Society And Puritanism:

Society and Puritanism in Pre-revolutionary England Christopher Hill, 2018-09-25 How Puritanism made modern Britain In order to understand the English Revolution and Civil War it is essential to get a grasp on the nature of Puritanism In this classic work of social history Christopher Hill reveals Puritanism as a living faith one responding to social as well as religious needs It was a set of beliefs that answered the hopes and fears of yeomen and gentlemen as well as merchants and artisans in a time of tribulation and extraordinary turbulence Over this period Puritanism was interwoven into daily life Here Hill looks at how rituals and practices such as oath taking the Sabbath bawdy courts and poor relief offered a way to bring order to social upheaval He even offers an explanation for the emergence of the seemingly paradoxical figure of the age the Puritan revolutionary

Society and Puritanism in Pre-revolutionary England Christopher Hill, 2003 *Society and Puritanism in Pre-revolutionary England* John Edward Christopher Hill, 1969

Society and Puritanism in Pre-Revolutionary England. by Christopher Hill Christopher Hill, 1964 *The Puritan Experiment* Francis J. Bremer, 1976

Symposium on Puritanism and Society (JCR Vol. 06 No. 02) Gary North, Allen C. Guelzo, David H. Chilton, Richard Flinn, Rita Mancha, Edmund S. Morgan, James B. Jordan, Gordon Geddes, Greg L. Bahnsen, This volume is devoted to a study of the Puritans the contributors survey the impact of Puritan sermons thought and law on society in general There is little doubt today that the Puritan movement in England and the New World helped to reshape the basic institutions of the Anglo Saxon world In previous issues we have surveyed the Puritan views concerning civil law economics science and other kingdom institutions Now we focus on those aspects of Puritan life that concerned the family the institutional church music death and Cromwell s Protectorate Whatever politics you adopt he says should be liberal whatever economics you adopt of course should be interventionist Not impressed by biblical law Dr Lloyd Jones falls back upon the conventional unconventionality of late twentieth century British politics all in the name of liberal innovation He ignores the fact that the dominion covenant was reestablished after the Fall with Noah The Fall has now become an excuse for not doing anything to cure its effects However he said in his 1975 essay Looking at history it seems to me that one of the greatest dangers confronting the Christian is to become a political conservative and an opponent of legitimate reform and the legitimate rights of people p 103 But if explicitly Christian reform is doomed what kind of legitimate reform does he have in mind Why Calvinist reform meaning economic interventionism since Arminianism supposedly leads to laissez faire Arminianism over stresses liberty It produced the laissez faire view of economics and it always introduces inequalities some people becoming enormously wealthy and others languishing in poverty and destitution p 106 Free enterprise creates inequality If these conclusions seem preposterous to you you will want to order the latest Journal of Christian Reconstruction which contains my article showing how free enterprise economics came to the Puritan colonies iii the final years of the 17th century You will want to read Gordon Geddes essay on the Puritan view of death Greg Bahnsen s defense of biblical law

against Merideth Kline's attack Rita Mancha's study of women in Calvinist thought Richard Flinn's essay on the Puritan concept of the family James Jordan's essay on Puritanism and music and David Chilton's defense of Oliver Cromwell Puritanism and Society will provide you with information which will enable you to decide whether Dr Lloyd Jones' assessment is correct whether his view on 17th century Puritanism's outlook is truly heretical These three issues of The Journal have created considerable controversy The idea that Puritanism was essentially a package deal a comprehensive world and life outlook that affected all spheres of social life has alienated numerous self-proclaimed neo Puritans This series has also driven another group to abandon the Puritan tradition and to adopt a kind of neo anabaptism to replace the older theonomic Puritan tradition The reprinting neo Puritans have faced a dual challenge either adopt the theonomic tradition which was fundamental to the Puritan movement or else abandon Puritanism's tradition in favor of new anabaptism Predictably they wish to do neither Yet to remain betwixt and between is to remain caught in a crossfire The interesting product of this immobility has been a narrowing of focus endless articles on the beneficial emotionalism of Puritanism and a stream of biographical articles primarily dealing with the less well known later preachers who have defended predestination but who had little or no lasting influence on Western culture and who were not explicitly Puritan in their outlook

Society and Politics in the Plays of Thomas Middleton Swapan Chakravorty, 1996-05-23 A comprehensive reassessment of Middleton's cultural importance this wide ranging study examines both the writer's dramatic and non dramatic texts to show how he laid bare the complicit interests at work behind assumptions about sex morality society and politics in late feudal culture Middleton's importance has long been acknowledged in the modern theatre but academic criticism still seems distracted by questions regarding his morals and Puritanism Swapan Chakravorty argues against the reductivism of such enquiries and demonstrates the complexity behind the texts disengagement from received ideological premises and generic formulae Combining close reading with lively historical analysis Society and Politics in the Plays of Thomas Middleton reveals Middleton to have been a pioneer of politically self-conscious theatre Full of insight this study brings alive the plays meanings by engaging with the social political and cultural concerns of Middleton's day

