Socialist Register Ralph Miliband, 1983-10-01 The Socialist Register, 1978 Ralph Miliband, John Saville, 1978-01-01

The Socialist Register John Saville, 1985 *Class, Power and the State in Capitalist Society* P. Wetherly, C. Barrow, P. Burnham, 2007-12-14 This collection of new essays re-examines and evaluates central themes in the work of Ralph Miliband a leading contributor to Marxist political theory in twentieth century It provides an essential reference point for research within the Marxist tradition and a valuable resource for students on a range of courses in political and social theory **The Ellen Meiksins Wood Reader** Ellen Meiksins Wood, Larry Patriquin, 2012-10-12 This Reader includes selections from Ellen Meiksins Wood's groundbreaking scholarship providing an overview of her original interpretations of capitalism precapitalist societies the state political theory democracy citizenship liberalism civil society the Enlightenment globalization imperialism and socialism *Critical Companion to Contemporary Marxism* Jacques Bidet, 2008 International and interdisciplinary in range and scope the Critical Companion to Contemporary Marxism provides a thorough and precise panorama of recent developments in Marxist theory in the US Europe and beyond Africa since Independence Paul Nugent, 2012-06-13 An indispensable introductory textbook that provides students with a genuinely comparative study of the different trajectories and experiences of independent African states Paul Nugent explores a range of key concerns including the impact of HIV and AIDS the contagion of warfare and efforts at achieving national reconciliation both in the past and today This is an ideal core text for modules on Modern African History African Politics or Africa since Independence or a supplementary text for broader modules on African History which may be offered at the upper levels of an undergraduate History Politics or African Studies degree In addition it is a crucial resource for students who may be studying modern African history for the first time as part of a taught postgraduate degree in African History African Politics or African Studies New to this Edition Revised and updated throughout in light of the latest research Reflects recent developments on issues such as AIDS urbanization the secession of South Sudan questions of citizenship and the importance of transnational spaces This second edition now features photographs **Paying for the Welfare State in the 21st Century** David Byrne, Sally Ruane, 2017-06-28 What does the future hold for the welfare state in the post industrial 21st century Political and economic forces are threatening the taxation regimes of highly globalised capitalist societies prompting an urgent debate around the function of the welfare state and how we pay for it In a challenge to current policy and thinking David Byrne and Sally Ruane deploy the concepts and analytical tools of Marxist political economy to better understand these developments and the possibilities they present for social change Using the SNP in Scotland as an illustrative case study current debates are related to a critical understanding of the relationship between taxation and spending issues that are fundamental to early 21st century politics and the future of the welfare state **The Routledge Companion to Business History** John Wilson, Steven Toms, Abe de Jong, Emily Buchnea, 2016-12-01 The Routledge Companion to Business History is a definitive work of reference and authoritative

international source on business history Compiled by leading scholars in the field it offers both researchers and students an introduction and overview of current scholarship in this expanding discipline Drawing on a wealth of international contributions this volume expands the field and explores how business history interacts theoretically and methodologically with other fields It charts the origins and development of business history and its global reach from Latin America and Africa to North America and Europe With this multi perspective approach it illustrates the unique contribution of business history and its relationship with a range of other disciplines from finance and banking to gender issues in corporations The Routledge Companion to Business History is a vital source of reference for students and researchers in the fields of business history corporate governance and business ethics This collection is an excellent starting point for understanding the field and finding areas where business history management theory and social science can intersect Canadian Business History Newsletter January 2019 *The Popular and the Political* Michael Prior, 2013-04-15 The failure of the left in Britain to achieve its objectives in the past and the rapidly changing nature of popular involvement in politics in recent years both suggest the need for a reappraisal of socialist strategy in the 1980s *The Popular and the Political* explores the need to redefine socialism in terms which extend beyond statism which has been the mark of both the social democracy of the last two Labour government and the Marxist left and which reflect the changing nature of contemporary Britain The essays presented here consider social policy in a wide range of fields health housing energy and economic planning as well as the broad questions of democratic involvement in the political process
