Society Of Six William Clapp August Gay:

Society of Six Oakland Museum, 1972 **Society of Six** Oakland Museum. Art Department, 1972 **Society of Six** Oakland Art Museum, Terry St. John, 1972* Society of Six: William Clapp, August Gay, Selden Gile, Maurice Logan, Louis Siegriest, Bernard Von Eichman, 1972 *Society of Six, William Clapp, August Gay, Selden Gile, Maurice Logan, Louis Siegriest, Bernard Von Eichman* Oakland Museum, 1972 The Society of Six Nancy Boas, 1997 The Oakland Six may constitute the most important modernist development that occurred in this country during the 1920s William H Gerdts author of *American Impressionism* **Society of Six** Nancy Boas, 2023-09-01 Six plein air painters in Oakland California joined together in 1917 to form an association that lasted nearly fifteen years The Society of Six Selden Connor Gile Maurice Logan William H Clapp August F Gay Bernard von Eichman and Louis Siegriest created a color centered modernist idiom that shocked establishment tastes but remains the most advanced painting of its era in Northern California Nancy Boas's well informed and sumptuously illustrated chronicle recognizes the importance of these six painters in the history of American Post Impressionism The Six found themselves in the position of an avant garde not because they set out to reject conventionality but because they aspired to create their own indigenous modernism While the artists were considered outsiders in their time their work is now recognized as part of the vital and enduring lineage of American art Depression hardship ended the Six's ascendancy but their painterliness use of color and deep alliance with the land and the light became a beacon for postwar Northern California modern painters such as Richard Diebenkorn and Wayne Thiebaud Combining biography and critical analysis Nancy Boas offers a fitting tribute to the lives and exhilarating painting of the Society of Six

Calling California Home Heather Waite, 1999 With an eye for detail and a sardonic sense of humor Waite surveys California from past to present revealing the origins attitudes quirks curiosities and little known facts that make the Golden State unique *The Life of Maynard Dixon* Donald J. Hagerty, Maynard Dixon, 2010 Maynard Dixon embellished themes that encompassed the timeless truth of the majestic western landscape the humanity of its memorable people and the religious mysticism of the Native American In an attempt to uncover the spirit of the American West Dixon roamed its plains mesas and deserts drawing painting and expressing his creative personality in poems essays and letters Written in a very personal style this biography includes anecdotes from Dixon's children historical vignettes and interviews with those who knew the artist **The ^Adream Endures** Kevin Starr, 2002-11-28 What we now call the good life first appeared in California during the 1930s Motels home trailers drive ins barbecues beach life and surfing sports from polo and tennis and golf to mountain climbing and skiing sportswear a word coined at the time and sun suits were all a part of the good life perhaps California's most distinctive influence of the 1930s In *The Dream Endures* Kevin Starr shows how the good life prospered in California in pursuits such as film fiction leisure and architecture and helped to define American culture and society then and for years to come Starr previously chronicled how Californians absorbed the thousand natural shocks of the Great Depression

unemployment strikes Communist agitation reactionary conspiracies in *Endangered Dreams* the fourth volume of his classic history of California In *The Dream Endures* Starr reveals the other side of the picture examining the newly important places where the good life flourished like Los Angeles where Hollywood lived Palm Springs where Hollywood vacationed San Diego where the Navy went the California Institute of Technology in Pasadena where Einstein went and changed his view of the universe and college towns like Berkeley We read about the rich urban life of San Francisco and Los Angeles and in newly important communities like Carmel and San Simeon the home of William Randolph Hearst where each Thursday afternoon automobiles packed with Hollywood celebrities would arrive from Southern California for the long weekend at Hearst Castle The 1930s were the heyday of the Hollywood studios and Starr brilliantly captures Hollywood films and the society that surrounded the studios Starr offers an astute discussion of the European refugees who arrived in Hollywood during the period prominent European film actors and artists and the creative refugees who were drawn to Hollywood and Southern California in these years Igor Stravinsky Arnold Schoenberg Man Ray Bertolt Brecht Christopher Isherwood Aldous Huxley Thomas Mann and Franz Werfel Starr gives a fascinating account of how many of them attempted to recreate their European world in California and how others like Samuel Goldwyn provided stories and dreams for their adopted nation Starr reserves his greatest attention and most memorable writing for San Francisco For Starr despite the city's beauty and commercial importance San Francisco's most important achievement was the sense of well being it conferred on its citizens It was a city that magically belonged to everyone Whether discussing photographers like Edward Weston and Ansel Adams hard boiled fiction writers or the new breed of female star Marlene Dietrich Jean Harlow Bette Davis Carole Lombard and the improbable Mae West *The Dream Endures* is a brilliant social and cultural history in many ways the most far reaching and important of Starr's California books

