Brian Cliff, Nicholas Grene

Sociology Snapshots And Portraits Of Society:

Sociology Jack Levin, Arnold Arluke, 1996-03-12 The aim of this introductory text in sociology is to hook students interest and get them to read see and think sociologically The book includes snapshots journalistic accounts and portraits empirical sociological studies Each part is introduced with an essay which ties the snapshots and portraits together and explains where and who the big ideas of the discipline came from their context and how they continue to be applicable to our thinking about society today Each part ends with a section called Developing Your Own Snapshots which encourages students to learn by doing their own sociological thinking There are photo essays at the beginning of each part which serve to capture the students interest

Sociological Snapshots 5 Jack Levin, 2008-06-11 A collection of short informal and contemporary essays that start students on the road to thinking sociologically

Worlds of Difference Eleanor Palo Stoller, Rose Campbell Gibson, 2000 This collection of readings presents a variety of perspectives on ageing from different communities across the United States Native American Puerto Rican African American the elderly homeless white working class gay and Mexican amongst many others The readings cover topics such as life course social and psychological contexts of ageing paid and unpaid activity the American family and health

Sociology David M. Newman, 2025-05-14 Using vivid prose current examples and fresh data the Fifteenth Edition of *Sociology Exploring the Architecture of Everyday Life* presents a unique and thought provoking overview of how society is constructed and experienced Author David M Newman shows students how to see the unfamiliar in the familiar to step back and see organization and predictability in their take for granted personal experiences With his approachable writing style and lively anecdotes Newman s goal from the first edition has been the same to write a textbook that reads like a real book Many adopters of this book are fans of Peter Berger s classic works which helped introduce the idea of social constructionism to sociology Newman uses the metaphors of architecture and construction to help students understand that society is not something that exists out there independently of themselves it is a human creation that is planned maintained or altered by individuals

Media/society David Croteau, 1997

Taking Up Space Pattie Thomas, Ph.D., 2005-10-01 *Taking Up Space* is a sociological memoir about being fat and the physical emotional and economic costs of trying to pass for thin in a culture that stigmatizes fat people Making her own life a case study medical sociologist Pattie Thomas Ph D with the help of her co author and husband Carl Wilkerson M B A outlines how stigma limit and shape the life chances of all people and are supported within culture Through narrative text poetry essays photos and drawings Dr Thomas shares her own process and demonstrates how a sociologically examined life can be a source for personal growth An extensive resource section challenges both the popular reader and the academic to further exploration Kathleen LeBesco author of *Revoltin' Bodies: The Struggle to Redefine Fat Identity* has called *Taking Up Space* a road map through the minefield of the war on obesity Foreword by Paul Campos author of *The Obesity Myth* published in paperback as *The Diet Myth* The original trade paperback edition of *Taking Up Space* was published in 2005 The ebook edition was

published in 2012 and contains an additional updated preface Red Letter Christians Tony Campolo, 2011-01-01 In today's political environment who speaks for whom is not always clear Over the past couple of decades evangelical Christians have tended to be associated with the religious right and the most conservative positions of the Republican Party Rebellious against this designation are those who prefer to be called Red Letter Christians desiring to live out Jesus's words in the New Testament Believing that Jesus is neither a Republican nor a Democrat Red Letter Christians want to jumpstart a religious movement that will transcend partisan politics and concentrate on issues such as fighting poverty caring for the environment advancing peace promoting strong families and supporting a consistent ethic of life all viewed as critical moral and biblical values Into this arena of thought steps Tony Campolo the powerful evangelist known for his passionate and prophetic sharing of the radical message of Jesus In this book Campolo examines many of the hot button issues facing evangelicals from the perspective of Jesus's red letter words in the Bible No matter where you fall on the political spectrum Campolo will make you think pray and act New Technology in Sociology Grant Blank, James L. McCartney, Edward Brent, 2019-12-06 When technology has been applied in business environments its justification has usually been cast in terms of saving time or saving money In the social sciences the justification must be different the viability of sociology as a profession for example will not be enhanced by cost reductions The focus in this volume is on a different bottom line **The Production of Reality** Jodi O'Brien, 1997 *Sociological Abstracts* Leo P. Chaffin, 2003 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers **Snapshots of a Century in African American Lives** Jennifer Cain Bohrnstedt, 2009-11-12 Snapshots of a Century in African American Lives heralds the artistry and historical importance of amateur snapshots taken during the twentieth century Noted scholar Professor Emeritus Edmund W Gordon wrote Foreword This is also a book about the universal celebration of the beauty and dignity of the human condition as it is and can be captured by amateur camera persons A book that captures visual history and visual culture is an ambitious project Snapshots of a Century in African American Lives contains more than 100 images never before in publication Images were culled from a private collection Photojournalism professor D Michael Cheers wrote Introduction These creative expressions which showcase posed candid and ordinary yet unique images hand us a lens that drops in on strangers and allows all of us to reconnect with our African heritage Photography curator Carol McCusker described their impact in the Afterword Through their details we are moved back in time or to somewhere in ourselves They engage us in history in ways other media does not In this capacity Snapshots of a Century in African American Lives makes us aware of what we know what we think we know and what we collectively aspire toward or want to forget and throughout is undeniably American in our optimism Educators historical societies and museums will identify the important relevance of this book and the collection represented This 120

Rooney,1998-05 Your students and users will find biographical information on approximately 300 modern writers in this volume of Contemporary Authors Authors in this volume include Janet Dawson Patrice Gaines Isabella Rossellini Markus Wolf *International Photography Index* ,1979 International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences ,1996 The Handbook of Photography Studies Gil Pasternak,2020-08-13 The Handbook of Photography Studies is a state of the art overview of the field of photography studies examining its thematic interests dynamic research methodologies and multiple scholarly directions It is a source of well informed analytical and reflective discussions of all the main subjects that photography scholars have been concerned with as well as a rigorous

study of the field's persistent expansion at a time when digital technology regularly boosts our exposure to new and historical photographs alike. Split into five core parts, the Handbook analyzes the field's histories, theories, and research strategies; discusses photography in academic disciplinary and interdisciplinary contexts; draws out the main concerns of photographic scholarship; interrogates photography's cultural and geopolitical influences; and examines photography's multiple uses and continued changing faces. Each part begins with an introductory text giving historical contextualization and scholarly orientation. Featuring the work of international experts and offering diverse examples, insights, and discussions of the field's rich historiography, the Handbook provides critical guidance to the most recent research in photography studies. This pioneering and comprehensive volume presents a systematic synopsis of the subject that will be an invaluable resource for photography researchers and students from all disciplinary backgrounds in the arts, humanities, and social sciences. *Synge and Edwardian Ireland* Brian Cliff, Nicholas Grene, 2012. This book uses J. M. Synge's plays, prose, and photography to explore the cultural life of Edwardian Ireland. By emphasizing less familiar contexts including the rise of a local celebrity culture, the arts and crafts movement, and Irish classical music, it shows how Irish folk culture intersected with the new networks of mass communication. *The Bookseller*, 1911.
