Social Structure Of Christian Families A Historical Perspective:

The Social Structure of Christian Families Brian W. Grant, 2000 This comprehensive study traces the history of Christian family practices from ancient Israel to today with an emphasis on the past 500 years Grant looks at how the shape of the family has influenced the theological shape of the church paying particular attention to the family's role in the theology of today's church He concludes with a discussion of a contemporary constructive theology of family **The Family As**

Basic Social Unit Kevin Schemenauer, 2024-06 The Family as Basic Social Unit provides a theologically rooted account of the family's social roles and responsibilities As a basic social unit the family is both internally social and socially interdependent with other social communities Reflecting on the family's internally social character Schemenauer proposes that Catholic social teaching applies to family interactions He analyzes household labor using papal teaching on work and sibling violence with more recent theological analysis of peacemaking and he argues that families can complete works of mercy when they feed hungry and care for sick family members In the second part of the volume Schemenauer describes the social interdependence of families He analyzes the relationship between families and the Church civil society the economy and the state Schemenauer proposes that the question for families is not whether to engage with other social communities but how to do so well He explicitly highlights how consumer capitalism creates obstacles for families attempting to live as a basic social unit Then employing the categories of infused simplicity and moral cooperation he provides a framework for discerning family engagement with broader society Finally Schemenauer analyzes the relationship between family commitments and social ministry Working from the family outward Schemenauer describes how family commitments can motivate broader social service but then employs the example of families involved in the Catholic Worker Movement to reflect on the joys and dangers of balancing commitment to one's family with social ministry focused on the urgent needs of those outside of one's household **Diversity in Couple and Family Therapy** Shalonda Kelly, 2016-12-12 This

unprecedented volume provides a primer on diverse couples and families one of the most numerous and fastest growing populations in the United States illustrating the unique challenges they face to thrive in various cultural and social surroundings In Diversity in Couple and Family Therapy Ethnicities Sexualities and Socioeconomics a clinical psychologist and couples and family therapist with nearly two decades experience leads a team of experts in addressing contemporary elements of diversity as they relate to the American family and covering key topics that all Americans face when establishing their identities including racial and ethnic identity gender and sexual orientation identity religious and spiritual identity and identity intersections and alternatives Moreover it includes chapters on cross cultural assessment of health and pathology and tailoring treatment to diversity Every chapter includes vignettes that serve to illustrate the nuances of and solutions to the concerns and issues as well as the strengths and resilience often inherent in diverse couples or families Effective methods of coping with stereotypes intergenerational trauma discrimination and social and structural disparities are

presented as are ways to assess and empower couples and families This text includes experiences and traditions of subgroups that typically receive little attention from being seen as too common such as white and Christian families or from being seen as too uncommon such as couples and families from specific Native American tribes and multiracial couples and families Thus it addresses the curricular changes needed to master the diversity found in contemporary American couples and families The text offers a holistic perspective on diverse couples and families that is consistent with the increasing prominence of models that transcend individual diagnoses and biology to include social factors and context Theory policy prevention assessment treatment and research considerations are included in each chapter Topics include African American Asian American Latino Native American white biracial multiracial intercultural LGBT Christian Jewish and Muslim couples and families as well as diverse family structures The depth of every chapter includes attention to subgroups within each category such as African American and Caribbean couples and families as well as those who represent the intersection between varying oppressed identities such as an intercultural gay family or a poor homeless interracial couple Additionally each chapter provides a review section with condensed and easy to understand summaries of the key take away lessons

Constructing Early Christian Families Halvor Moxnes,2002-06 Constructing Early Christian Families explores the complex picture of family relations and the manifold attitudes to the family in the early Christian world *Sex and the Single Savior* Dale B. Martin,2006-01-01 Probing into numerous questions about gender and sexuality Dale Martin delves into the biblical texts anew and unearths surprising findings Avoiding preconceptions about ancient sexuality he explores the ethics of desire and marriage and pays careful attention to the original meanings of words especially those used as evidence of Paul s opposition to homosexuality For example after a remarkably faithful reading of the scriptural texts Martin concludes that our contemporary obsession with marriage and the whole search for the right sexual relationships is antithetical to the message of the gospel In all of these essays however Martin argues for engaging Scripture in a way that goes beyond the standard historical critical questions and the assumptions of textual agency in order to find a faith that has no foundations other than Jesus Christ **The Bible and Children in Africa** Lovemore Togarasei,Joachim Kügler,2014-12-30 **We Look for a Kingdom** Carl Sommer,2010-01-05 Carl Sommer presents a popular study of the faith and life of the early Christians in the first two centuries after Christ Using documentary evidence and archaeological records Sommers reconstructs the lives of the early Christians in order to introduce the treasures of early Christianity to a large number of modern readers By studying how the early Christians believed and lived we can learn many valuable lessons on what to avoid and what to strive for today The Roman world had many facets that are strikingly similar to elements of modern life Sommer s aim is to help the reader learn how to transform modern culture with the power of the Gospel as was first done in the centuries of the early Church **The History of Families and Households: Comparative European Dimensions** Silvia Sovic,Pat Thane,Pierpaolo Viazzo,2015-11-30 The history of family and households has been the subject of intensive research

for over a generation In the 1970s Peter Laslett and others set the agenda with a strong emphasis on geographical differences between northern and southern eastern and western Europe Others have challenged this view pioneering different approaches This volume takes stock of the field focussing particularly on family history in South East Europe in comparison with the rest of Europe The authors consider what European families have in common their regional and local differences and changes over time using the rich and fascinating variety of sources and methods used by family historians today Contributors include Guido Alfani Judit Ambrus Mirjana V Bobi Siegfried Gruber Peter Guzowski Violetta Hionidou Daniela Lombardi Beatrice Moring Silvia Sovi Pat Thane Alice Velkov Marta Verginella and Pier Paolo Viazzo

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
