A Critical Pedagogy of Embodied Education T. Ollis, 2012-04-14 Explores the differences and similarities between two groups lifelong activists who have been engaged in campaigns and social movements over many years and circumstantial activists those protestors who come to activism due to a series of life circumstances Outlines the pedagogy of activism and the process of learning to become an activist *The Gülen Movement* Salih

Cingilloğlu, 2017-03-10 This book presents findings from research into one of the world's most influential Islamic movements the Gülen Movement from the perspective of social transformation through adult education At the core of research questions lies how the movement enrolls volunteers from all walks of life and transforms them to adopt its aims at the expense of their individual ideals The book reveals the socio psychological mechanisms that make such transformation possible by looking at how followers integrate weekly lectures and discussions on the theory and practice of Islam into their personal and social lives The Gülen Movement offers a moderate interpretation of Islam and stresses the vitality of establishing communication with the members of all faiths This book provides a window into how and why religion may roll into extremism by presenting findings from an opposite perspective the participants in the research all define themselves as truly pious but do not even imply an act of violence in tens of hours of interviews In short the book weaves the strands of Islamic movement and adult education into a unified whole and limns the snapshot of a social movement offering a comprehensive discussion of the role of adult education within the movement as well as its transformative potential and its wider social and political implications

Dr. Martin Luther King Jr. and the Poor People's Campaign of 1968 Robert Hamilton, 2020-12 This book introduces new audiences to Dr Martin Luther King Jr's final initiative the multiracial Poor People's Campaign PPC of 1968 Robert Hamilton depicts the experience of poor people who traveled to Washington in May 1968 to dramatize the issue of poverty by building a temporary city Resurrection City His narrative allows us to hear their voices and understand the strategies objectives and organization of the campaign In addition he highlights the campaign's educational aspect showing that significant social movements are a means by which societies learn about themselves and framing the PPC as an initiative whose example can teach and inspire current and future generations The study thus situates Dr Martin Luther King Jr's legacy and teachings in relation to current events and further solidifies Dr King's cultural and sociopolitical relevance In the decades since 1968 we have seen increasing global inequality leading to greater social polarization including in the United States Hamilton offers the insight that the radical politics of Dr King as represented in the civil rights and human rights agendas of the PPC can help us understand and address the challenges of this polarization Hamilton highlights Dr King's commitment to ending poverty and explains why Dr King's ideas on this and related issues should be brought to the attention of a wider public who often view him almost exclusively as a civil rights but not a human rights leader

Epistemologies and Ethics in Adult Education and Lifelong Learning Richard G. Bagnall, Steven Hodge, 2022-02-17 This book presents and advocates for a framework of competing epistemologies and conceptions of ethics

as a way of understanding modernist lifelong learning These epistemologies are grounded in a recognition of the normative nature of knowledge that informs lifelong learning each being framed by a different account of the sort of knowledge that is most valued and therefore foregrounded in lifelong learning policy provision and engagement informed by the epistemology Each epistemology is also characterised by its constituent conception of ethics Four such epistemologies and conceptions of ethics are here recognised as having been important in the lifelong learning movement to date disciplinary developmental emancipatory and design The authors argue that assumptions about knowledge and moral positions constitute a powerful but not well understood feature of such arguments awareness of these assumptions and positions could serve to powerfully advance the overall understanding of what is at stake in lifelong learning and adult education at all levels **Handbook of**

Adult and Continuing Education Carol E. Kasworm, Amy D. Rose, Jovita M. Ross-Gordon, 2010-05-27 Drawing on the contributions of 75 leading authors in the field this 2010 Edition of the respected Handbook of Adult and Continuing Education provides adult education scholars programme administrators and teachers with a solid foundation for understanding the current guiding beliefs practices and tensions faced in the field as well as a basis for developing and refining their own approaches to their work and scholarship Offering expanded discussions in the areas of social justice technology and the global dimensions of adult and continuing education the Handbook continues the tradition of previous volumes with discussions of contemporary theories current forms and contexts of practice and core processes and functions Insightful chapters examine adult and continuing education as it relates to gender and sexuality race our aging society class and place and disability Antonio Gramsci: A Pedagogy to Change the World Nicola Pizzolato, John D. Holst, 2017-06-12

This volume provides evidence for the argument of a central place of pedagogy in the interpretation of Gramsci's political theory Gramsci's view that every relationship of hegemony is necessarily a pedagogical relationship makes it imperative to dismiss narrow and formal interpretations of his educational theories as applying to schooling only This book argues that what is required rather is an inquiry into the Italian thinker's broad conceptualisation of pedagogy which he thought of as a quintessential political activity central to understanding and transforming society Preceded by a broad introduction that positions Gramsci in his context and in the literature the essays in this book critically revisit the many passages of the Prison Notebooks and pre prison writings where Gramsci addresses the nexus between politics and pedagogy Some essays apply those concepts to specific contexts The book for the first time brings to the attention of an English speaking audience voices from the current historiography in Italy and Latin America We are forced at regular intervals to consider how Gramsci might still be useful in particular national territories in an international context How can we carry on with pessimism of the intelligence but find some basis for optimism of the will From the foreword of Anne Showstack Sassoon Visiting Professor of Politics at the Department of Politics at Birbeck University of London **International Encyclopedia of Education**
