increased the demand for social workers who are trained to work with the elderly a demand that is in danger of not being met Fostering Social Work Gerontology Competence presents innovative techniques and strategies to help educators infuse aging content into their graduate and undergraduate curriculums in an effort to produce a new generation of social work practitioners who are up to the task of working with an older population Recent surveys show that there has been a decline in the number of aging specialties and courses offered by schools of social work Fostering Social Work Gerontology Competence offers a renewed focus on the promotion of gerontological social work education presenting papers that grew out of the first National Gerontological Social Work Conference NGSWC held in 2003 This unique book is invaluable to anyone who educates future social workers leads staff training sessions and or teaches continuing education courses on aging Leading gerontologists examine teaching research community collaboration and social work competencies while focusing on special populations and issues including end of life care elder abuse grief counseling cultural diversity cultural competence and the effects of spirituality and social support on the well being of the elderly Fostering Social Work Gerontology Competence examines curricular and organizational change developing intergenerational projects involving older persons in the educational process uniting field practice with theory strategies to promote student interest identifying geriatric competencies intergenerational service learning developing an aging prepared community emerging trends in aging and health care end of life care and death education environmental issues affecting elder abuse victims mental health services for older persons in rural communities kinship care and much more Fostering Social Work Gerontology Competence is a vital resource for social work educators and practitioners gerontology educators and practitioners and students

Social Work Practice With The Elderly Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Work Practice With The Elderly has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Work Practice With The Elderly has opened up a world of possibilities. Downloading Social Work Practice With The Elderly provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Work Practice With The Elderly has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Work Practice With The Elderly. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Work Practice With The Elderly. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Work Practice With The Elderly, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Work Practice With The Elderly has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Work Practice With The Elderly Books

1. Where can I buy Social Work Practice With The Elderly books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
