Sociology of the Renaissance Alfred Wilhelm Otto von Martin,1963 *Sociology of the Renaissance* Alfred von Martin,1963 *Sociology of the Renaissance* Elizabeth Freidheim,2017-07-28 This classic work marks the culmination of a definite stage in the socio economic historiography from the late Middle Ages to the rise of the haute bourgeoisie in the early Renaissance Here Alfred von Martin attempts to discover and define the spirit or essence of the Renaissance and with it the spirit of early capitalism as it arose in Florence His analysis focuses on the capitalist haute bourgeois who represented the economically politically and culturally dominant class of the Renaissance As he shows eventually its decline brings about a new stasis in the aristocratization of the great bourgeoisie as well as the rise of despotism in the fourteenth and fifteenth centuries The shift from an agricultural to a commercial economy was unquestionably one of the essential elements in the transition from medieval to Renaissance civilization This book s republication is a welcome development and will make this classic accessible again to scholars of the Renaissance and Renaissance humanism In addition to its new introduction it also includes a bibliography of von Martin s extensive writings

Sociology of the Renaissance van Martin (Alfred),1944 *Sociological Theory and Educational Reality* Alan Barcan,1993 An examination of the major classical sociological theories relevant to education and of the rise and decline of the new sociology of education Author also discusses the vexed questions of equality of opportunity the relationship between school and society the growth of educational bureaucracies and the roles of state church and family in education in Australia since 1949 Includes endnotes tables and index

Other Renaissances B. Schildgen,Z. Gang,S. Gilman,2006-12-11 Other Renaissances is a collection of twelve essays discussing renaissances outside the Italian and Italian

prompted European Renaissance of the fifteenth and sixteenth centuries The collection proposes an approach to reframing the Renaissance in which the European Renaissance becomes an imaginative idea rather than a particular moment in time

Crime and Justice at the Millennium Robert A. Silverman, Terence P. Thornberry, Bernard Cohen, Barry

Krisberg, 2013-03-09 Ira Lipman Marvin Wolfgang was the greatest criminologist in the United States of America in the last half of the 20th century if not the entire century We first met on March 3 1977 in Philadelphia I sought him out after his work with Edwin Newman's NBC Reports Violence in America He was a tender loving caring individual who loved excellence whether it be an intellectual challenge the arts or any other pursuit It is a great privilege to take part in honoring Marvin Wolfgang a great American Our approaches to the subject of crime came from different perspectives one as a researcher and the other as the founder of one of the world's largest security services companies We both wanted to understand the causes of crime and our discussions began a more than 21 year friendship based on mutual respect and shared values Dr Wolfgang's scholarship aimed for the goal of promoting a safer more prosperous society one in which economic opportunity replaced criminal enterprise He never saw crime in isolation but as part of a complex web of social relations Only by understanding the causes and patterns of crime can society find ways to prevent it Only through scholarship can the criminal justice community influence policy makers To encourage the innovative scholarship that marked Marvin's career Guardsmark established the Lipman Criminology Library at the University of Pennsylvania at his request and created a national criminology award in his name the Wolfgang Award for Distinguished Achievement in Criminology

Dictionary of Visual Discourse Barry Sandywell, 2016-04-22 This substantial and ambitious dictionary explores the languages and cultures of visual studies It provides the basis for understanding the foundations and motivations of current theoretical and academic discourse as well as the different forms of visual culture that have come to organize everyday life The book is firmly placed in the context of the visual turn in contemporary thought It has been designed as an interdisciplinary or transdisciplinary introduction to the vocabularies and grammars of visuality that inform thinking in the arts and humanities today It also offers insight into the philosophical frameworks which underpin the field of visual culture A central theme that runs throughout the entries is the task of moving away from a narrow understanding of visuality inherited from traditional philosophy toward a richer cultural and multi-sensorial philosophy of concrete experience The dictionary incorporates intertextual links that encourage readers to explore connections between major themes theories and key figures in the field In addition the author's introduction provides a comprehensive and critical introduction which documents the significance of the visual turn in contemporary theory and culture It is accompanied by an extensive bibliography and further reading list As both a substantive academic contribution to this growing field and a useful reference tool this book offers a theoretical introduction to the many languages of visual discourse It will be essential reading for graduate students and scholars in visual studies the sociology of visual culture cultural and media studies philosophy art history and theory design film and communication

