Sociological Lives:

Sociological Lives and Ideas Fred C. Pampel, 2006-09-15 Despite their role in founding and defining the discipline of sociology the field's classical theorists typically receive only cursory attention in standard introductory texts Written specifically for undergraduate students this supplemental text Fred Pampel's *Sociological Lives and Ideas* brings to life the fundamental ideas of Karl Marx Emile Durkheim Max Weber Georg Simmel George H Mead and W E B DuBois by placing them in the context of each theorist's biography By exploring the lives and times of these key figures students will gain a richer understanding of their intellectual legacies as well as of the ways in which their work can be applied to current issues

Social Change and the Life Course: Sociological lives American Sociological Association. Meeting, 1988 *Social Change and the Life Course* Matilda White Riley, 1988 *The Legacy of Anomie Theory* Freda Adler, William S. Laufer, 2020-03-06 This sixth volume of *Advances in Criminological Theory* is testimony to a resurgent interest in anomie strain theory which began in the mid 1980s and continues unabated Contributors focus on the new body of empirical research and theorizing that has been added to the anomie tradition that extends from Durkheim to Merton The first section is a major 75 page statement by Robert K Merton examining the development of the anomie and opportunity structure paradigm and its significance to criminology *The Legacy of Anomie Theory* assesses the theory's continuing usefulness explains the relevance of Merton's concept of goals means disparity as a psychological mechanism in the explanation of delinquency and compares strain theory with social control theory A macrosociological theoretical formulation is used to explain the association between societal development and crime rates In other chapters anomie is used to explain white collar crime and to explore the symbiotic relationship between Chinese gangs and adult criminal organizations within the cultural economic and political context of the American Chinese community *Sociological Lives* Matilda White Riley, 1988-09 *Sociological Lives* gives the reader a glimpse into the sociology of sociology by presenting autobiographical accounts dealing with varied aspects of the interplay between social structures and human lives The contributors reveal something of how their own sociological lives have been influenced by changing social structures and how in turn their lives are variously located in the structure and history of sociology and marked by societal and intellectual trends spanning nearly a century The introspection and retrospection give the reader rare access to the inner experiences of some of the field's leading scholars as well as their appraisal of sociological trends and their ideas of the shape of future trends The c *Sociologists in a Global Age* Mathieu Deflem, 2016-04-01 Sixteen leading international sociologists are brought together in this volume to share their experiences of becoming practitioners in the field Selected for their comparative and transnational interests and experiences the contributors include Martin Albrow Karin Knorr Cetina Diane E Davis Pierpaolo Donati Leon Grunberg Horst J Helle Eiko Ikegami Tiankui Jing Hyun Chin Lim Ewa Morawska Richard M nch Saskia Sassen Joachim J Savelsberg Piotr Sztompka Edward A Tiryakian and Ruut Veenhoven Each contributor provides an auto biographical review of their journey into the

discipline with special attention paid to the intellectual and social political contexts in which their work matured Each chapter concludes with a commentary on the anticipated future direction of that particular sociological area These original and reflective contributions provide fascinating and rare insights into the careers of sociologists living in a global age

Methods of Life Course Research Janet Z. Giele, Glen H. Elder, Glen H. Elder (Jr.), 1998-03-19 Giele and Elder introduce the life course approach show how it developed and what it entails consider how to collect and organise longitudinal data and explore the analysis and interpretation of life course data

Key Ideas in Sociology Martin Slattery, 2003 Key Ideas in Sociology provides a tour d horizon of the great sociological thinkers of the last two centuries their lives their main ideas and their influence on further thinking and practice in sociology Fifty key thinkers in sociology are represented both to give a sense of history to the development of the discipline and to exemplify the range of issues that have been covered Each essay concludes with an annotated Suggested Readings list and a General Bibliography is also provided

