Social Work And Dementia Good Practice And Care Management:

Best Practice in Social Work Karen Jones, Barry Cooper, Harry Ferguson, 2007-11-27 Social work has laboured too long under a deficit model that focuses on failings and problems of practice Emphasising best practice strengths and collaborative partnership this ambitious book seeks to redress the balance Undergraduate and post qualifying social work students alike will find it a useful resource

Primary Care and Dementia Steve Iliffe, Vari Drennan, 2001-06-15 This practice and training guide is written with the needs of health and social care professionals working with people with dementia in mind The book is illustrated with case studies and includes a chapter on understanding and responding to the needs of the carer such as access to information and support and the effect on their own health

Healing Arts Therapies and Person-centered Dementia Care Anthea Innes, Karen Hatfield, 2002 Offers practical advice for arts therapists and health care professionals delivering person centered dementia care By using case studies of different arts therapies the contributors show the beneficial effects of this approach leading to the benefits of a sense of community and group interaction

Ethical Issues in Dementia Care Julian C. Hughes, Clive Baldwin, 2006 There are always difficult day to day decisions to be faced when caring for a person with dementia This book considers these ethical decisions in the context of relationships treatment safety and quality of life offering practical guidance and advice

Critical Issues in Social Work With Older People Mo G. Ray, Miriam Bernard, Judith Phillips, 2018-06-26 This timely text highlights the importance of informed and critical practice in social work with older people With an emphasis on reflection throughout it argues for the need to rethink how social workers support some of the most vulnerable people in society The text begins with an exploration of the relationship between gerontology the study of aging and social work and demonstrates that a gerontological approach has long been missing from social work practice The central chapters consider key issues affecting older people and social work practice such as Risk of poverty Memory loss and dementia Palliative and end of life care Loss and bereavement Moving into a care home Bringing together theoretical and research insights this agenda setting text provides a sound base for creative practice with older people All those looking to make a positive and discernible difference to older people will find this text rewarding reading

Palliative Care, Social Work, and Service Users Peter Beresford, Lesley Adshead, Suzy Croft, 2007 This unique book provides a rare look at social work and palliative care from the perspective of service users Drawing on new original research the authors examine service users experiences tracking their journeys through it exploring the care they receive and the effects of culture and difference through their first hand comments and ideas

Design for Nature in Dementia Care Garuth Chalfont, 2008 Adopts a holistic and person centred approach to caring for dementia sufferers by considering their emotional psychological and spiritual well being Provides comprehensive examples of the wide range of ways a person can connect to nature through indoor and outdoor activities elements and environments

Including the Person with Dementia in Designing and Delivering Care Elizabeth Barnett, 2000 Looking at the roles of those who decide on how what where and

when care is given as well as those who deliver care this text outlines recommended measures for working with elderly people who have dementia **Specialist Communication Skills for Social Workers** Johanna Woodcock Ross,2017-09-16 This book gives students a solid understanding of the key issues involved in effective communication within social work settings Now going into its second edition it combines practical examples with a clear theoretical approach and demonstrates the subtleties of communication with specific and diverse service users and carers **Social Work Practice with Older People** Rory Lynch,2013-11-13 Older people are the biggest service user group for social workers and an increasing proportion of the population In this refreshingly positive and practical textbook Rory Lynch draws on years of practice and teaching experience to show how to achieve best social work practice with older adults He takes a person centred approach which fosters respect by valuing the fact that elderly people have more lived experience than others Exploring the key theoretical approaches and methods of intervention this book helps social workers to identify understand and facilitate their service users wishes for well being and a fulfilling older age Chapters are practice driven containing case studies drawn from a range of care settings reflective questions and exercises Mapping directly onto the key modules on the social work degree this is essential reading for all student social workers especially as they prepare to go on their practice placement It is also valuable reading for qualified social workers Rory Lynch is Lecturer in Social Work at Robert Gordon University **Leading Good Care** John Burton,2015-02-21 Written for the hard pressed manager of social care Leading Good Care cuts through the obstructions of red tape and procedures to focus on task role and practice Managers will discover in this book understanding inspiration confidence and the authority to lead their service *Social Work and Dementia* Margaret Anne Tibbs,2001 A practical resource written specifically for social care professionals working with people with dementia and their families this book gives guidance on person centred good practice throughout the care process from the initial diagnosis through day care respite care long term care and death and attachment The guide will enable social workers to manage their cases effectively and empathetically making appropriate culturally sensitive decisions and acting as advocates for this growing client group It contains essential background material about the financial and legal context including an explanation of the relevance of the Mental Health Act 1983 The author locates weak points in current provision and makes practical suggestions for future developments Social Work and Dementia will enable social services to meet the needs of older clients experiencing dementia and to understand apply and contribute to new developments in their care Best Practice with Older People Karen Jones,Susanna Watson,2013-08-30 Social workers often have to handle a great deal of negativity in their working lives This book celebrates social work practice at its most positive and influential and in doing so contributes to a growing literature on critical best practice Focused on 12 unique and compelling stories of social work with older people the authors Provide a fresh and realistic insight into life as a social worker and the dilemmas and difficulties that practitioners typically face Illustrate how knowledge theory and research are integrated in professional decision making and action Show social workers

