

DELINQUENCY AND JUVENILE JUVENILE JUSTICE SYSTEM

Historical Background of JUVENILE DELINQUENCY AND JUVENILE JUSTICE SYSTEM

- **Code of Hammurabi** – the first comprehensive description of a system used by society to regulate behavior and at the same time punish those who disobeyed the rules. It is the origin of the legal principle of “**lex talionis**”, that is, **an eye for an eye**.
- **1641 Stubborn Child Law** – it was passed by the General Court of Massachusetts which stated that children who disobeyed their parents could be put to death.
- **Children Only law** – due to increasing demand on the state to take responsibility for improving the lives of children and eventually new regulations, such as, child labor laws were enacted.
- **1916 Keating-Owen Act** – passed by the United States Congress and become the first piece of child labor in America. After 2 years it was revised through the case of Hammer V. Dagenhart, it did lay the groundwork for the passage in 1938 of the **Fair Labor Standards Act**.
- **Child-saving Movement** – concerned citizens eventually formed a social activist group called **Child Savers**, who believed that: children were born good and became bad”.
- **Parens Patria** – during the heights of child savers this doctrine was created. It is the right and responsibility of the government to take care of minors and others who cannot legally take care of themselves.
- **1818** – a committee reports listed “**juvenile delinquency**” as a major cause of pauperism, the first public recognition of the term juvenile delinquency.
- **1899** – the Illinois legislature passed a law creating a juvenile court that became the cornerstone for juvenile justice throughout the United States. The vision of the child savers and the founders of the juvenile court was the rehabilitative ideal of reforming children instead of punishing them.
- **Medical Model** – established by the Illinois Court Act, viewing crimes as a disease that could be treated and cured by social intervention.

HOUSE OF CORRECTIONS FOR JUVENILE DELINQUENT

1. **Bridewells** – it was the first house of corrections in England. They confined both children and adults considered to be idle and disorderly.
2. **Hospice of San Michele (Saint Michael)** – this was established in 1704. **John Howard**, a former, brought to England from Rome a model of the first institution for treating juvenile offenders. He was often thought of as the **father of prison reform**.

Sociology Of Delinquency Current Issues