studies **01 Enlightenment An Interpretation** Peter Gay,1995-05-02 The Enlightenment Peter Gay v II *Routledge Library Editions: Social & Cultural Geography* Various Authors,2022-07-30 Re issuing books originally published between 1969 and 1990 this set of 15 volumes gives a 20 year perspective on the development of the discipline of social geography The books emphasize the increasingly important contribution of geographical theory to the understanding of social change values economic and political organization and ethical imperatives The volumes are authored by well known international geographers and discuss the philosophy and sociology of geography as well as key themes such as the geography of health crime space They also examine the cross over of geography with other disciplines such as literature and history **The Power of Place (RLE Social & Cultural Geography)** John Agnew,James Duncan,2014-01-10 Reflecting the revival of interest in a social theory that takes place and space seriously this book focuses on geographical place in the practice of social science and history There is significant interest among scholars from a range of disciplines in bringing together the geographical and sociological imaginations The geographical imagination is a concrete and descriptive one concerned with determining the nature of places and classifying them and the links between them The sociological imagination aspires to explanation of human activities in terms of abstract social processes The chapters in this book focus on both the intellectual histories of the concept of place and on its empirical uses They show that place is as important for understanding contemporary America as it is for 18th century Sri Lanka They also show how the concept can provide insight into old problems such as the nature of social life in Renaissance Florence and Venice The editors are leading exponents of the view of place as a concept that can mediate the geographical and sociological imaginations **Sociology of the Renaissance, Etc. [A Reduced Photographic Reprint of the Edition of 1944, with a New Introduction.].** Alfred von MARTIN (Dr.jur.),1963 The Impact of the Reformation Heiko Augustinus Oberman,1994 This collection of essays from a distinguished scholar of medieval Renaissance and Reformation history examines one of the most fascinating and turbulent periods of human history from the perspective of the social history of ideas Taking advantage of the windows offered by late medieval scholastic thought the Modern Devotion Johann von Staupitz Martin Luther Marian piety and the escalation of anti Semitism Heiko A Oberman illumines the social and intellectual context for the reform of church and society in the sixteenth century These programmatic essays not only provide analyses of Reformation events but also contribute to the contemporary search for new methods and models that better capture the meaning of that period Recognizing the distance between intellectual and social historians of the Reformation Oberman seeks to bridge the gap by pursuing an innovative path The impact of the Reformation is traced through everyday life as well as through individual programs for change **Ecstasy and Holiness** Frank Musgrove,2019-03-19 This book first published in 1974 argues that the counter culture is not the outcome of alienation but of opportunity being the result of a new generational consciousness an openness which has characterised industrial societies of the West since the 1950s Its roots lie in economic expansion and population movement and growth the

same factors that are cited in the decline of religiousness Seeds of Liberty, Justice, Peace, and Democracy in Early America Satish Sharma, 2023-07-28 This book focuses on the contributions of William Penn a Quaker in sowing some seeds of liberty justice peace and democracy in early America which later became the basis of the 13 English colonies seeking freedom from English rule and the writing of the US constitution The work explores Europe and America during the Enlightenment in the late sixteenth century and the seventeenth and early eighteenth centuries These were times however when discrimination and persecution were common due to prevalent religious and political bigotries Under those circumstances Penn dared to bring relief to the suffering people by providing them with a safe and secure haven where liberty justice peace and democracy ruled and he was the first to do that The book will be useful to those reformers practitioners administrators and scholars engaged in the areas of political studies sociological studies ethics moral studies religious and justice studies peace studies historical and development studies social welfare and social work studies and reform movements **The Politics of Knowledge in Central Asia** Sarah Amsler, 2007-04-24 Through careful historical and ethnographic research and extensive use of local scholarly works this book provides a persuasive and careful analysis of the production of knowledge in Central Asia The author demonstrates that classical theories of science and society are inadequate for understanding the science project in Central Asia Instead a critical understanding of local science is more appropriate In the region the professional and political ethos of Marxism Leninism was incorporated into the logic of science on the periphery of the Soviet empire This book reveals that science organizes and constructed by Soviet rule was also defined by individual efforts of local scientists Their work to establish themselves between Marx and the market is therefore creating new political economies of knowledge at the edge of the scientific world system **Whole Person Education in East Asian Universities** Benedict S. B. Chan, Victor C. M. Chan, 2021-09-08 This book provides much new thinking on the phenomenon of whole person education a phenomenon which features strongly in East Asian universities and which aims to develop students intellectually spiritually and ethically to master critical thinking skills to explore ethical challenges in the surrounding community and to acquire a broad based foundation of knowledge in humanities society and nature The book considers different approaches to whole person education including Confucian Buddhist and Chinese perspectives Western philosophy and religion and interdisciplinary approaches Overall the book provides a comprehensive overview of whole person education why it matters and how to implement it Moreover although the examples in the book are from East Asia the discussion and the values involved are universal important for the whole world *Sociology, Religion and Grace (Routledge Advances in Sociology)* A Szakolczai,