analyzing their own cases and include reflective questions to help readers formulate their own learning and thereby develop their own practice This book provides students on qualifying courses with an invaluable perspective on real life practice and gives qualified practitioners the opportunity to reflect on and better their own practice Aspects of Social Work and Palliative Care Jonathan Parker,2005 This text provides a wide range of central issues in palliative care social work practice and brings together a number of authors with expertise in their particular areas of practice *Becoming a Trainer in Adult Abuse Work* Jacki Pritchard,2001 This work deals with a comprehensive range of issues including a selection of trainers and practicalities such as venue equipment refreshments and policy law and evaluation and difficult issues ranging from disclosure and confidentiality to lack of confidence and time management **Dementia** David Ames,John T. O'Brien,Alistair Burns,2017-02-24 Dementia represents a major public health challenge for the world with over 100 million people likely to be affected by 2050 A large body of professionals is active in diagnosing treating and caring for people with dementia and research is expanding Many of these specialists find it hard to keep up to date in all aspects of dementia This book helps solve that problem The new edition has been updated and revised to reflect recent advances in this fast moving field

Practising Social Work in a Complex World Robert Adams,Lena Dominelli,Malcolm Payne,2017-09-16 This classic textbook provides the clearest and most authoritative introduction available to working in situations characterised not only by risk and change but also by high pressure to deliver successful outcomes Edited by three of the leading names in Social Work Robert Adams Lena Dominelli and Malcolm Payne provide an indispensable guide to successful social work practise Its coherent and thoughtful coverage of practice situations involving complexity tension and uncertainty is uniquely geared to the needs of students in the final stages of their qualifying Social Work course professionals returning to study or those simply wishing to deepen their professional understanding *Creating Person-Centred Organisations* Stephen Stirk,Helen Sanderson,2012-07-15 A guide for charities and private sector organisations in health and social care on how to become a person centred organisation which provides strategies and tools rooted in experience *Supporting People with Dementia at Home* David Challis,Caroline Sutcliffe,Jane Hughes,Richard von Abendorff,Pamela Brown,John Chesterman,2016-04-01 Supporting People with Dementia at Home details a groundbreaking study of an intensive care management scheme designed for older people with dementia that are at risk of entry into residential care The authors use a quasi experimental approach to compare how the individuals on the mental health team in one community were matched to a similar community without the service They analyze the evidence focusing on the eventual placement of the individual suffering the quality of care they receive and also the needs of their carers This book offers valuable evidence about the factors which can maximize the independence and well being of older people with dementia from the perspective of older people and their carers For those who commission services it is highly relevant to service models for the National Dementia Strategy in England

Social Work and Community Care Malcolm Payne,1995-06-07 Social Work and Community Care makes a powerful

case for the effective involvement of social work skills knowledge and values as part of the effective development of policy and multi professional practice in community care Malcolm Payne shows how ideas of community and community care are entwined with the development of social work and the social services Each stage of the community care process is examined in turn to show how social work liaison and interpersonal skills are needed in creating and implementing care packages effectively
