Book 7 Revelation PB Kurt Jurgensmeier,2012-08-22 How and why has God spoken to us Our purpose in this book is to provide a biblical study of the various types and purposes of the myriad of different methods of divine revelation In the process we endeavor to answer such critical and controversial questions as How do we know when God is speaking What has been the progression of divine revelation What are the only two methods of revelation that God uses to communicate to all of humanity Why is Scripture so authoritative and sufficient for the Christian life What are the several vital but often neglected ways that God speaks to us apart from Scripture How does God expect us to make decisions and does He have a personal will for our lives that cannot be found in Scripture Does God speak to us by planting thoughts in our mind **Book 10 Miracles**

**PB** Kurt Jurgensmeier,2012-08-22 How does God supernaturally reveal Himself This book is a detailed introduction to the complex controversial but vital topic of miracles The topic would be difficult enough but the claims and teaching of charismaticism have made a biblical understanding of miracles even more critical but also more complicated In the course of this Bible study we endeavor to answer such questions as What is a miracle How do we avoid the extremes between anti supernaturalism which claims there are no miracles and super supernaturalism which claims an abundance of them What are the different types of miracles and why is it critical to distinguish them What are the myriad of ways that God has miraculously spoken and which of these can we expect today What is the biblical place and attributes of dreams and visions What is the embarrassing history and alarming dangers of the super supernaturalism at the heart of the charismatic movement NRSV Go-Anywhere Thinline Bible Catholic Edition (PB) Harper Bibles,2011-02-01 The Ideal On the Go

and C S Lewis which claims salvation can be apart from a revelation of the Gospel Finally we demonstrate that the strength of our faith depends on reason and the evidences it perceives and evaluates There is no such thing as a biblical leap of faith apart from reason     *Book 5 Apologetics PB* Kurt Jurgensmeier,2012-08-22 How Does God Really Want Us to Prove Christianity Christian apologetics is the endeavor to prove There is salvation in no one else but Jesus Christ The popular intellectual approach marshals scientific historical and philosophical arguments to defend the Christian faith However this book makes the following claims Intellectual apologetics has no biblical support including the often quoted 1 Peter 3 15 The Apostle Paul actually denounced the use of intellectual apologetics for evangelism Virtue apologetics which proves the salvific exclusivity of Christianity by the superior love and holiness of Spirit indwelt believers is repeatedly commanded in Scripture and demonstrated in real life and history Claims to Christian immorality in both history and modern research are not true While there are a multitude of books on intellectual apologetics this author could not find a biblical study that explains defends and encourages virtue apologetics So he wrote one     *Producers Releasing Corporation* Wheeler W.
