Society Of Captives A Study Of A Maximum Security:

The Society of Captives Gresham M. Sykes, 2020-09-01 The Society of Captives first published in 1958 is a classic of modern criminology and one of the most important books ever written about prison Gresham Sykes wrote the book at the height of the Cold War motivated by the world's experience of fascism and communism to study the closest thing to a totalitarian system in American life a maximum security prison His analysis calls into question the extent to which prisons can succeed in their attempts to control every facet of life or whether the strong bonds between prisoners make it impossible to run a prison without finding ways of accommodating the prisoners Re released now with a new introduction by Bruce Western and a new epilogue by the author The Society of Captives will continue to serve as an indispensable text for coming to terms with the nature of modern power

The Society of Captives Gresham M'Cready Sykes, 1962 **The Society of Prisoners** Renaud Morieux, 2019-10-03 In the eighteenth century as wars between Britain France and their allies raged across the world hundreds of thousands of people were captured detained or exchanged They were shipped across oceans marched across continents or held in an indeterminate limbo The Society of Prisoners challenges us to rethink the paradoxes of the prisoner of war defined at once as an enemy and as a fellow human being whose life must be spared Renaud Morieux redefines how we understand the notion of what a prisoner of war was before international legal and social conventions were introduced in the eighteenth century the distinction between a prisoner of war a hostage a criminal and a slave was not always clear cut Morieux then uses war captivity as a lens through which to observe the eighteenth century state how it transformed itself and why it endured In so doing he invites the reader to trace the history of the prisoners via a journey between Britain France the West Indies and St Helena Power and Pain in the Modern Prison Be Crewe, 2022