Law and Society in Puritan Massachusetts David Thomas Konig, 2004-01-21 Distinguished by the critical value it assigns to law in Puritan society this study describes precisely how the Massachusetts legal system differed from England's and how equity and an adapted common law became so useful to ordinary individuals The author discovers that law gradually replaced religion and communalism as the source of social stability and he gives a new interpretation to the witchcraft prosecutions of 1692 Originally published 1979 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Remaking English Society Alexandra Shepard, Steve Hindle, John Walter, 2015 Written by leading authorities the

volume can be considered a standard work on seventeenth century English social history A tribute to the work of Keith Wrightson *Remaking English Society* re examines the relationship between enduring structures and social change in early modern England Collectively the essays in the volume reconstruct the fissures and connections that developed both within and between social groups during the sixteenth seventeenth and eighteenth centuries Focusing on the experience of rapid economic and demographic growth and on related processes of cultural diversification the contributors address fundamental questions about the character of English society during a period of decisive change Prefaced by a substantial introduction which traces the evolution of early modern social history over the last fifty years these essays each of them written by a leading authority not only offer state of the art assessments of the historiography but also represent the latest research on a variety of topics that have been at the heart of the development of the new social history and its cultural turn gender relations and sexuality governance and litigation class and deference labouring relations neighbourliness and reciprocity and social status and consumption STEVE HINDLE is W M Keck Foundation Director of Research at the Huntington Library San Marino California ALEXANDRA SHEPARD is Reader in History University of Glasgow JOHN WALTER is Professor of History University of Essex Contributors Helen Berry Adam Fox H R French Malcolm Gaskill Paul Griffiths Steve Hindle Craig Muldrew Lindsay O Neill Alexandra Shepard Tim Stretton Naomi Tadmor John Walter Phil Withington Andy Wood

Society and Religion in Elizabethan England Richard L. Greaves, 1981 **The Position of Women in the New World's Puritan Society in the Seventeenth Century** Stephanie MacHate, 2011-03-14 Essay from the year 2004 in the subject American Studies Culture and Applied Geography grade 1 0 Dresden Technical University 8 entries in the bibliography language English abstract In order to examine women s status and life in a Puritan society in the New World we first have to know why people left their native country Marilyn J Westerkamp tries to give some reasons in her book *Women and Religion in Early America* In the early sixteenth century the Reformation arrived in England 3 and in the following decades a Puritan culture developed A website¹ tells us that in its core a description of man s direct relationship to God could be found and that thus no one needed a priest to contact God At the beginning of the seventeenth century the Puritan movement was attacked by Anglican bishops so that a few tried to flee When Charles became monarch a tendency of being less tolerant towards Puritan clerics grew as a result of this many influential Puritans were arrested Due to the fact that under the reign of this king numerous ceremonies were formalized and made more complex the Puritans felt that religious ceremonies became artificial and thus their dissatisfaction grew From 1628 on they started to think of emigration to escape the monarch s control Westerkamp 13 English Puritans founded in April 1630 a colony in the New World called New England Westerkamp calls this community which was built in the wilderness a holy experiment As New England was created with the help of England but without an interference of the monarch Westerkamp 14 it was possible to develop the colony independently from the overseas monarchy In this experiment as many women as men were involved and due to the direct

contact between God and the individual religious power could be given to anybody Westerkamp 11 Therefore the status and the role of a woman might differ to that in England

Christian Humanism and the Puritan Social Order Margo Todd, 2002-11-07 The author contends that the traditional views of puritan social thought have done a great injustice to the intellectual history of the 16th century Margo Todd reveals the puritans to be the heirs to a complex intellectual legacy

Female Piety in Puritan New England Amanda Porterfield, 1992 This treatise documents the claim that for Puritan men and women alike the ideals of selfhood were conveyed by female images It argues that these images taught self control shaped pious ideals and established the standards against which the moral character of real women was measured

The Puritan Tradition in America, 1620-1730 Alden T. Vaughan, 1972 A classic documentary collection on New England's Puritan roots is once again available with new material

Science and Society in Restoration England Michael Hunter, 1981-03-26 This book first published in 1981 provides a systematic assessment of the social relations of Restoration science On the basis of a detailed analysis of the early history of the Royal Society Professor Hunter examines the key issues concerning the role of science in late seventeenth century England

The Protestant Ethic and the Spirit of Authoritarianism Milan Zafirovski, 2007-08-17 This book explores the historical and contemporary relationships of Protestant Puritanism to political and social authoritarianism It focuses on Puritanism's original subsequent and modern influences on and legacies in political democracy and civil society within historically Puritan Western societies There is emphasis on Great Britain and particularly America from the 17th to the 21st century

Puritan Society and the Role of the Female Gender in the 17th Century. By the example of Nathaniel Hawthorne's "The Scarlett Letter" Berna Dayioglu, 2022-08-03 Seminar paper from the year 2019 in the subject English Language and Literature Studies Literature grade 2-3 University of Duisburg Essen language English abstract This research paper deals on the historical and cultural background of the 17th Century and will be focused on the literary work The Scarlet Letter Today topics like gender equality and feminism are so important and up to date that one cannot be uninformed Everyone has an opinion and no one is afraid to speak openly about it anymore They are free to say write and think what they believe is right They are able to vote and go to work They can use any social media platform and tweet or post their views and experiences and get some attention This was not the case a few centuries back Women were oppressed and not able to speak their minds Women had to fight for their rights to be acknowledged which has enabled us to be in the position that we are in now The Scarlet Letter by Nathaniel Hawthorne is a literary work that has academic value and is often classified as required reading in classes It was published 1850 and tells the story of a woman in Puritan times who has to face the consequences of committing adultery The novel represents the Puritan society and the way women were treated in that time It gives attention on the ideology and gives many details in which today's readers can imagine the struggle of obedience to the system