Female Students and Cultures of Violence in Cities Julia Hall, 2015-06-12 As the economy constricts it seems living with a chronic sense of fear and anxiety is the new normal for a growing number of urban females Many females are susceptible to victimization by cumulative strands of violence in school their communities families and partnerships Exposure to violence has been shown to contribute to physical and mental health problems a propensity for substance abuse transience and homelessness and unsurprisingly poor school attendance and performance What does a girl do when there is no place to get away from this and even school is a danger zone Why have so many educators turned their attention away from the reality of violence against girls Why is there a tendency to categorize such violence as just another example of the general concept of bullying Critical educators who research the effects of current market logics on the schooling of marginalized youth have yet fully to focus on this issue This volume puts the reality of violence in the lives of urban school girls back on the map investigates answers to the above questions and presents suggestions for change

Sociology Meets Memoir Margaret K. Nelson, 2024-12-17 This innovative book offers a discussion of how memoirs might be useful for sociologists By reading the guide students and teachers alike will gain an understanding of how they might approach the current outpouring of memoirs and incorporate them into their teaching learning writing and research

Ideology and the Social Sciences Graham Kinloch, Raj Mohan, 2000-06-30 The extent to which modern social science continues to reflect the subjective traits of authors and the contexts in which they operate rather than the objective facts or insights they claim to develop remains one of the most striking features of social science research and writing Kinloch and Mohan provide a multidisciplinary and worldwide examination of the ties between the subjective traits of social scientists the contexts in which they affect research and the kinds of knowledge they produce The essays fall into five general topic areas major theoretical issues research as ideology the political context of ideology major factors in the academic setting and the relationship between personal biography and professional ideology This book will be of greatest concern to scholars students and researchers involved with the sociology

of knowledge social theory and methods comparative social science and social problems *When the Center Is on Fire* Diane Harriford, Becky Thompson, 2009-02-17 In this lively and provocative book two feminist public sociologists turn to classical social thinkers W E B Du Bois Max Weber Karl Marx and mile Durkheim to understand a series of twenty first century social traumas including the massacre at Columbine High School the 9 11 attacks the torture at Abu Ghraib prison and Hurricane Katrina Each event was overwhelming in its own right while the relentless pace at which they occurred made it nearly impossible to absorb and interpret them in any but the most superficial ways Yet each uncovered social problems that cry out for our understanding and remediation In *When the Center Is on Fire* Becky Thompson and Diane Harriford assert that classical social theorists grappled with the human condition in ways that remain profoundly relevant They show for example that the loss of double consciousness that Du Bois identified in African Americans enabled political elites to turn a blind eye to the poverty and vulnerability of many of New Orleans s citizens The authors compelling sometimes irreverent often searing interpretations make this book essential reading for students activists generations X Y and Z and everybody bored by the 6 o clock news The Meanings of Age Bernice L. Neugarten, 1996-12-15 Neugarten who explains and highlights Neugarten s contributions in light of the most recent research in the fields of gerontology and social policy Carefully edited by Dail A Neugarten each chapter presents the reader with Bernice Neugarten s original formulations on topics such as age norms and age constraints the changing meanings of age and age neutral social policy *Seen and Unseen* K. Flanagan, 2004-09-21 This lively and highly original study explores the link between visual culture and religion in terms of tales memory and character It draws out the sociological implications of handling the virtual and virtue in ways of seeing Using Simmel s approach to religiosity in his third study of sociology in theology Flanagan explores how spectacle is to be understood in ways that yield trust The study will be invaluable for undergraduate and postgraduate courses on visual culture sociology of religion and theology **Radically Speaking** Diane Bell, Renate Klein, 1996 The contributors to *Radically Speaking* show that a radical feminist analysis cuts across class race sexuality region religion and across the generations It is essential reading for Women s Studies sociology cultural studies and anyone interested in processes of social change The collection reveals the global reach of radical feminism and analyze the causes and solutions to patriarchal oppression Seventy writers discuss their ideas and practice of contemporary feminism **God in Moral Experience** Paul Moser, 2023-11-23 This book explains how qualitative awareness content of human moral experience can have intentional features indicating God s reality and goodness Chapters offer a range of topics such as Moral Rapport and Inspiration from God Experiencing God without Philosophy Justifying Divine Ways Co Valuing with God and Persons as Deciders in Dissonance *SAGE Biographical Research* John Goodwin, 2012-06-25 Biographical research may take a range of forms and may vary in its application and approach but has the unified and coherent aim to give voice to individuals The central concern of this collection is to assemble articles from sociology social psychology education health criminology social gerontology