Catalog of Printed Books. Supplement Bancroft Library, **Art in the San Francisco Bay Area, 1945-1980** Thomas Albright, 2023-12-22 *Art in the San Francisco Bay Area 1945 1980 An Illustrated History* by Thomas Albright provides a comprehensive exploration of the postwar art movement in one of America's most vibrant cultural hubs Spanning over three decades this book delves into the unique contributions of the San Francisco Bay Area to the nation's artistic heritage covering the evolution of its art scene its rise to prominence and its eventual decline in relation to New York's dominance in the 1960s Originally sparked by a series of lectures Albright gave at the San Francisco Museum of Modern Art in 1974 the book offers a rich narrative that blends personal insight with rigorous research Albright a longtime art critic for the San Francisco Chronicle brings his extensive experience and insider perspective to the task of documenting a previously unexamined period in American art history The book's beautifully illustrated pages not only capture the artistic essence of the region but also shine a light on the creative figures and movements that shaped the Bay Area's distinctive artistic voice This invaluable volume serves as both a historical record and an engaging guide for anyone interested in the evolution of modern art in the San Francisco Bay Area This title is part of UC Press's Voices Revived program which

commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1985 **The Pacific Region** Jan Goggans, Aaron DiFranco, 2004-12-30 Robert Penn Warren once wrote West is where we all plan to go some day and indeed images of the westernmost United States provide a mythic horizon to American cultural landscape While the five states California Oregon Washington Alaska and Hawai i which touch Pacific waters do share commonalities within the history of westward expansion the peoples who settled the region and the indigenous peoples they encountered have created spheres of culture that defy simple categorization This wide ranging reference volume explores the marvelously eclectic cultures that define the Pacific region From the music and fashion of the Pacific northwest to the film industry and surfing subcultures of southern California from the vast expanses of the Alaskan wilderness to the schisms between native and tourist culture in Hawai i this unprecedented reference provides a detailed and fascinating look at American regionalism along the Pacific Rim The Greenwood Encyclopedia of American Regional Cultures is the first rigorous reference collection on the many ways in which American identity has been defined by its regions and its people Each of its eight regional volumes presents thoroughly researched narrative chapters on Architecture Art Ecology Ethnicity Fashion Film Folklore Food Language Literature Music Religion and Sports Recreation Each book also includes a volume specific introduction as well as a series foreword by noted regional scholar and former National Endowment for the Humanities Chairman William Ferris who served as consulting editor for this encyclopedia **Artists at Continent's End** Scott A. Shields, 2006-04-17 From 1875 to the first years of the twentieth century artists were drawn to the towns of Monterey Pacific Grove and then Carmel Artist at Continent's End is the first in depth examination of the importance of the Monterey Peninsula which during this period came to epitomize California art Beautifully illustrated with a wealth of images including many never before published this book tells the fascinating story of eight principal protagonists Jules Tavernier William Keith Charles Rollo Peters Arthur Mathews Evelyn McCormick Francis McComas Gottardo Piazzoni and photographer Arnold Genthe and a host of secondary players who together established an enduring artistic legacy prospectus **Impressions of California** Joseph N. Newland, 1996 **The Modern West** Emily Ballew Neff, Barry Holstun Lopez, 2006-01-01 A fascinating and novel exploration of the transformative role played by the American West in the development of modernism in the United States Drawing extensively from various disciplines including ethnology geography geology and environmental studies this groundbreaking book addresses shifting concepts of time history and landscape in relation to the work of pioneering American artists during the first half of the 20th century Paintings watercolors and photographs by renowned artists such as Frederic Remington Georgia O Keeffe Ansel Adams Thomas Hart Benton Dorothea Lange and Jackson Pollock are considered alongside American Indian ledger drawings tempuras and Dineh sandpaintings Taken together these works document the

quest to create a specifically American art in the decades prior to World War II The Modern West begins with a captivating meditation on the relationship between human culture and the physical landscape by Barry Lopez who traveled the West in the artists footsteps Emily Ballew Neff then describes the evolving importance of the West for American artists working out a radically new aesthetic response to space and place from artist explorers on the turn of the century frontier to visionaries of a Californian arcadia to desert luminaries who found in its stark topography a natural equivalent to abstraction Beautifully illustrated and handsomely designed this book is essential to anyone interested in the West and the history of modernism in American art The Not-So-Still Life Susan Landauer,William H. Gerdts,Patricia Trenton,2003-11-10 Presenting interpreting and celebrating the world renowned and the lesser known California artists who have uniquely defined and redefined the still life this volume offers an exploration of the sensual pleasures the aesthetic challenges and the intellectual and perceptual associations of a century of art through the prism of a single genre BOOK JACKET Art of California ,1989

LAX, the Los Angeles Exhibition LAX, the Los Angeles Exhibition,1992 *American Art* ,2005
