*Sociology of Law* Qiliang Wang, 2022-03-08 This book based on extensive ethnographic material analyzes the complex relationships between the law and various social controls helping to answer the question of how social order is formed Formal law exists in a web of complex structures and meanings Accordingly legal study must take into account multiple types of order allowing us to understand in depth the strengths and weaknesses reasonable and absurdity and successes and failures of the law In addition the interactions of numerous actors shape the structure and context of the law Exploring these aspects while also highlighting diverse informal non state norms that influence day to day social practices and which have never been replaced by modern laws the book offers an insightful resource for all readers who are interested in the practice of Chinese law or in the connections between culture society and the law

The Sociology of Community Connections John G. Bruhn, 2011-07-18 Many of our current social problems have been attributed to the

breakdown or loss of community as a place and to the fragmentation of connections due to an extreme value of individualism in the Western world particularly in the United States Not all scholars and researchers agree that individualism and technology are the primary culprits in the loss of community as it existed in the middle decade of the 20th century Nonetheless people exist in groups and connections are vital to their existence and in the daily performance of activities The second edition of the Sociology of Community Connections will identify and help students understand community connectedness in the present and future

**Perspectives on Marital Dissolution** Sharon Ee Ling Quah,2015-05-08 This book presents a sociological account on marital dissolution that engages and extends theorisations on individualisation and the contemporary organisation of personal relationships to discuss how the experience of divorce might not be all debilitating but on the contrary could provide opportunities for productivity self responsibility and relationship formation Using Singaporean divorcees narrative accounts the book explores how divorcees shape and construct what the author refers to as a divorce biography to end their unsatisfying marriages cope with the crisis negotiate the associated risks organise post divorce personal communities and make future plans It uncovers how divorcees navigate their divorce biographies within the economic policy and social context they are located in and examines the conditions that facilitate or hinder the pursuit of productivity in different facets of their post divorce lives Far from a standard story of divorce this book presents the diversity and complexity of Singaporean divorce biographies The research challenges negative discourses associated with divorce and offers a more nuanced perspective by discussing both the precarious and productive aspects of the experience More importantly it provides a critical discussion on the limited definition of family prevalent in Singaporean society and shows how post divorce family life and practices continue to thrive despite the rupture of marriage

**Income Inequality and Poverty in Malaysia** Shireen Mardziah Hashim, 1998 This

thorough analysis of Malaysia's economic expansion evaluates the success of the government's New Economic Policy (NEP) which was designed to promote national unity by reducing poverty as well as by loosening the link between ethnicity and economic function. The first comprehensive analysis of income distribution trends after the inauguration of the NEP, the study also considers interethnic urban, rural, and regional variations over time. Although there have been significant reductions in poverty and income inequality, Hashim uses previously unpublished data to show that both are still rampant. **Sociology**
